

PLANNING — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Planning Framework, DMEO & National Development Council
2. Planning Commission & NITI Aayog — Structure and Basics
3. NITI Aayog Indices, Reports & Planning Institutions
4. Planning Concepts & Pre-Independence Planning Ideas
5. Rolling Plan & Core Objectives of Five Year Plans
6. Twelfth Five Year Plan — 2012-17
7. Eleventh Five Year Plan — 2007-12
8. Tenth Five Year Plan — 2002-07
9. Ninth Five Year Plan — Growth, Education & Women
10. Eighth Five Year Plan — 1992-97 & Human Development
11. Seventh & Sixth Plans — Food, Work, IRDP & Rolling Plan
12. Fifth & Fourth Plans — Garibi Hatao, Self-Reliance & Growth Centres
13. Second Five Year Plan — Mahalanobis & Industrialisation
14. First Plan, Development Models & Plan-Programme Matching
15. Plan-wise Growth Performance Comparisons
16. Plan Holiday, Jobless Growth & Miscellaneous Planning Facts

1. Planning Framework, DMEO & National Development Council

- Constitution ki Seventh Schedule ki Concurrent List ke Entry 20 mein 'Economic and Social Planning' mention hai. [Q1]
- Development Monitoring and Evaluation Office (DMEO) 18 September 2015 ko Programme Evaluation Organisation (PEO) aur Independent Evaluation Office (IEO) ko merge karke establish hua. Ye NITI Aayog ka attached office hai aur monitoring-evaluation ecosystem ko strengthen karta hai. [Q2]
- DMEO NITI Aayog ka attached office hai; 18 September 2015 ko PEO aur IEO ke merger se constitute hua. [Q3]
- National Development Council (NDC) 6 August 1952 ko constitute hua aur Planning Commission ke parallel development body ki tarah kaam karta tha. Five Year Plans ki final approval iska major function tha. [Q4]
- NITI Aayog ne 1 January 2015 se Planning Commission ko replace kiya. [Q5]
- Finance Commission constitutional body hai aur mainly revenue-sharing/revenue segment review karta hai; Planning Commission extra-constitutional body tha aur States ki capital + revenue requirements dono ko broader planning framework mein assess karta tha. [Q6]
- Ashok Chanda ne Planning Commission ko 'Economic Cabinet' kaha tha. [Q7]
- National Development Council 6 August 1952 ko establish hua. Ye extra-constitutional body thi, Prime Minister iska Chairman hota tha aur Five Year Plans ko final approval dene ke saath national development policies review karti thi. [Q8]
- National Development Council ka major role Five Year Plans ko final approval dena tha. [Q9]
- National Development Council ka Chairman Prime Minister hota tha. [Q10]
- Planning Commission Five Year Plan ka draft banata tha; Cabinet approval ke baad NDC final approval deta tha. Iske baad plan Parliament mein present hota aur approval ke baad government plan ke roop mein publish hota tha. [Q11]
- National Development Council 6 August 1952 ko constitute hua. [Q12]
- National Development Council (NDC) 1952 mein constitute hua. [Q13]
- Five Year Plans ki final approval authority National Development Council thi. [Q14]

EXAM TRAP — NDC vs NITI Aayog Context

- National Development Council historical Planning Commission framework ka institution tha; NITI Aayog Governing Council current institutional arrangement hai. Dono structures ko mix na karein.

[Q4, Q5, Q8, Q9, Q10, Q11, Q12, Q13, Q14]

2. Planning Commission & NITI Aayog — Structure and Basics

- Planning Commission 15 March 1950 ko Union Cabinet ke proposal/resolution se constitute hua. Ye extra-constitutional advisory body tha aur Prime Minister iska ex-officio Chairman hota tha. [Q15]
- Planning Commission Cabinet Resolution ke through create hua tha, Constitution ke through nahi. [Q16]
- Planning Commission ek advisory institution tha. [Q17]
- Planning Commission ko semi-political body maana jaata tha. [Q18]
- Planning Commission ka full-time Chairman nahi hota tha; Prime Minister ex-officio Chairman hota tha. NITI Aayog 1 January 2015 ko Planning Commission ki jagah constitute hua. [Q19]
- NITI Aayog ka ex-officio Chairman Prime Minister hota hai. Governing Council mein States/legislature-wale UTs ke Chief Ministers, UTs ke Lieutenant Governors, Vice-Chairman, full-time members aur special invitees shamil hote hain. [Q20]
- NITI Aayog 1 January 2015 ko establish hua. [Q21]
- NITI Aayog ne Planning Commission ko replace kiya. [Q22]
- NITI Aayog 1 January 2015 ko Union Cabinet Resolution ke through Planning Commission ki jagah form hua. Ye Government of India ka premier policy think tank hai jo directional aur policy inputs deta hai. [Q23]
- NITI Aayog 1 January 2015 ko Planning Commission ki jagah constitute hua. [Q24]

- NITI Aayog 1 January 2015 ko Union Cabinet Resolution se form hua. NITI ka full form 'National Institution for Transforming India' hai aur ye Government of India ka premier policy think tank hai. [Q25]
- NITI Aayog 1 January 2015 ko Planning Commission ki jagah establish hua; iska Chairperson Prime Minister hota hai, President nahi. [Q26]
- India mein Sustainable Development Goals (Agenda 2030) ke coordination aur implementation ki nodal institution NITI Aayog hai. [Q27]
- NITI Aayog ke first Vice-Chairman Arvind Panagariya the; current Vice-Chairman Suman K. Bery hain. [Q28]
- Amitabh Kant NITI Aayog ke CEO reh chuke hain; February 2023 se B. V. R. Subrahmanyam CEO hain. [Q29]

EXAM TRAP — NITI Aayog Posts are Time-Specific

► NITI Aayog ka constitution date, full form, Governing Council aur CEO facts time-specific hain. Amitabh Kant historical CEO fact hai; office-holder ko date ke saath padho.

[Q19, Q20, Q21, Q22, Q23, Q24, Q25, Q26, Q27, Q28, Q29]

3. NITI Aayog Indices, Reports & Planning Institutions

- India Innovation Index 2019 mein Major States category mein Karnataka first tha; NITI Aayog ke 2020 aur 2021 editions mein bhi Karnataka ne top position maintain ki. [Q30]
- 2014-15 mein Bihar in states ke beech fastest-growing economy tha. Economic Survey 2025-26 ke 2023-24 current-price NSDP data mein Maharashtra 15.77%, Bihar 15.50%, Goa 10.52% aur Madhya Pradesh 10.30% rahe; all-States level par Assam 19.44% ke saath highest tha. [Q31]
- NITI Aayog Health Index 2019 mein Bihar ka score 32.11 tha; fourth edition ke 2019-20 base-year data mein Bihar ka score 31.00 report hua. [Q32]
- NITI Aayog Fiscal Health Index 2025 mein FY 2022-23 ke liye Odisha top-ranked major State tha; uske baad Chhattisgarh aur Goa rahe. [Q33]
- Fiscal Health Index 2025 mein Uttar Pradesh ka FY 2022-23 score 45.9 tha; 2014-19 period ka earlier score 37.0 record hua tha. [Q34]
- Planning Commission Cabinet Resolution se bana extra-constitutional body tha. Vice-Chairman/members ki sankhya aur tenure government decide karti thi; members ke liye Constitution mein specific qualification prescribed nahi thi. [Q35]
- P. Chidambaram Planning Commission ke Deputy Chairman nahi rahe. Dr. Manmohan Singh Jan 1985-Aug 1987, Pranab Mukherjee Jun 1991-May 1996 aur Montek Singh Ahluwalia Jul 2004-May 2014 tak Deputy Chairman rahe. [Q36]
- Planning Commission ka ex-officio Chairman Prime Minister hota tha. 1 January 2015 se Planning Commission ki jagah NITI Aayog bana, jiska Chairman bhi Prime Minister hota hai. [Q37]
- Planning Commission ka ex-officio Chairman Prime Minister hota tha. [Q38]
- Five Year Plan ka draft Planning Commission prepare karta tha aur Union Cabinet ko deta tha; Cabinet approval ke baad final approval ke liye National Development Council ko bheja jaata tha. [Q39]

EXAM TRAP — Index Rankings are Report-Year Specific

► Innovation Index 2019, Health Index 2019 aur Fiscal Health Index 2025 ke rank/score facts apne exact report year se linked hain; unhe ek universal current ranking na samjho.

[Q30, Q31, Q32, Q33, Q34]

4. Planning Concepts & Pre-Independence Planning Ideas

- Planning Commission ne June 2000 mein 'India Vision 2020' Committee constitute ki, jiske Chairman Dr. S. P. Gupta the. [Q40]
- Economic planning ke major objectives balanced socio-economic development, resources ka optimum use, employment expansion, poverty reduction, self-reliance aur living standards improve karna hote hain. [Q41]
- Imperative planning mein government/commanding authority market mechanism ko largely replace karti hai; indicative planning mein market mechanism continue rehta hai aur government facilitator, guide aur policy-coordinator ki role nibhati hai. [Q42]
- India ke plans ke public expenditure financing mein borrowings/debt sabse bada resource component raha. Ismein market loans, short-term loans, foreign aid, small-savings securities aur State Provident Funds jaise sources shamil the. [Q43]
- Gadgil-Mukherjee formula mein 1971 population ko maximum 60% weightage milta tha; per-capita income 25%, tax effort/fiscal management 7.5% aur special problems 7.5% weightage rakhte the. [Q44]
- National Planning Committee 1938 mein Subhas Chandra Bose ki initiative par form hui aur Jawaharlal Nehru iske Chairman the. [Q45]
- Planning institutions aur Plan-related figures ko unke respective historical period ke context mein samajhna chahiye, kyunki institutions aur allocation formulas time ke saath change hue hain. [Q46]
- Bombay Plan 1944 mein 8 major industrialists ne present kiya. Signatories mein J. R. D. Tata, G. D. Birla, Ardeshir Dalal, Lala Shri Ram, Kasturbhai Lalbhai, A. D. Shroff, Purshottamdas Thakurdas aur John Mathai shamil the. [Q47]
- Gandhian Plan 1944 mein Gandhian economist Shriman Narayan Agarwal ne present kiya. Iska focus self-reliant villages aur decentralized economic structure par tha. [Q48]
- Gandhian Plan Shriman Narayan Agarwal ne prepare kiya tha. [Q49]
- Mahatma Gandhi centralized planned development ke critic the; unka emphasis self-reliance, simple living, local resources aur local workforce ke through decentralized production-consumption par tha. [Q50]
- Sarvodaya Plan ka draft Jayaprakash Narayan ne 1950 mein prepare kiya. [Q51]

EXAM TRAP — Pre-Independence Plan Mapping

► National Planning Committee, Bombay Plan, Gandhian Plan aur Sarvodaya Plan ke proposer/year pairs alag hain; names aur years ko cross-mix na karein.

[Q45, Q46, Q47, Q48, Q49, Q50, Q51]

5. Rolling Plan & Core Objectives of Five Year Plans

- Gunnar Myrdal ne developing countries ke liye Rolling Plan recommend kiya. Rolling planning mein one-year short-term plan, 3/4/5-year medium-term plan aur 10/15/20-year long-term perspective ko regular revision ke saath use kiya jaata hai. [Q52]
- Rolling Plan mein one-year short-term plan, 3/4/5-year medium-term framework, annual revision aur longer-term perspective shamil hote hain. [Q53]
- Backward/developing countries ke liye Rolling Plan ka suggestion Gunnar Myrdal ne diya tha. [Q54]
- Morarji Desai-led Janata Government ne 1978 mein Rolling Plan adopt kiya; 1980 mein Indira Gandhi-led Congress Government ne ise discontinue karke Five Year Plans restore kiye. [Q55]
- 1978 mein Janata Government ne Fifth Plan ko early terminate karke 1978-80 ke liye Rolling Plan start kiya. 1980 mein Congress Government ne 1980-85 ka new Sixth Five Year Plan implement kiya. [Q56]
- Indian Five Year Plans ka major objective rapid economic development ke through self-reliance aur foreign aid par dependence reduce karna tha. Economic liberalisation ke baad, especially Eighth Plan se, self-reliance ka emphasis comparatively kam hua. [Q57]
- Independence ke baad planning strategy ka aim economic justice, self-reliance aur India ko stronger developing economy banana tha. [Q58]

EXAM TRAP — Rolling Plan Terminology

► Rolling Plan short-, medium- aur long-term horizons ko combine karke yearly revise hota hai. Gunnar Myrdal ne developing/backward countries ke liye idea suggest kiya; India mein Janata Government ne 1978 mein adopt kiya.

[Q52, Q53, Q54, Q55, Q56]

6. Twelfth Five Year Plan — 2012-17

- Twelfth Five Year Plan (2012-17) ka theme 'Faster, Sustainable and More Inclusive Growth' tha. GDP growth target 8%, agriculture-allied 4% aur manufacturing 10% tha; 2016-17 iska final year tha aur iske baad Five Year Plan era end hua. [Q59]
- Twelfth Five Year Plan ka tenure 2012-2017 tha. [Q60]
- India ka Twelfth Five Year Plan 2012-17 period ka last Five Year Plan tha. Planning Commission ko 1 January 2015 se NITI Aayog ne replace kiya aur Five Year Plan system subsequently discontinue ho gaya. [Q61]
- Twelfth Five Year Plan (2012-17) ka subtitle 'Faster, Sustainable and More Inclusive Growth' tha. [Q62]
- Twelfth Five Year Plan mein agriculture, forestry aur fishing ke liye 4% growth target rakha gaya tha. [Q63]
- October 2012 mein Government of India ne Twelfth Five Year Plan (2012-17) ka draft approve kiya; agriculture aur allied sectors ke liye 4% annual average growth target set hua. [Q64]
- Twelfth Plan ke Approach Paper mein GDP growth ka initial target 9-9.5% propose kiya gaya tha. [Q65]
- Twelfth Five Year Plan mein Social Services ko sabse bada allocation mila: lagbhag Rs 26,64,843 crore, jo total outlay ka 34.7% tha. [Q66]
- Twelfth Five Year Plan mein Social Services par sabse bada expenditure allocation tha. [Q67]
- Twelfth Five Year Plan ke liye infrastructure investment requirement lagbhag Rs 55.7 lakh crore, yani around US\$1 trillion, estimate ki gayi thi. [Q68]
- 'Faster, Sustainable and More Inclusive Growth' theme wala Twelfth Five Year Plan 2012-17 tak chala. [Q69]
- Twelfth Five Year Plan ka central objective faster, sustainable aur more inclusive growth tha. [Q70]
- Twelfth Five Year Plan ka focus faster, sustainable aur more inclusive growth par tha. [Q71]

EXAM TRAP — Q62 — All Three Targets Belong to 12th Plan

► Twelfth Plan mein real GDP growth 8%, agriculture growth 4% aur per-capita consumption poverty ratio mein 10 percentage-point reduction — teeno valid targets the; 12th Plan context mein inmein se koi ek 'not included' target nahi banta.

► Twelfth Plan Approach Paper mein GDP growth target 9-9.5% propose hua tha; 27 December 2012 ko approved final Plan ka average annual growth target 8% tha.

[Q62, Q65]

7. Eleventh Five Year Plan — 2007-12

- Eleventh Five Year Plan 2007-12 mein 'Faster and More Inclusive Growth' par emphasis tha; Twelfth Plan 2012-17 mein theme 'Faster, Sustainable and More Inclusive Growth' ho gaya. [Q72]
- Eleventh Five Year Plan ka major focus inclusive growth tha. [Q73]
- Eleventh Five Year Plan ka period 2007-2012 tha. [Q74]

- India ka Eleventh Five Year Plan 2007-2012 period se associated hai. [Q75]
- Eleventh Five Year Plan ka main theme 'Faster and More Inclusive Growth' tha. [Q76]
- Eleventh Plan Approach Paper ka theme 'Towards Faster and Inclusive Growth' tha. [Q77]
- Eleventh Five Year Plan ka central objective inclusive economic growth tha. [Q78]
- Eleventh Plan ke draft mein assumption tha ki target growth achieve ho aur population 1.5% annual rate se bade, to average Indian ki real income lagbhag 10 years mein double ho sakti hai. [Q79]
- Eleventh Plan mein employment opportunities ki highest expected growth Construction sector mein 8.27% thi; Transport & Communication 7.6%, Manufacturing 4% aur Agriculture 4% estimate hua. [Q80]
- Eleventh Five Year Plan ka size Rs 36,44,718 crore tha; Twelfth Five Year Plan ka outlay Rs 76,69,807 crore tha. [Q81]
- Eleventh Plan mein Social Services ko maximum funds mile aur Energy second-largest allocation sector tha. Education ka allocation Energy sector ke total allocation se kam tha. [Q82]
- Eleventh Plan mein proposed expenditure: Agriculture & Rural Development Rs 4,37,450 crore; Energy Rs 8,54,123 crore; Transport Rs 5,72,443 crore; Social Sectors Rs 11,02,327 crore. [Q83]
- Eleventh Plan mein Agriculture, Industry aur Services ke growth targets respectively 4.0%, 10-11% aur 9-11% the; actual achievement roughly 3.7%, 7.2% aur 9.7% rahi. [Q84]
- Eleventh Five Year Plan mein agriculture growth target 4% per year tha. [Q85]
- Eleventh Five Year Plan ka original GDP growth target 9% tha, jabki actual average annual growth around 8% achieve hui. [Q86]
- Eleventh Plan ke Inclusive Growth framework mein 'strengthening the capital market' inclusive-growth objective ka part nahi tha. [Q87]
- Eleventh Plan mein elementary education par major focus tha; dropout rate ko 2011-12 tak 20% tak reduce karna, minimum standards improve karna aur literacy rate ko 85% tak badhana targets mein shamil the. [Q88]
- Eleventh Five Year Plan mein 8 new IITs open karne ki approval di gayi. [Q89]

EXAM TRAP — Allocation Depends on Category & Wording

- Eleventh Plan mein overall maximum allocation Social Services ko mila aur Energy second tha; Social Services ke education component ka allocation Energy se lower tha. Twelfth Plan mein Social Services 34.7%, Energy 18.8% aur Transport 15.7% raha.

[Q81, Q82, Q83]

8. Tenth Five Year Plan — 2002-07

- Tenth Plan (2002-07) ka original growth target 8% tha; mid-term appraisal mein ise 7% revise kiya gaya, jabki actual average annual growth 7.6% rahi. [Q90]
- Tenth Five Year Plan ka GDP growth target 8% tha. [Q91]
- Tenth Five Year Plan 1 April 2002 se 31 March 2007 tak chala. [Q92]
- Tenth Five Year Plan ka period 2002-2007 tha. [Q93]
- Tenth Plan ke major targets mein 8% GDP growth aur poverty ratio ko 2007 tak 20% tak reduce karna shamil tha. [Q94]
- Tenth Plan ke sectoral outlay mein Energy 26.47% ke saath highest tha; Social Services 22.79%, Transport 14.31% aur Communication 6.43% the. [Q95]
- Tenth Plan ke sectoral growth targets mein Agriculture 3.97% aur Telecommunications 15% tha. [Q96]
- Tenth Plan ke crop-growth targets/figures: pulses & oilseeds 4.29%, fruits & vegetables 2.97%, cereals 1.28% aur other crops 3.58%. [Q97]
- Tenth Plan mein domestic saving rate lagbhag 26.84% of GDP aur investment rate 32.1% tha. Eleventh Plan ka average investment rate 38.2% aur Twelfth Plan estimate 38.8% tha. [Q98]
- 2000-02 ke GDP growth performance ko Tenth Plan ke 8% target se compare karne par growth expectation ke lagbhag half ke aas-paas thi. [Q99]

9. Ninth Five Year Plan — Growth, Education & Women

- Ninth Five Year Plan (1997-2002) ka emphasis 'Growth with Social Justice and Equality' tha. Target growth 6.5% ke against actual growth 5.4% rahi. [Q100]
- Ninth Plan 1997-2002 mein annual growth target 6.5% tha, lekin actual growth around 5.4% achieve hui. [Q101]
- Ninth Five Year Plan mein total education budget ka 57.1% primary education ko allocate kiya gaya. [Q102]
- Women's Component Plan Ninth Five Year Plan (1997-2002) ki major strategy thi; women-related sectors ke liye 30% funds earmark karne ka approach adopt hua. [Q103]
- Ninth Plan mein capital-output ratio 4.3 estimate hua tha, jabki actual capital-output ratio around 4.53 raha. [Q104]

10. Eighth Five Year Plan — 1992-97 & Human Development

- Seventh Plan 31 March 1990 ko end hua; two-year gap ke baad Eighth Plan 1 April 1992 se 31 March 1997 tak chala. [Q105]
- Eighth Five Year Plan April 1992 se March 1997 tak operational tha. [Q106]
- Eighth Five Year Plan ka basic objective broad-based Human Development tha. [Q107]

- First Plan ka main focus agriculture tha; Third Plan agriculture/foodgrains ke saath basic industries par focused tha; Fifth Plan ka emphasis poverty eradication aur self-reliance par tha. [Q108]
- Eighth Plan (1992-97) ka GDP growth target 5.6% tha, jabki actual growth 6.8% achieve hui. [Q109]
- Eighth Plan mein GDP growth target 5.6% aur industrial growth target 7.5% tha. [Q110]
- Eighth Plan ka total proposed outlay Rs 8,71,000 crore tha; ismein Rs 7,98,000 crore investment outlay aur Rs 93,000 crore current expenditure ke liye tha. [Q111]
- Eighth Plan ke public-sector outlay financing ka largest source government borrowings tha. Total public-sector investment Rs 4,34,100 crore mein se Rs 2,02,255 crore, yani 46.6%, borrowings se raise karne ka target tha. [Q112]
- Eighth Plan mein public investment ko infrastructure sectors—transport, communication, energy aur irrigation—mein concentrate karna major priority thi. [Q113]
- Eighth Plan mein infrastructure development ko adequate/high priority di gayi. [Q114]
- Industrialisation strategy mein heavy-industry emphasis se infrastructure emphasis ki shift Eighth Five Year Plan se clearly dikhne lagi. [Q115]

EXAM TRAP — Eighth Plan & Human Resource Development

► Human Resource Development Eighth Five Year Plan ka major focus tha; First Plan agriculture, Third Plan agriculture + basic industries, aur Fifth Plan poverty eradication + self-reliance par focused the.

[Q107, Q108]

11. Seventh & Sixth Plans — Food, Work, IRDP & Rolling Plan

- Seventh Plan (1985-90) ki strategy poverty, unemployment aur regional disparities par attack karna tha; foodgrain production, employment aur productivity increase par major emphasis diya gaya. [Q116]
- Seventh Five Year Plan ka main slogan 'Food, Work and Productivity' tha. [Q117]
- 'Food, Work and Productivity' slogan Seventh Five Year Plan se associated tha. [Q118]
- Integrated Rural Development Programme (IRDP) 1976 mein 20 selected districts se start hua; iska approach individual ke bajay entire poor family/household ko development unit maana tha. [Q119]
- IRDP 2 October 1980 se country ke sabhi 5,011 blocks mein extend hua. Iska aim poor rural families ko self-employment ke liye credit/assets support dekar poverty line se upar lana tha. [Q120]
- Janata Government ne 1978 mein Fifth Plan ko early terminate karke Rolling Plan framework adopt kiya; isi context mein 1978-80 phase ko Rolling/Sixth Plan se joda jaata hai. [Q121]

EXAM TRAP — Sixth Plan / Rolling Plan Historical Usage

► 1978 mein Janata Government ne Fifth Plan terminate karke Rolling Plan framework start kiya; isi historical phase ko Sixth Plan/Rolling Plan framing se link kiya jaata hai.

[Q120, Q121]

12. Fifth & Fourth Plans — Garibi Hatao, Self-Reliance & Growth Centres

- Fifth Five Year Plan ki formulation aur tenure dono unusual rahe. Planning Commission ne 1972 mein iska initial framework prepare kiya tha, jisme employment ko major priority di gayi. [Q122]
- Fifth Five Year Plan apne scheduled period se ek saal pehle terminate kar diya gaya. [Q123]
- Fifth Plan 1 April 1974 se 31 March 1979 ke liye planned tha, lekin Janata Government ne ise ek saal pehle terminate kar diya. Iska main objective poverty eradication aur self-reliance tha. [Q124]
- Fifth Five Year Plan ka basic objective poverty removal tha. [Q125]
- 'Garibi Hatao' / Poverty Eradication slogan Fifth Five Year Plan se strongly associated tha. [Q126]
- Fifth Plan ke dauran poverty alleviation aur poor sections ki minimum needs meet karne ke liye national development programmes ko major policy focus mila. [Q127]
- Green Revolution India mein 1966-67 se start hui; 14 major banks 19 July 1969 ko nationalize hue; 'Garibi Hatao' slogan Indira Gandhi ne 1971 mein diya aur poverty removal Fifth Plan ka major goal bana. [Q128]
- Regional disparities reduce karne ke liye Growth Centre Approach Fourth Plan mein start hua; Fifth Plan mein is approach par aur zyada emphasis diya gaya. [Q129]
- Self-sustained development ka objective Fourth Five Year Plan mein explicitly adopt hua; Third Plan ka major aim foodgrains mein self-reliance achieve karna tha. [Q130]

13. Second Five Year Plan — Mahalanobis & Industrialisation

- Second Five Year Plan 1 April 1956 se 31 March 1961 tak chala aur P. C. Mahalanobis model par based tha. Iska core focus rapid industrialisation/heavy industry tha; Industrial Policy 1956 ne 'socialist pattern of society' ko policy direction di. [Q131]
- Second Five Year Plan ka model P. C. Mahalanobis se associated tha. [Q132]
- Second Plan (1956-61) P. C. Mahalanobis model par based tha aur rapid industrialisation iska main goal tha. P. C. Mahalanobis ke birthday 29 June ko India mein Statistics Day manaya jaata hai. [Q133]

- Second Plan model ke chief architect P. C. Mahalanobis the. [Q134]
- Second Plan mein capital-intensive heavy industries ko priority di gayi. Mahalanobis model mein capital-goods sector, factory consumer-goods sector, small-unit production aur household-industry sectors shamil the. [Q135]
- Industrial development aur industrialisation Second Five Year Plan ka major focus tha. [Q136]
- Second Five Year Plan mein industrial sector ko maximum emphasis mila. [Q137]

14. First Plan, Development Models & Plan-Programme Matching

- First Five Year Plan (1 April 1951-31 March 1956) Harrod-Domar growth model par based tha; Community Development Programme 1952 mein isi Plan period mein start hua. [Q138]
- Independence ke baad Planning Commission 1950 ke Cabinet Resolution se constitute hua aur 1 April 1951 se First Five Year Plan ke saath planned development formally start hua. [Q139]
- First Plan (1951-56) Harrod-Domar model par based tha aur agriculture-irrigation ko top priority mili; Second Plan (1956-61) P. C. Mahalanobis model par based tha. [Q140]
- 1951 ke foodgrain imports aur inflation pressure ko dekhte hue First Plan mein agriculture, irrigation aur power projects ko top priority di gayi. [Q141]
- Second Plan mein capital-goods manufacturing industries mein investment aur rapid industrialisation ko central strategy banaya gaya; Mahalanobis development model adopt hua. [Q142]
- India ne 1950s mein Import Substitution Industrialisation strategy adopt ki; Second Plan se basic aur capital-goods industries ko strong policy push mila. [Q143]
- Planning-model mapping: First Plan—Harrod-Domar; Second—Mahalanobis; Third—S. Chakravarty; Fourth—Ashok Rudra model. [Q144]
- Plan-focus mapping: First—Community Development; Second—Rapid Industrialisation; Third—basic industries expansion; Fourth—growth with stability/self-reliance; Fifth—Minimum Needs Programme. [Q145]
- Plan-focus mapping: First Plan agriculture-focused tha; Second Plan rapid industrialisation/heavy & basic industries par; Third Plan self-reliance/self-production par; Fourth Plan growth with stability aur progressive self-reliance par; Fifth Plan poverty eradication (Garibi Hatao) aur self-reliance par focused tha. [Q146]
- Plan-period mapping: First 1951-56; Third 1961-66; Fourth 1969-74; Sixth 1980-85. [Q147]

EXAM TRAP — Plan Models & Programme Matching

- Plan-model mapping: First—Harrod-Domar; Second—P. C. Mahalanobis; Third—S. Chakravarty; Fourth—Ashok Rudra. Programme-plan pairs ko bhi unke exact Plan period ke saath padho.

[Q140, Q142, Q143, Q144, Q145, Q146, Q147]

15. Plan-wise Growth Performance Comparisons

- Selected Plans ki average growth rates: First 3.6%, Fourth 3.3%, Sixth 5.7% aur Tenth 7.6%. [Q148]
- Fifth, Sixth, Seventh aur Eighth Five Year Plans mein real Gross National Product ka cumulative annual growth rate Eighth Plan ke dauran sabse zyada tha. [Q149]
- Selected Plan growth rates: Seventh 6.0%, Eighth 6.8%, Ninth 5.4%, Tenth 7.6%; inmein Tenth Plan highest tha. [Q150]
- Selected Plan growth rates: Eighth 6.8%, Ninth 5.4%, Tenth 7.6% aur Eleventh 8.0%; inmein Eleventh Plan highest tha. [Q151]
- Eleventh Plan mein per-capita GDP growth target 7.6% per year tha; is pace par per-capita real income roughly 10 years mein double hone ka projection tha. [Q152]
- Uttar Pradesh ki selected Plan growth rates: Sixth 3.9%, Seventh 5.7%, Eighth 3.2% aur Ninth 2.5%. [Q153]

EXAM TRAP — 'Highest Growth' Depends on Metric

- Q148-Q152 mein 'highest' alag metrics par based hai—Plan growth rate, real GNP growth aur per-capita growth ko same metric samajhkar compare na karein.

[Q148, Q149, Q150, Q151, Q152]

16. Plan Holiday, Jobless Growth & Miscellaneous Planning Facts

- 1951 se Five Year Planning history mein total 7 years regular Five Year Plans ke cover se bahar rahe; 1966-69 ka 3-year period formal Plan Holiday tha. [Q154]
