

MONEY & BANKING — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Modern Finance, Insolvency, Digital Payments & FinTech
2. Money Supply, Multiplier, Black Money & Currency
3. Inflation — Concepts, Types & Effects
4. Inflation Measurement — CPI, WPI & Price Indices
5. Banking History, Nationalisation & Public Sector Banks
6. Commercial, Private & Foreign Banks
7. Financial Inclusion, SFBs, Payments Banks, NBFCs & Microfinance
8. Bank Assets, Liabilities, Credit, NPA, Basel & Deposit Insurance
9. RBI — Functions, Government Banking & Institutional Basics
10. Monetary Policy, MPC & Credit-Control Instruments
11. CRR, SLR, Repo, Bank Rate & Policy Transmission
12. RBI Governors, Legal Framework & Development Financial Institutions
13. Insurance, IRDA, Provident Fund, SEBI & Mutual Funds
14. Stock Exchanges, Sensex, Capital Market & Financial Instruments
15. Cooperative Credit, Land Development Banks & Rural Finance
16. NABARD, Regional Rural Banks & SHG-Bank Linkage
17. Financial-Sector Committees, FSDC & Disinvestment
18. Financial-Inclusion Schemes, KCC, Ombudsman & Credit Rating
19. Money/Banking Terms, Markets & Business-Economics Basics

1. Modern Finance, Insolvency, Digital Payments & FinTech

- Infrastructure Investment Trusts (InvITs) se investors ko distributed interest income taxable hai aur dividend bhi taxable hai. InvITs SARFAESI Act, 2002 ke under borrowers ke roop mein recognised hain. [Q1]
- Interest Coverage Ratio debt-servicing/profitability ratio hai jo batata hai company outstanding debt ka interest kitni easily pay kar sakti hai. Ise Times Interest Earned Ratio bhi kehte hain. [Q2]
- Insolvency financial condition hai jahan person/entity due debts pay nahi kar paata; Bankruptcy formal legal process hai jisme debtor ke assets/liabilities ko liquidation ya reorganisation ke through resolve kiya jaata hai. [Q3]
- Syndicated Lending mein multiple lenders milkar ek borrower ko large loan provide karte hain. Borrower corporation, large project ya government entity ho sakta hai. [Q4]
- Project Sashakt ke under stressed assets, especially consortium-lending accounts, ko faster resolve karne ke liye Indian banks/FIs ne 23 July 2018 ko Inter-Creditor Agreement sign kiya. [Q5]
- RBI ki Scheme for Sustainable Structuring of Stressed Assets (S4A) 13 June 2016 ko notify hui; iska purpose genuinely stressed large corporates ki debt/financial structure ko sustainable basis par restructure karna tha. [Q6]
- RBI ke 6 April 2018 'Storage of Payment System Data' direction ke under payment-system operators ko specified payment data India mein stored system mein maintain karna required tha. [Q7]
- May 2016 mein Ministry of Finance aur RBI ne cashless transactions promote karne ke liye Neeraj Kumar Gupta ki chairmanship mein 7-member committee constitute ki. [Q8]
- Merchant Discount Rate (MDR) woh fee hai jo bank/payment acquirer merchant se card-based payment accept karne ke liye charge karta hai. [Q9]
- India ke ATM/payment switching network ka major interconnection National Payments Corporation of India (NPCI) ke National Financial Switch framework se hota hai. [Q10]
- RuPay India ka domestic card-payment network hai, NPCI ne March 2012 mein launch kiya. 'RuPay' naam Rupee + Payment se bana hai. [Q11]
- NPCI International Payments Ltd. ke UPI Global Acceptance facility se Indian users selected foreign merchant QR codes scan karke directly Indian bank account se payment kar sakte hain. [Q12]
- UPI NPCI-developed instant bank-to-bank payment system hai jo IMPS infrastructure par built hai; mobile app se multiple bank accounts ke beech real-time transfer possible hota hai, separate mobile wallet mandatory nahi. [Q13]
- RTGS mein settlement real-time/gross basis par hota hai; NEFT batch-based processing se comparatively delay ho sakta hai. Inward RTGS amount receive karne wale beneficiary par charge nahi lagana chahiye. [Q14]
- Central Bank Digital Currency (CBDC) ya Digital Rupee RBI-issued legal tender ka digital form hai. [Q15]
- CBDC central bank dwara issued sovereign currency ka digital form hai, jo physical cash ka secure/convenient alternative aur digital-payment instrument provide karta hai. [Q16]
- Bitcoin cryptocurrency/virtual currency hai, pseudonymous creator 'Satoshi Nakamoto' se associated hai aur blockchain-based peer-to-peer electronic payment system use karta hai. [Q17]
- Non-Fungible Token (NFT) unique digital token/asset hai jo art, music, video, in-game items ya other digital/real-world-linked assets ko represent kar sakta hai. [Q18]

EXAM TRAP — Digital Money ≠ Same Thing

- UPI instant bank-to-bank transfer system hai; RTGS real-time gross settlement aur NEFT batch-based transfer system hai. CBDC sovereign digital legal tender hai, jabki Bitcoin aur NFT blockchain/crypto-asset concepts hain.
- [Q10, Q11, Q12, Q13, Q14, Q15, Q16, Q17, Q18]

2. Money Supply, Multiplier, Black Money & Currency

- RBI ke older money-supply framework mein M1-M4 aggregates use hote the; 1998 working-group review ke baad M0-M3 framework prominent hua. M3 Broad Money hai: currency with public + demand deposits + other RBI deposits + banking-system time deposits. [Q19]
- Broad Money (M3) mein currency with public, banks ke demand deposits, banking-system time deposits aur RBI ke other deposits shamil hote hain. [Q20]
- Demand deposit se Rs 1 lakh cash withdraw karne par immediate aggregate money supply change nahi hoti; deposit money currency with public mein convert hota hai. M1, M2, M3 aur M4 liquidity ke progressively broader aggregates hain. [Q21]
- Liquidity ka decreasing order generally Currency > Demand Deposits > Savings Deposits > Time Deposits hai. [Q22]
- Money Multiplier monetary base aur broad money supply ka relationship dikhata hai; banking habits/deposit mobilisation badhne se banking system ki credit-creation capacity influence hoti hai. [Q23]
- India mein Money Multiplier ko Broad Money M3 / Reserve Money M0 ke ratio se measure kiya jaata hai: $K = M3/M0$. [Q24]
- Black Money generally undeclared/untaxed income ko refer karta hai jahan legally payable tax evade kiya gaya ho; isse government revenue loss hota hai. [Q25]
- Tax evasion se State Exchequer ko revenue loss hota hai aur unreported income black-money problem ko badhati hai. [Q26]
- Fugitive Economic Offenders Act, 2018 ko enforce karne ki responsibility Enforcement Directorate ke paas hai. ED Department of Revenue, Ministry of Finance ke administrative control mein kaam karta hai. [Q27]
- 8 November 2016 ko Rs 500 aur Rs 1,000 ke then-existing high-denomination notes demonetise kiye gaye; circulation value ka around 86% affected hua. Stated objectives mein black money/counterfeit/cash-based illicit activity reduce karna shamil tha, GDP growth directly iska primary objective nahi tha. [Q28]
- India mein early paper currency private/presidency-era banks ne issue ki; Paper Currency Act 1861 ke baad note-issue right Government of India ke control mein aa gaya aur government paper currency 1862 se issue hui. [Q29]
- 1913 ke Indian Currency Royal Commission ke Chairman Sir Austen Chamberlain the. [Q30]
- India mein decimal currency system 1957 mein introduce hua. 1957-64 ke coins par 'Naya Paisa' term use hua; 1964 se 'Naya' hata kar sirf 'Paisa' use hone laga. [Q31]
- India mein decimal coinage system 1957 mein introduce hua. [Q32]
- Legal Tender Money woh currency hai jise law debt/payment settlement ke liye valid medium recognise karta hai; creditor ko legally acceptable tender specified limits/rules ke under accept karna hota hai. [Q33]
- RBI Act ke framework mein note denominations up to specified statutory limits issue kiye ja sakte hain; current circulation mein RBI mainly Rs 10, 20, 50, 100, 200 aur 500 banknotes issue karta hai. [Q34]
- Minimum Reserve System 1956 mein adopt hua. Initially Rs 515 crore reserve required tha, jisme Rs 115 crore gold aur Rs 400 crore foreign securities shamil the; 31 October 1957 ke amendment ke baad minimum reserve Rs 200 crore hua, jisme at least Rs 115 crore gold aur Rs 85 crore foreign securities rakhna required hai. [Q35]
- India mein currency-note issue Minimum Reserve System par based hai. [Q36]
- RBI currency notes issue karta hai aur backing/reserve assets mein gold, foreign securities/assets aur Government securities shamil hote hain. [Q37]
- India mein coins mint/issue karne ka authority Government of India, Ministry of Finance ke paas hai; Coinage Act framework coin denominations, design aur minting govern karta hai. [Q38]
- India ke major mints Mumbai, Kolkata, Hyderabad aur Noida mein hain; Noida Mint 1988 mein establish hua. [Q39]

3. Inflation — Concepts, Types & Effects

- Inflation mein general price level lagatar badhta hai aur money ki purchasing power girti hai; same amount se pehle ke comparison mein kam goods/services kharide ja sakte hain. [Q40]
- Expansionary monetary policy mein central bank policy rates aur liquidity tools use karke money supply/credit availability badhata hai; interest rates soften hote hain aur aggregate demand ko support milta hai. [Q41]
- Inflation general price level mein sustained aur cumulative rise hai; excess demand ya other pressures se prices badhte hain aur money ki real purchasing power girti hai. [Q42]
- Inflation rate girne ka matlab prices ab bhi badh rahe hain, lekin slower pace par; negative inflation mein overall price level previous comparable period se actually girta hai. [Q43]
- Inflation purchasing power ko reduce karti hai; generally debtors/borrowers ko benefit aur creditors/lenders ko loss hota hai, kyunki repayment lower real-value money mein hoti hai. [Q44]
- Inflation se consumers, creditors aur fixed-income/bond investors generally disadvantage mein rehte hain, jabki debtors, producers aur traders ko kuch situations mein benefit mil sakta hai. [Q45]
- Inflation debtor class ko benefit aur bond holders ko harm karti hai, kyunki loan repayment ki real purchasing-power value kam ho jaati hai. [Q46]
- Inflation generally borrowers ko benefit karti hai, jabki fixed-income savers aur lenders ko disadvantage hota hai. [Q47]
- Historical weekly inflation interpretation mein 5% inflation ka matlab selected weighted basket ka price same week of previous year se 5% higher tha. [Q48]
- 1994-95 se 1997-98 ke beech 52-week average inflation 10.9% se 4.8% hui, jabki foreign investment 4,807 million dollar se 5,353 million dollar badha. [Q49]
- Deflation general price level mein persistent fall hai; inflation ke opposite, ismein goods/services ke average prices lagatar girte hain. [Q50]
- Base Effect tab hota hai jab previous-year ka unusually high ya low price/index level current inflation-rate calculation ko significantly influence karta hai. [Q51]
- Budget deficit aur unproductive expenditure ko contain karna macroeconomic stability ke liye important hai; revenue deficit 1990-91 mein GDP ka 3.3% tha aur 1992-93 mein 2.5% tak aaya. [Q52]
- Inflation ko aam bhasha mein mehngai kehte hain: same quantity of goods/services kharidne ke liye pehle se zyada price pay karna padta hai. [Q53]
- Suppressed inflation mein supply sharply gir sakti hai aur demand high reh sakti hai, lekin strict price controls/rationing visible market-price rise ko temporarily suppress kar dete hain. [Q54]

- Headline Inflation overall consumer basket ke price-change ko show karti hai aur commonly CPI-based broad inflation measure ke roop mein use hoti hai. [Q55]
- Headline inflation mein food aur fuel price movements included hote hain, jabki Core Inflation usually food aur fuel jaise volatile components ko exclude karti hai. [Q56]
- Headline inflation economy ke broad price movement ko food aur energy ke saath measure karti hai; core inflation in volatile components ko exclude karti hai. [Q57]
- Headline Inflation food aur energy prices ko include karti hai, jabki Core Inflation in components ko exclude karke underlying price trend dikhati hai. [Q58]
- Inflation measurement mein selected consumer goods/services ke retail prices ka bhi use hota hai. [Q59]

4. Inflation Measurement — CPI, WPI & Price Indices

- India mein inflation analysis ke liye CPI aur WPI dono important hain; retail inflation ka primary modern benchmark CPI-Combined hai, jabki worker cost-of-living series bhi alag purpose serve karti hain. [Q60]
- India mein older popular inflation benchmark WPI tha; 2014 se RBI monetary-policy framework mein CPI-Combined primary inflation measure hai. [Q61]
- Headline retail inflation CPI-Combined (CPI-C) ke broad consumer basket se measure ki jaati hai. [Q62]
- Headline inflation CPI-Combined ke broad basket mein overall price change ko capture karti hai. [Q63]
- CPI-Combined India ka primary retail-inflation measure hai; WPI wholesale-level price movement ke analysis mein use hota hai. [Q64]
- August 2016 mein Government ne 2016-21 ke liye CPI inflation target 4% fix kiya tha, tolerance band +/-2 percentage points ke saath. [Q65]
- RBI ke April 2025 Monetary Policy Report mein FY2025-26 CPI inflation around 4% project ki gayi; older projections mein FY2025 aur FY2026 ke liye 4.5% aur 4.1% figures bhi diye gaye the. [Q66]
- Calendar year 1991 mein monthly-average WPI-based annual inflation 12.7% thi; April-December 2025-26 period mein WPI inflation around 0.04% report hui. [Q67]
- Consumer Price Index selected goods/services ke representative consumer basket ke retail-price changes ko time ke saath measure karta hai. [Q68]
- India mein CPI ki different series Labour Bureau aur National Statistical Office (NSO) compile karte hain, series ke target population/purpose ke hisab se. [Q69]
- CPI-IW, CPI-AL aur CPI-RL Labour Bureau compile karta hai; broader rural/urban CPI series NSO framework mein compile hoti hain. [Q70]
- Labour Bureau CPI-IW ke saath CPI-AL aur CPI-RL bhi compile karta hai. [Q71]
- Labour Bureau CPI-IW series 1944 se compile kar raha hai; iska base year time-to-time revise kiya gaya hai. [Q72]
- CPI-IW ka base year historical revision mein 1960 se 1982 kiya gaya tha. [Q73]
- Central Government employees ke inflation compensation/dearness allowance calculations mein CPI-IW important reference index hai. [Q74]
- Employees ka Dearness Allowance primarily CPI-IW se linked hai; major CPI series mein CPI-IW, CPI-AL, CPI-RL aur All-India CPI (Rural + Urban) shamil hain. [Q75]
- India ka WPI data Office of Economic Adviser, DPIIT, Ministry of Commerce & Industry release karta hai. [Q76]
- Hashim Committee ki recommendations ke baad WPI base year 1981-82 se 1993-94 kiya gaya aur revised series 1 April 2000 se implement hui. [Q77]
- WPI ke 2011-12-base structure mein Manufactured Products ka weight around 64.23% hai. [Q78]
- WPI basket mein Manufactured Products ko sabse highest weight milta hai. [Q79]
- 14 September 2010 ko 2004-05 base-year wali WPI series start hui; 12 May 2017 ko 2011-12 base-year wali revised series introduce ki gayi. [Q80]
- All-India WPI ka base year 2004-05 se revise karke 2011-12 kiya gaya. [Q81]
- 2004-05 base-year wali revised WPI series 14 September 2010 ko release hui. [Q82]
- Current WPI series ka base year 2011-12 hai; older series mein 1993-94 aur 2004-05 base years use hue the. [Q83]
- October 2009 mein WPI base year 1993-94 se 2004-05 shift karne ka decision liya gaya tha. [Q84]
- WPI monthly basis par release hota hai; historical WPI-CPI-IW comparison mein food items ka weight CPI-IW ke mukable WPI mein relatively lower raha. [Q85]
- Agar price index base year = 100 se badhkar 330 ho jaye, to weighted average price level base-year level ka 3.3 times ho gaya hai. [Q86]
- Producer Price Index (PPI) producers ko milne wale goods/services prices mein average change ko time ke saath measure karta hai. [Q87]
- Cost-push inflation production cost/wages badhne se aggregate supply curve left shift hone par ho sakti hai; lower supply higher price level create karti hai. [Q88]
- COVID-19 ke baad many central banks ne monetary policy ease ki, markets ko liquidity di aur credit flow maintain karne ke measures liye. [Q89]
- Inflation control ke liye monetary tightening useful ho sakti hai; interest rate lower karna liquidity aur demand badha kar inflationary pressure ko aur push kar sakta hai. [Q90]
- Excess money circulation inflationary pressure create kar sakta hai; money supply/liquidity reduce karna inflation control ka monetary measure hai. [Q91]
- Persistent food inflation ke major reasons mein supply-chain constraints aur rising incomes ke saath consumption-pattern shift shamil ho sakte hain. [Q92]
- October 2009-February 2010 ke period mein inflation negative zone mein gaya tha; global petroleum prices ka sharp fall major factor tha. [Q93]

EXAM TRAP — Inflation Data is Index/Period Specific

► CPI, CPI-IW, WPI aur Producer Price Index ke base year, compiler aur weightage series/time-period ke saath change ho sakte hain; old series values ko current universal values na samjho.

[Q60, Q61, Q62, Q63, Q64, Q68, Q69, Q70, Q71, Q72, Q73, Q76, Q77, Q78, Q79, Q80, Q81, Q82, Q83, Q84, Q85, Q87]

5. Banking History, Nationalisation & Public Sector Banks

- Oudh Commercial Bank (1881) Indian board dwara operated early limited-liability bank tha; Punjab National Bank (1894) ko first fully Indian bank maana jata hai. [Q94]
- In chronology, Banking Regulation Act 1949 sabse pehle aaya; First Five Year Plan 1951, SBI nationalisation 1955, life insurance nationalisation 1956 aur general insurance nationalisation 1973 mein hui. [Q95]
- India mein 19 July 1969 ko 14 major commercial banks nationalise hue; 15 April 1980 ko 6 aur banks nationalise kiye gaye. [Q96]
- Bank nationalisation ka first major phase 19 July 1969 mein 14 banks ka tha; second phase 15 April 1980 mein 6 banks ka hua. [Q97]
- Chronology: 14-bank nationalisation July 1969 -> Regional Rural Banks October 1975 -> 6-bank nationalisation April 1980 -> NABARD July 1982. [Q98]
- Nationalisation chronology: RBI 1949, SBI 1955, LIC 1956 aur 14 major commercial banks 1969. [Q99]
- All India Rural Credit Survey Committee/A. D. Gorwala Committee (1951) ne Imperial Bank ko restructure karke State Bank of India establish karne ki recommendation di thi. [Q100]
- Earlier SBI ke alawa 20 public-sector banks the; April 2020 mergers ke baad total 12 PSBs reh gaye, yani SBI + 11 other public-sector banks. [Q101]
- 2019 consolidation announcement mein 10 public-sector banks ko merge karke 4 larger banks banane ka decision liya gaya. [Q102]
- 2008-09 se 2016-17 ke beech Government ne PSBs mein substantial capital infusion ki, lekin year-wise amount steadily increase nahi hua; SBI aur associate banks ka merger banking consolidation ka major reform tha. [Q103]
- EASE (Enhanced Access and Service Excellence) Index public-sector banks ki reform/performance assessment framework hai; EASE 8.0 March 2025 se rollout hua. [Q104]
- Commercial bank deposits accept karta hai aur individuals/businesses ko loans-credit provide karta hai; money aur credit intermediation iska core function hai. [Q105]
- Jin banks mein Government holding at least 51% hoti hai unhe public-sector banks kehte hain; Indian Overseas Bank ek PSB hai. [Q106]
- Allahabad Bank 2020 mein Indian Bank ke saath merge ho gaya. [Q107]
- ICICI 1955 mein World Bank, Indian financial institutions aur insurance-sector participation ke saath establish hua tha; later ICICI Bank major private-sector bank bana. [Q108]
- ICICI Bank private-sector bank hai; Corporation Bank Union Bank of India mein merge hua, jabki Dena Bank aur Vijaya Bank Bank of Baroda mein merge hue. [Q109]
- A. D. Gorwala/All India Rural Credit Survey Committee ne Imperial Bank ko restructure karke State Bank of India establish karne ki recommendation di thi. [Q110]
- State Bank of India India ka largest public-sector commercial bank aur major financial-services institution hai; SBI Fortune Global 500 listings mein bhi raha hai. [Q111]
- State Bank of India India ka sabse bada public-sector commercial bank hai. [Q112]
- S&P Global Market Intelligence ranking mein SBI total assets ke basis par April 2024 report mein 47th aur April 2025 report mein 43rd position par tha. [Q113]
- February 2024 mein HDFC Bank ne apna first sustainable finance bond issue karke US\$300 million raise kiya; proceeds electric vehicles, SMEs aur affordable housing jaise sectors ke finance ke liye targeted the. [Q114]
- SBI ne farmers outreach ke liye Kisan Clubs promote kiye; NABARD bhi Kisan Club programmes ko support karta raha hai. [Q115]
- Pratip Chaudhuri April 2011 mein SBI Chairman bane the; current context mein Challa Sreenivasulu Setty SBI Chairman hain, jinhone Dinesh Kumar Khara ko succeed kiya. [Q116]
- Public-sector financial institutions ke top-management selection mein Banks Board Bureau ka role tha; 1 July 2022 se ise Financial Services Institutions Bureau (FSIB) ne replace kiya. [Q117]
- P. J. Nayak Committee ki recommendation ke baad Banks Board Bureau establish hua aur 1 April 2016 se operational hua. [Q118]

EXAM TRAP — Bank Count & Chairperson are Time-Specific

► Public-sector bank count, global rankings aur SBI chairperson jaise facts time-specific hote hain; year/date ke bina current value assume na karein.

[Q101, Q113, Q116, Q117, Q118]

6. Commercial, Private & Foreign Banks

- September 2015 mein SBI ne major e-commerce partners ke saath 'SimplyCLICK' credit card launch kiya. [Q119]
- State Bank of India ne 2006 mein China mein apni first branch open ki; ye China mein branch kholne wala first Indian bank tha. [Q120]
- Private-sector Axis Bank ne Shanghai mein branch establish karke China presence expand ki. [Q121]
- ICICI Bank ne December 2002 mein Mumbai mein mobile ATM service start ki thi. [Q122]
- HDFC Bank ne June 2020 mein e-Kisan Dhan app launch kiya, jisme farmers ko banking ke saath crop prices, varieties aur weather-related information milti thi. [Q123]

- New Bank of India 1993 mein Punjab National Bank mein merge hua; Oriental Bank of Commerce 2020 mein PNB mein merge hua. [Q124]
- Bank of Rajasthan ka merger ICICI Bank ke saath August 2010 mein effective hua. [Q125]
- 1992 securities-scam context se linked Bank of Karad ko close karke 1994 mein Bank of India mein merge kiya gaya. [Q126]
- Industrial-finance institutions ki chronology: IFCI 1948, ICICI 1955 aur IDBI 1964; inka focus industrial sector ko medium/long-term finance dena tha. [Q127]
- Bank-type mapping: Indian Bank - Public Sector; ICICI Bank - Private Sector; Citibank - Foreign Bank; Saraswat Bank - Cooperative Bank. [Q128]
- Foreign-bank WOS framework mein new entrant ke liye initial minimum paid-up voting equity capital Rs 5 billion hai; Board-composition rules mein Indian citizens/NRIs/PIOs aur resident Indian directors ke specified proportions required hain. [Q129]
- 31 December 2024 tak India mein foreign-bank branch network mein Standard Chartered ke 100 branches sabse zyada the; HSBC 26, Deutsche Bank 17 aur Citibank 14 branches ke saath follow karte the. [Q130]
- Bank-country mapping: ABN AMRO - Netherlands; Barclays - United Kingdom; Kookmin Bank - South Korea. [Q131]
- Chronology: SBI 1955; Lead Bank Scheme 1969; Regional Rural Banks 1975; NABARD 1982. [Q132]
- RBI ke January 2001 private-bank licensing framework mein initial paid-up capital Rs 200 crore tha, first three years mein Rs 300 crore tak raise karna required tha; private-bank FDI limit later 74% tak hui, jisme up to 49% automatic route allowed hai. [Q133]
- 30 June 2012 ko commercial-bank branches mein rural branches ka share around 37% tha; March 2024 data mein scheduled commercial/private-bank rural presence bhi roughly 37% range mein thi. [Q134]
- Lead Bank Scheme ka conceptual base D. R. Gadgil Study Group se aaya, jisne October 1969 mein organisational framework par report submit ki. [Q135]
- Lead Bank Scheme 1969 mein start hui; har district ko ek designated bank assign kiya jata hai jo district-level credit planning aur coordination lead karta hai. [Q136]
- Lead Bank ka role district ke liye designated/nominated bank perform karta hai. [Q137]
- Lead Bank approach mein banks ko specific districts adopt karke intensive banking/credit development coordinate karna tha. [Q138]
- Service Area Approach April 1989 mein rural/semi-urban credit planning ko improve karne ke liye Lead Bank framework ke under start hua aur scheduled commercial banks including RRBs par apply hua. [Q139]
- RBI ne December 1969 se Lead Bank Scheme operationalise ki; designated Lead Bank district ke credit institutions aur development agencies ke coordination mein leading role leta hai. [Q140]
- Small Industries Development Bank of India (SIDBI) 2 April 1990 ko establish hua; iska headquarters Lucknow mein hai. [Q141]
- SIDBI April 1990 mein establish hua. [Q142]
- SIDBI ka headquarters Lucknow, Uttar Pradesh mein hai. [Q143]
- SIDBI ka core mandate MSME/small-industry sector ko finance, refinance aur development support provide karna hai. [Q144]
- SIDBI ka headquarters Lucknow mein hai; Allahabad Bank ab Indian Bank ke saath merged hai. [Q145]

7. Financial Inclusion, SFBs, Payments Banks, NBFCs & Microfinance

- Financial inclusion ke liye banking outreach, simplified accounts/credit access aur targeted institutional measures jaise multiple steps India mein use kiye gaye hain. [Q146]
- FRBM Act fiscal responsibility aur budget management se related law hai; ise banking-sector reform measure ke roop mein classify nahi karna chahiye. [Q147]
- Financial inclusion ka basic meaning society ke sabhi sections ko affordable formal financial services tak access dena hai. [Q148]
- Financial inclusion ka objective poor/weaker sections aur rural population tak banking, savings, credit, insurance aur payment services expand karna hai; banking infrastructure shrink karna iska objective nahi. [Q149]
- Low income, financial illiteracy aur bank-branch/access infrastructure ki kami financial inclusion ke major obstacles hain. [Q150]
- Financial Inclusion Committee C. Rangarajan ki chairmanship mein June 2006 mein constitute hui aur January 2008 mein final report submit ki. [Q151]
- C. Rangarajan Committee financial inclusion reforms aur access expansion se associated thi. [Q152]
- Union Budget 2014-15 mein financial inclusion deepen karne ke liye private sector mein Small Finance Banks aur Payments Banks establish karne ka framework announce hua. [Q153]
- Small Finance Bank se Universal Bank transition ke April 2024 criteria mein minimum 5-year satisfactory track record, listed shares, at least Rs 1,000 crore net worth, required CRAR, last two years profit aur GNPA <=3%/NNPA <=1% jaise conditions shamil hain. [Q154]
- Payments Banks ka objective low-income households, migrant workers, small businesses aur other underserved groups ko small savings aur payment/remittance facilities dekar financial inclusion badhana hai. [Q155]
- Nachiket Mor Committee ne Payments Banks jaise differentiated banking model recommend kiye; committee September 2013 mein bani aur January 2014 mein RBI ko report di. [Q156]
- Shadow Banking non-bank financial institutions dwara bank-like credit/intermediation activities ko refer karta hai; term ko economist Paul McCulley ne 2007 mein popularise kiya. [Q157]
- Commercial banks deposits, payments, loans aur broader banking services provide karte hain; NBFCs specialised finance/credit activities par focus karte hain aur full banking functions nahi karte. [Q158]
- NBFCs savings/current-account jaise demand deposits accept nahi kar sakti, although wo Government securities acquire/invest kar sakti hain. [Q159]
- NBFCs ko banks ki tarah RBI ke LAF window ka direct regular access nahi hota; unke liquidity arrangements aur regulatory framework commercial banks se different hote hain. [Q160]
- RBI ne NBFC Ombudsman Scheme 23 February 2018 ko launch ki; ye specified NBFC services se related complaints ke speedy aur cost-free resolution ka mechanism tha. [Q161]
- India mein microfinance ka early growth 1980s ke Self-Help Group model se hua; microfinance services mein small credit, savings linkage, insurance aur fund-transfer support shamil ho sakte hain. [Q162]

- RBI ne microfinance-sector practices review karne ke liye Y. H. Malegam Committee constitute ki; committee ne December 2011 mein report submit ki. [Q163]
- 2011 ke microfinance regulatory reforms Malegam Committee ki recommendations se strongly associated the. [Q164]
- Patna ke Bihar Bal Bhawan Kilkari ne November 2009 mein 'Gullak Baccha Bank' start kiya, jiska objective children mein saving habit develop karna tha. [Q165]

8. Bank Assets, Liabilities, Credit, NPA, Basel & Deposit Insurance

- Bank dwara farmers ko diya gaya credit bank ka asset hota hai; deposits aur other payable obligations bank ki liabilities hoti hain. [Q166]
- Commercial-bank assets mein cash/RBI balances, investments aur loans-advances aate hain; customer deposits liabilities hote hain. [Q167]
- Commercial banks ki liabilities ka largest component deposits hota hai; deposits mein time deposits ka share especially important hota hai. [Q168]
- Loan ka principal ya interest scheduled due date se 90 days tak unpaid rahe to account generally Non-Performing Asset (NPA) classify hota hai. [Q169]
- Priority Sector Lending mein agriculture, MSMEs, education, housing, export credit, social infrastructure aur renewable energy jaise categories shamil hain. [Q170]
- Traditional duration classification mein short-term loan usually 15 months se kam, medium-term 15 months se 5 years aur long-term 5 years se zyada maana gaya; institution-specific definitions differ kar sakti hain. [Q171]
- Teaser Loan mein initial interest rate attractively low rakha jata hai aur later years mein rate increase hota hai; borrower ko future repayment burden clearly assess karna chahiye. [Q172]
- Central Government ke internal debt mein market borrowings, Treasury Bills, RBI ko issued special securities aur compensation bonds jaise liabilities shamil ho sakti hain. [Q173]
- Non-financial debt examples mein credit-card dues, household housing loans, industrial loans aur government borrowing instruments ki liabilities shamil ho sakti hain. [Q174]
- Core Banking Solution networked branches ko integrate karta hai, jisse customer account ko different branches/channels se operate kar sakta hai; anywhere banking aur fast fund transfer iske key benefits hain. [Q175]
- June 2007 mein Government of India ne RBI se SBI ki 59.7% stake around Rs 35,531 crore mein acquire ki. [Q176]
- NABARD ka ownership structure pehle RBI-linked tha; April 2019 se NABARD ki 100% shareholding Government of India ke paas hai. [Q177]
- National Housing Bank 9 July 1988 ko National Housing Bank Act, 1987 ke under establish hua; initially ye RBI ki wholly owned subsidiary tha. [Q178]
- Basel norms international banking standards hain jo capital adequacy, risk management aur financial-system resilience improve karne ke liye Basel, Switzerland-based framework se develop hue. [Q179]
- Basel II, June 2004 revised framework, banks ki capital adequacy aur risk-sensitive regulatory capital ke international standards se related hai. [Q180]
- Capital Adequacy Ratio (CAR), ya CRAR, bank ke capital ko risk-weighted assets ke comparison mein measure karta hai aur unexpected losses absorb karne ki capacity dikhata hai. [Q181]
- DICGC RBI-owned deposit-insurance institution hai; 4 February 2020 se eligible bank deposits par insurance cover maximum Rs 5 lakh per depositor per bank, same right and capacity basis par hai. [Q182]
- Savings-account interest rate RBI ne October 2011 mein deregulate ki; ab banks regulatory conditions ke under apni savings deposit rates decide karte hain. [Q183]
- RBI ne December 2015 mein MCLR framework guidelines issue ki aur MCLR-based lending system 1 April 2016 se effective hua. [Q184]

9. RBI — Functions, Government Banking & Institutional Basics

- RBI India ka apex central bank hai; money/credit conditions aur banking system regulate karta hai, lekin ordinary individuals ya business houses ko commercial loan directly nahi deta. [Q185]
- RBI Government ka banker, monetary-policy authority, IMF-related government agent, forex manager, Government borrowing manager aur bankers' bank jaise functions perform karta hai. [Q186]
- RBI ke major functions: currency issue, Government banker/debt manager, bankers' bank, banking-system regulator aur foreign-exchange reserves/management. [Q187]
- Monetary aur financial matters mein RBI Government ka banker, fiscal agent aur advisor ke roop mein kaam karta hai. [Q188]
- RBI Act framework ke under RBI Government of India aur State Governments ke securities/debt-management functions handle karta hai. [Q189]
- Treasury Bills Government of India ke short-term debt instruments hain; RBI ke through 91-day, 182-day aur 364-day tenors mein issue hote hain. [Q190]
- RBI Retail Direct Scheme 12 November 2021 ko launch hui, jisse retail investors G-Secs mein direct participate kar sakte hain; NDS-OM RBI ka electronic G-Sec trading platform hai, jabki CDSL RBI-promoted depository nahi hai. [Q191]
- Jammu & Kashmir Government aur RBI ka banking agreement January 2011 mein sign hua aur 1 April 2011 se effective hua; J&K Bank government banking business ke liye RBI agent bana. [Q192]
- RBI bankers' bank ke roop mein commercial banks ki liquidity, branch expansion, merger/acquisition aur winding-up jaise regulatory matters supervise karta hai. [Q193]
- RBI 1 April 1935 ko RBI Act, 1934 ke under establish hua; initial office Calcutta mein tha, headquarters 1937 mein Mumbai shift hua aur RBI 1949 mein nationalise hua. [Q194]
- Reserve Bank of India 1949 mein nationalise hua. [Q195]
- RBI ka headquarters Mumbai mein hai. [Q196]
- Reserve Bank of India 1935 mein establish hua. [Q197]

- RBI ko 'bankers' bank' kaha jata hai kyunki commercial banks reserves maintain karte hain aur liquidity/regulatory support ke liye RBI se interact karte hain. [Q198]
- India ke official foreign-exchange reserves RBI maintain aur manage karta hai. [Q199]
- Commercial banks ki credit-creation capacity ko RBI monetary aur regulatory tools se influence/control karta hai. [Q200]
- RBI 'lender of last resort' ke roop mein solvent bank ko temporary liquidity crisis ke time emergency liquidity support de sakta hai. [Q201]
- RBI Rs 1 note ko chhodkar banknotes issue karta hai; Rs 1 note Government of India issue karti hai aur uspar Finance Secretary ke signature hote hain. [Q202]
- Rs 1 note par Finance Secretary ke signature hote hain, RBI Governor ke nahi. [Q203]
- Credit creation primarily commercial banks ka function hai; monetary policy MPC decide karti hai aur RBI usse implement karta hai. [Q204]
- RBI currency aur credit regulate karta hai aur forex reserves manage karta hai; foreign trade ka direct regulation RBI ka core function nahi hai. [Q205]
- RBI central bank aur bankers' bank hai; commercial banks ke reserves maintain karta hai, regulatory guidance deta hai aur need par liquidity support provide karta hai. [Q206]
- Reserve Bank of India desh ka central bank hai. [Q207]
- RBI ki major income Government securities aur foreign-exchange assets/transactions se aati hai; pension-fund management, private-company lending aur currency printing income sources nahi hain. [Q208]

EXAM TRAP — Q192 — J&K Banking Arrangement Changed in 2011

► Jammu & Kashmir Government ka RBI agreement January 2011 mein sign hua aur 1 April 2011 se effective hua. J&K Bank RBI agent bana; reorganisation ke baad dono Union Territories ka government banking business bhi J&K Bank RBI agent ke roop mein conduct karta hai.

[Q192]

10. Monetary Policy, MPC & Credit-Control Instruments

- Monetary policy fiscal policy ko complement karti hai; RBI/MPC framework money, liquidity, interest rates aur credit conditions ko influence karta hai. [Q209]
- Monetary policy ka central objective 'growth with price stability' hai: inflation ko reasonable range mein rakhte hue sustainable economic growth support karna. [Q210]
- Equitable distribution of income/assets monetary policy ka direct primary objective nahi hai; price stability, growth aur monetary/financial stability key objectives hain. [Q211]
- India mein monetary policy RBI framework mein operate hoti hai; 2016 se policy-rate decisions statutory Monetary Policy Committee (MPC) leti hai. [Q212]
- Price stability aur inflation control ke liye RBI monetary-policy tools operate karta hai. [Q213]
- MPC six-member statutory committee hai: RBI Governor Chairperson, RBI ke 2 other members aur Government-nominated 3 external members; policy repo rate jaise decisions MPC leti hai. [Q214]
- India mein money aur credit conditions ko RBI quantitative aur qualitative/selective credit-control tools se regulate karta hai. [Q215]
- Variable Reserve Ratio qualitative/selective nahi, quantitative credit-control instrument hai. [Q216]
- Quantitative credit-control tools system-wide liquidity ko affect karte hain; example, CRR badhne par banks ke lendable funds aur money-creation capacity generally reduce hoti hai. [Q217]
- Credit rationing qualitative/selective credit-control method hai; Bank Rate, reserve-ratio changes aur Open Market Operations quantitative methods hain. [Q218]
- Open Market Operations RBI ka quantitative credit/liquidity-control instrument hai. [Q219]
- Bank Rate aur Open Market Operations monetary-policy instruments hain; public debt aur public revenue fiscal-policy domain se related hain. [Q220]
- Open Market Operations (OMO) mein RBI Government Securities buy/sell karta hai; purchase se liquidity inject hoti hai aur sale se liquidity absorb hoti hai. [Q221]
- RBI dwara Government Securities ki purchase aur sale ko Open Market Operations kaha jata hai. [Q222]
- Variable reserve ratios aur Open Market Operations quantitative monetary-policy instruments hain jo system-wide credit aur liquidity regulate karte hain. [Q223]
- RBI securities purchase kare to liquidity badhti hai, sale kare to liquidity absorb hoti hai; OMO sterilisation/liquidity-management ka important tool bhi ho sakta hai. [Q224]
- Operation Twist mein RBI long-term Government bonds buy aur short-term securities sell karke yield curve/liquidity conditions influence karta hai; India mein 2020 mein bhi aise operations use hue. [Q225]

11. CRR, SLR, Repo, Bank Rate & Policy Transmission

- Central bank Government Securities public se purchase kare ya Government ko direct liquidity support de to money supply expand ho sakti hai; securities sale ya public currency deposit is direction mein expansionary nahi hote. [Q226]
- Inflation restrain karne ke liye RBI Bank Rate/CRR jaise rates-reserve ratios raise karke liquidity aur credit creation reduce kar sakta hai; Government Securities purchase contractionary step nahi hai. [Q227]
- High inflation mein RBI Government Securities sell karke liquidity absorb kar sakta hai; forex market mein dollar sale rupee depreciation pressure ko moderate karne mein help kar sakti hai. [Q228]
- Statutory reserve requirements ka monetary-policy effect banks ki lendable funds aur credit-creation capacity ko influence karna hai. [Q229]

- SLR mein banks NDTL ka prescribed share liquid assets, including approved Government Securities, mein maintain karte hain; isse Government securities demand bhi support hoti hai. [Q230]
- SLR requirement lower hone par banks ke paas lending ke liye relatively more funds available ho sakte hain; SLR cash, gold aur approved securities jaise liquid assets mein maintain hota hai. [Q231]
- Bank liquidity requirement ke context mein Statutory Liquidity Ratio (SLR) key statutory ratio hai. [Q232]
- Prime Lending Rate commercial bank apne lending framework mein decide karta hai; Bank Rate, CRR aur SLR-related regulatory framework RBI se governed hote hain. [Q233]
- Marginal Standing Facility (MSF) RBI ki overnight liquidity facility hai, 2011-12 monetary-policy framework mein introduce hui aur 9 May 2011 se effective hui; NDTL banking liabilities ka key base term hai. [Q234]
- Expansionary monetary policy mein central bank money supply/liquidity badhakar demand aur economic activity support karta hai. [Q235]
- Interest rates lower hone se borrowing cost girti hai, jisse consumption aur capital investment generally increase ho sakte hain. [Q236]
- Indian financial-sector reforms mein CRR/SLR reduction, interest-rate deregulation aur insurance sector ko private participation ke liye open karna shamil tha. [Q237]
- Reform period ke baad CRR aur SLR dono earlier high levels se progressively reduce kiye gaye, jisse banks ke lendable resources aur market-based allocation ko support mila. [Q238]
- SLR NDTL ka prescribed proportion hai jo banks liquid assets mein maintain karte hain; earlier 25% statutory floor 2007 amendment ke baad remove hua, while maximum statutory ceiling 40% tak framework mein thi. [Q239]
- Cash Reserve Ratio (CRR) banks ke NDTL ka prescribed percentage hai jo cash form mein RBI ke paas maintain karna hota hai. [Q240]
- Banks ko apne NDTL ka prescribed share RBI ke paas Cash Reserve Ratio (CRR) ke roop mein maintain karna hota hai. [Q241]
- CRR badhne par banks ke lendable funds kam hote hain, isliye credit creation aur system liquidity generally reduce hoti hai. [Q242]
- CRR reduce hone par banks ke paas more lendable liquidity aati hai; credit, investment aur money supply expand ho sakte hain. [Q243]
- CRR reduction commercial banks ke available lending funds badhati hai aur credit creation ko support karti hai. [Q244]
- CRR increase se banks ke lendable resources kam hote hain; ye inflation control ke liye contractionary monetary measure ho sakta hai. [Q245]
- CRR badhne par commercial banks ke paas lending ke liye comparatively less money bachta hai. [Q246]
- CRR increase credit-creation capacity reduce karta hai kyunki banks ko larger cash reserve RBI ke paas maintain karna padta hai. [Q247]
- Repo transaction securities ke sale/purchase ke saath future reverse transaction agreement hota hai; RBI repo se liquidity inject aur reverse-repo/SDF-type operations se liquidity absorb karta hai. [Q248]
- Repo money-market liquidity aur short-term credit conditions manage karne ka RBI tool hai; rupee par forex-market selling pressure manage karna iska direct purpose nahi. [Q249]
- Repo Rate RBI/MPC monetary-policy framework mein set hota hai. [Q250]
- Repo Rate woh policy rate hai jisme RBI eligible collateral ke against banks ko short-term funds lend karta hai. [Q251]
- RBI commercial banks ko short-term liquidity jis policy rate par provide karta hai, use Repo Rate kehte hain. [Q252]
- Reverse Repo mein RBI banks se short-term funds absorb karta hai; historically RBI securities sell karke future repurchase agreement ke through liquidity absorb karta tha. [Q253]
- Repo Rate RBI ke short-term lending rate se related hai; Gini Coefficient income/wealth distribution inequality ka measure hai. [Q254]
- Bank Rate traditionally RBI ka rediscounting/lending reference rate hai aur monetary-policy stance ka important indicator raha hai. [Q255]
- Repo Rate ya SLR increase contractionary effect de sakta hai aur inflation pressure reduce kar sakta hai; reverse repo/Bank Rate reduction comparatively expansionary effect create kar sakti hai. [Q256]
- Central bank Bank Rate raise kare to borrowing cost badhti hai, credit demand/expansion slow hota hai; ise tight ya dear-money policy signal maana jata hai. [Q257]
- Bank Rate reduction banks ke funding cost ko lower kar sakti hai, credit expansion aur liquidity ko support karti hai. [Q258]
- RBI eligible bills/securities ko rediscount kar sakta hai; Bank Rate concept historically isi central-bank rediscounting function se linked hai. [Q259]
- Bank Rate central bank ka official lending/rediscounting reference rate hai. [Q260]
- Bank Rate RBI dwara commercial banks ko specified lending/rediscounting transactions par charged official rate se related hai. [Q261]
- 2011-12 monetary-policy framework mein reverse repo rate ko repo rate se 1 percentage point below set karne ka automatic corridor approach adopt kiya gaya tha. [Q262]
- 5 December 2019 ko Repo 5.15% aur Reverse Repo 4.90% tha; February 2026 context mein Repo 5.25%, SDF 5.00%, fixed Reverse Repo 3.35%, Bank Rate/MSF 5.50% the. [Q263]
- 30 September 2014 ki RBI policy review ke time Repo Rate 8.00% thi. February 2026 context mein Repo 5.25%, SDF 5.00%, Bank Rate/MSF 5.50%, SLR 18%, fixed Reverse Repo 3.35% aur CRR 3.00% the. [Q264]
- October 2001 mein Bank Rate 7% se reduce karke 6.5% kiya gaya; February 2012 se Bank Rate ko MSF rate ke saath align kiya gaya. [Q265]
- 29 September 2015 ko Bank Rate 7.75% tha; February 2026 context mein 5.50% tha. [Q266]

EXAM TRAP — CRR Reduction Effects

- ▶ CRR reduce hone par banks ke paas liquidity badhti hai, lending/investment aur money supply increase ho sakte hain; real investment rate fall hona necessary effect nahi hai. Isliye effects I, II aur III valid hain, IV nahi.
- ▶ Reverse Repo Rate ya Bank Rate reduce karna expansionary effect de sakta hai aur inflationary pressure badha sakta hai; Repo Rate ya SLR increase karna generally contractionary hota hai.

[Q243, Q256]

12. RBI Governors, Legal Framework & Development Financial Institutions

- RBI Governor chronology: I. G. Patel (1977-82) -> Manmohan Singh (1982-85) -> C. Rangarajan (1992-97) -> D. Subbarao (2008-13). [Q267]
- RBI Act, 1934 ke Section 8(1)(a) ke under Central Government Governor aur maximum four Deputy Governors appoint karti hai. [Q268]
- Raja J. Chelliah RBI Governor nahi rahe; Manmohan Singh, C. Rangarajan aur Vimal Jalan RBI Governors rahe, aur Sanjay Malhotra 11 December 2024 se Governor hain. [Q269]
- Sanjay Malhotra ne 11 December 2024 ko RBI Governor ka office assume kiya; Shaktikanta Das 2018-24 aur Urjit Patel 2016-18 mein Governor rahe. [Q270]
- Committee on Financial Sector Assessment ko RBI Deputy Governor aur Government of India Finance Secretary jointly co-chair karte the; 2009 self-assessment report public domain mein aayi. [Q271]
- RBI ka accounting year ab April-March hai; pehle July-June financial year follow hota tha. [Q272]
- RBI ne apna financial year July-June se align karke April-March kar diya. [Q273]
- Negotiable Instruments Act 1881 mein pass hua aur 1 March 1882 se effective hua; Act ko time-to-time amend kiya gaya, including 2018 amendment. [Q274]
- UTI mutual-fund/investment institution thi; Canbank Financial Services public-sector bank ki subsidiary thi; SBI commercial bank hai; aur U.P. State Financial Corporation State public-sector financial institution hai. In alag classification bases ki wajah se single unambiguous odd-one-out nahi banta. [Q275]
- Company limited by shares mein shareholders ki liability generally unke unpaid share amount tak limited hoti hai. [Q276]
- LLP separate body corporate aur perpetual succession entity hai; partners ki maximum number par traditional partnership-style 20-member cap apply nahi hota, aur internal governance LLP agreement se decide hoti hai. [Q277]
- India ka first International Financial Services Centre GIFT City, Gandhinagar, Gujarat mein SEZ framework ke under 2015 mein operationalise hua. [Q278]
- IFCI 1 July 1948 ko IFCI Act, 1948 ke under establish hua; ye India ki first development financial institution thi aur industrial/infrastructure finance provide karti thi. [Q279]
- IDBI 1 July 1964 ko Industrial Development Bank of India Act, 1964 ke under establish hua; iska mandate industrial long-term finance, development support, coordination aur refinance tha. [Q280]
- Institutional chronology: IFCI 1948, ICICI 1955, UTI February 1964 aur IDBI July 1964. [Q281]
- Institutional chronology: IFCI 1948, ICICI January 1955, IDBI July 1964 aur NABARD July 1982. [Q282]
- Pairs: IFCI - 1948; ICICI - 1955; IDBI - 1964; SIDBI - 1990. [Q283]
- Pairs: ICICI - 1955; IDBI - 1964; EXIM Bank - 1982; BIFR - 1987. EXIM Bank Export-Import Bank of India Act, 1981 ke under 1982 mein establish hua. [Q284]
- Bank-establishment pairs: Allahabad Bank - 1865; Alliance Bank of Simla - 1874; Oudh Commercial Bank - 1881; Punjab National Bank - 1894. Allahabad Bank ab Indian Bank mein merged hai. [Q285]
- SAIL industrial/marketing organisation hai; SEBI, SIDBI aur NABARD respectively securities regulation, MSME development finance aur agriculture/rural development ke apex institutions hain. [Q286]
- SBI commercial bank hai; NABARD, SIDBI aur State Cooperative Banks apne respective domains mein apex/development institutions ke roop mein function karte hain. [Q287]
- Chronology: LIC 1956 -> UTI February 1964 -> IDBI July 1964 -> SEBI 12 April 1988. [Q288]

EXAM TRAP — Current Governor & Ambiguous Classification

- ▶ Sanjay Malhotra 11 December 2024 se RBI Governor hain. Shaktikanta Das 12 December 2018 se 10 December 2024 aur Urjit Patel 4 September 2016 se 11 December 2018 tak Governor rahe.
- ▶ UTI mutual-fund/investment institution thi; Canbank Financial Services PSU-bank subsidiary thi; SBI commercial bank hai; U.P. State Financial Corporation State public-sector financial institution hai. Different classification bases ki wajah se single unambiguous odd-one-out nahi banta.
- ▶ Establishment chronology: LIC 1956 → UTI February 1964 → IDBI July 1964 → SEBI 12 April 1988. Numerical order 1 → 4 → 2 → 3 banta hai.

[Q270, Q275, Q288]

13. Insurance, IRDA, Provident Fund, SEBI & Mutual Funds

- Life Insurance Corporation of India (LIC) 1956 mein LIC Act, 1956 ke under establish hua. [Q289]
- R. N. Malhotra Committee (1993) ne insurance sector ke liye independent regulator recommend kiya; IRDA Act 1999 ke baad IRDA April 2000 mein statutory regulator bana. [Q290]
- India ke insurance sector ko Insurance Regulatory and Development Authority of India (IRDAI) regulate karta hai. [Q291]
- IRDAI insurance companies aur insurance-sector regulation/supervision ka statutory authority hai. [Q292]
- IRDAI ne October 2020 mein P. Umesh ki chairmanship mein panel banaya jo standard cyber-liability insurance product ki need examine kare. [Q293]
- Actuaries insurance sector se closely associated professionals hain; wo uncertain future events ke financial risk/cost ko statistical methods se assess karte hain. [Q294]
- Indemnity principle measurable loss ki compensation par based hai; health, motor, fire aur marine jaise non-life insurance generally indemnity contracts hote hain, life insurance nahi. [Q295]
- Provident Fund contractual/statutory saving ka form hai; employee contribution future benefit ke liye accumulate hota hai aur Government/fund ke liye liability hota hai, ordinary income nahi. [Q296]
- State Provident Fund receipts Public Account mein credit hote hain, kyunki Government un funds ko fiduciary/liability capacity mein hold karti hai. [Q297]
- 2010 ke context mein Pension Funds ki relative importance sabse zyada decline hui thi. [Q298]

- Forward Markets Commission (FMC) 1953 se commodity futures regulator tha; 28 September 2015 ko FMC SEBI ke saath merge ho gaya. [Q299]
- SEBI mutual funds aur securities market regulate karta hai; 12 April 1988 ko non-statutory body ke roop mein start hua aur 1992 mein statutory status mila. [Q300]
- SEBI Act 1992 mein enact hua. [Q301]
- Stock-market functioning aur securities trading ko SEBI regulate karta hai. [Q302]
- Stock exchanges ka principal securities-market regulator SEBI hai. [Q303]
- Capital market aur securities-market regulation SEBI ke jurisdiction mein aata hai. [Q304]
- Stock-market operations ko SEBI regulate/supervise karta hai. [Q305]
- Business Responsibility and Sustainability Report (BRSR) SEBI ka corporate sustainability-disclosure framework hai, RBI ka nahi. [Q306]
- Private-sector mutual funds ko 1993 mein permission mili; Kothari Pioneer July 1993 mein registered first private-sector mutual fund tha, later Franklin Templeton mein merge hua. [Q307]
- 1998 mein UTI Unit Scheme-1964 ko stock-market slump ke karan major crisis face karna pada; scheme ke market value mein significant erosion hua. [Q308]
- Unit Trust of India 1 February 1964 ko UTI Act, 1963 ke under establish hua, jiska objective small savings ko mobilise karke productive investment/industrial development support karna tha. [Q309]
- 31 December 2025 AUM data mein SBI Mutual Fund India ka largest mutual-fund house tha; older period mein UTI dominant institution raha. [Q310]

14. Stock Exchanges, Sensex, Capital Market & Financial Instruments

- National Stock Exchange (NSE) November 1992 mein Pherwani Committee ki recommendation par establish hua; headquarters Mumbai mein hai. [Q311]
- NSE 1992 mein establish hua; Government-backed major financial institutions including IDBI, IFCI, LIC, GIC aur SBI promoters mein shamil the. [Q312]
- BSE Sensex 30 major stocks par based hai, jabki NSE Nifty 50 major stocks par based index hai. [Q313]
- Sensex BSE ka 30-stock sensitive index hai; Sensex rise ka matlab index constituent shares ka overall weighted market value increase hona hai. [Q314]
- BSE Sensex 30 major blue-chip companies par based index hai. [Q315]
- BSE Sensex mein 30 constituent companies/stocks hote hain. [Q316]
- BSE-GREENEX index mein 25 companies included hain. [Q317]
- BSE-GREENEX 25-company index hai. [Q318]
- 2000-01 mein NSE ka turnover Indian exchanges mein highest tha; March 2025 tak bhi NSE turnover ke basis par leading Indian stock exchange raha. [Q319]
- Indian stock-market fluctuations par foreign fund flows, monetary/fiscal policy, global markets, industrial conditions aur domestic liquidity jaise factors major impact daalte hain. [Q320]
- Bombay Stock Exchange (BSE) Dalal Street, Mumbai, Maharashtra mein located hai. [Q321]
- Bull rising share prices expect karta hai, jabki Bear falling share prices expect karta hai. [Q322]
- Jo investor/speculator kisi security ka price girne ki expectation rakhta hai use Bear kaha jata hai. [Q323]
- Traditional stock-market speculator types Bull, Bear, Stag aur Lambe Duck hain; broker profession hai, speculator category nahi. [Q324]
- Insider Trading mein connected person unpublished price-sensitive/internal information use karke securities trading se unfair advantage leta hai. [Q325]
- Beta kisi stock/security ki market ke relative price volatility measure karta hai; Beta >1 generally market se higher sensitivity dikhata hai. [Q326]
- Financial instruments contractual claims/obligations hote hain jo monetary asset, debt, equity ya derivative rights represent karte hain aur trade/settle kiye ja sakte hain. [Q327]
- Capital Market long-term funds ka market hai, jahan equity aur long-term debt instruments ke through capital raise hota hai. [Q328]
- Call Money aur Treasury Bill market Money Market ka part hain; Government Bond aur Stock Market Capital Market ka part hain. [Q329]
- Alternative Investment Fund (AIF) SEBI AIF Regulations, 2012 ke under privately pooled investment vehicle hai jo investors se funds collect karke defined investment policy ke basis par invest karta hai. Hedge Funds Category III AIF aur Venture Capital Funds Category I AIF hote hain; Bonds debt securities aur Stocks company-ownership units hain, isliye is set mein sirf Hedge Funds aur Venture Capital AIFs hain. [Q330]
- CCIL ne Collateralised Borrowing and Lending Obligation (CBLO) 20 January 2003 se introduce kiya; ye collateral-backed money-market borrowing/lending instrument tha. [Q331]
- Money Market short-term funds/securities ka market hai, Capital Market long-term funds ka; Call Money extremely short-term/on-demand finance hai. [Q332]
- Money-market ecosystem mein institutions/instruments jaise banks, money-market mutual funds aur short-term securities participate karte hain; RBI regulator/monetary authority hai, ordinary market component nahi. [Q333]
- Commercial Paper short-term unsecured promissory instrument hai, generally 7 days se 1 year maturity range mein issue hota hai. [Q334]
- Commercial Paper corporate sector ka short-term unsecured credit instrument hai; India mein 1990 se use ho raha hai aur maturity 7 days se 1 year tak ho sakti hai. [Q335]
- Company-investment risk hierarchy mein bondholders generally stockholders se lower risk face karte hain, kyunki debt claims ko equity se priority milti hai. [Q336]
- Convertible Bond holder ko specified terms par bond ko issuer company ki equity shares mein convert karne ka option deta hai. [Q337]
- 2023 mein Indian exchanges par equity-index options trading volume extremely high tha, around 84.3 billion contracts, jo global derivatives activity ka major share tha. [Q338]

- Corporate Bonds companies ke debt instruments hain jo expansion, project finance ya working capital ke liye funds raise karte hain; mutual funds, insurers aur pension funds major investors ho sakte hain. [Q339]
- Bond debt instrument hai jisme investor issuer ko fixed period ke liye funds lend karta hai; Bond Yield investor ko bond/G-Sec par milne wala effective return hai. [Q340]
- Inflation-Indexed Bond (IIB) principal/interest ko inflation se link karke purchasing power protect karta hai; India mein RBI ne 2013 mein WPI-linked IIBs issue kiye. [Q341]
- CRISIL Ratings ke December 2023 estimate mein India ka corporate-bond market FY2023 ke around Rs 43 lakh crore se FY2030 tak Rs 100-120 lakh crore range mein expand ho sakta hai. [Q342]
- Blue-chip shares well-established, financially strong companies ke shares hote hain jinka earnings/dividend record aur market reputation generally strong hota hai. [Q343]
- Sweat Equity Shares employees/directors ko concessional/special terms par unke know-how, intellectual property ya value contribution ke recognition mein issue kiye ja sakte hain. [Q344]
- Gilt-edged market Government aur high-grade semi-government securities ka market hai; in securities ko high safety aur comparatively stable value ke liye jaana jata hai. [Q345]
- Government securities ko 'gilt-edged securities' bhi kaha jata hai. [Q346]
- Sensex, BSE aur Nifty stock market se related terms hain; Structural Adjustment Programmes macroeconomic reforms/imbalance correction se related the, India mein 1991 reforms ke context mein. [Q347]
- Nikkei 225 Tokyo Stock Exchange/Japan ka major stock-price index hai. [Q348]
- S&P 500 U.S. exchanges par listed 500 large companies ka major stock-market index hai. [Q349]
- Hang Seng Hong Kong ka stock index hai; South Korea ka major index KOSPI hai. [Q350]
- Singapore ka major index Straits Times Index (STI) hai; Shanghai Stock Exchange Composite Index (SHCOMP) China ke Shanghai market se associated hai. [Q351]
- International crude-oil benchmark prices mein Brent major reference index/benchmark hai. [Q352]
- Recent years mein India jaise markets mein stock-market capitalization GDP ke 100% se upar bhi gaya hai; market-cap/GDP ratio valuation aur market-depth context mein use hota hai. [Q353]
- Company dividend subscribed/paid-up share capital ke eligible shareholders ko declare karti hai, kyunki wahi actually subscribed ownership capital represent karta hai. [Q354]
- Debenture holders company ke creditors hote hain, owners/shareholders nahi; unhe specified interest/payment terms milte hain. [Q355]
- Company debenture transferable security ho sakta hai, jabki traditional life-insurance policy, bank fixed deposit aur Kisan Vikas Patra individual holder ke naam se linked instruments hote hain. [Q356]
- Balance Sheet kisi specific date par company ki financial position dikhati hai aur assets, liabilities aur equity ki size/composition show karti hai. [Q357]

15. Cooperative Credit, Land Development Banks & Rural Finance

- India ka first Land Development Bank 1920 mein Jhang, Punjab mein establish hua; Land Development Banks agriculture ke long-term improvement loans se associated hain. [Q358]
- Land Development Banks farmers ko land development, permanent agricultural improvements aur other long-term investment ke liye long-term credit provide karte hain. [Q359]
- Land Development Bank ka principal function farmers ko long-term agricultural loans provide karna hai. [Q360]
- Agricultural sector ke long-term institutional credit mein Land Development Banks important role play karte hain. [Q361]
- Land Development Banks cooperative credit structure ka part hain; State Cooperative Banks, Central Cooperative Banks/PACS aur land-development institutions rural cooperative finance mein role play karte hain. [Q362]
- Traditional cooperative credit structure three-tier hai: State Cooperative Bank at State level, Central Cooperative Bank at district level aur PACS at village/local level. [Q363]
- Cooperative credit-society structure traditionally three-tier model follow karta hai. [Q364]
- Central Cooperative Banks district level par operate karte hain. [Q365]
- Urban Cooperative Banks par dual-control framework raha hai: banking functions RBI regulate karta hai, jabki cooperative management/registration State/Central cooperative authorities ke jurisdiction mein aate hain. [Q366]
- March 2012 mein India mein Urban Cooperative Banks ki number 1,618 thi; consolidation ke chalte ye count time ke saath change hota raha. [Q367]
- Consumer cooperative stores members dwara establish hote hain aur Registrar of Cooperative Societies ke under registered/regulatory framework follow karte hain. [Q368]
- NABARD agriculture aur rural development ka apex refinance institution hai; ordinary public ko generally direct retail loans nahi deta. [Q369]

EXAM TRAP — Urban Cooperative Bank Count / Direct Finance

- ▶ March 2012 mein Urban Cooperative Banks ki sankhya 1,618 thi; consolidation ke process ke saath ye count time ke saath change hua.
- ▶ NABARD apex refinance institution hai aur ordinarily general public ko direct loans nahi deta; RRBs aur commercial banks direct rural-credit channels ke roop mein kaam karte hain.

[Q367, Q369]

16. NABARD, Regional Rural Banks & SHG-Bank Linkage

- NABARD 12 July 1982 ko Sixth Five-Year Plan period mein establish hua. [Q370]

- NABARD ka full form National Bank for Agriculture and Rural Development hai; ye agriculture/rural development refinance ka apex institution hai. [Q371]
- Agriculture aur rural credit refinance ka apex institution NABARD hai. [Q372]
- NABARD 12 July 1982 ko establish hua. [Q373]
- NABARD 1982 mein establish hua. [Q374]
- NABARD ka headquarters Mumbai mein hai. [Q375]
- Agriculture aur rural-development credit needs ke liye NABARD apex development-finance institution hai. [Q376]
- NABARD 12 July 1982 ko establish hua. [Q377]
- NABARD Act, 1981 ke under NABARD 12 July 1982 ko establish hua; agriculture ke saath rural development, cottage industries aur non-farm rural sectors ko bhi credit/refinance support deta hai. [Q378]
- NABARD ka major role agriculture aur rural-development institutions ko refinance provide karna hai. [Q379]
- Agriculture financing ka apex development institution NABARD hai. [Q380]
- Agricultural credit system ka apex institution NABARD hai. [Q381]
- Agriculture aur rural development ka apex development bank NABARD hai. [Q382]
- Agricultural finance aur refinance system mein NABARD apex institution hai. [Q383]
- NABARD = National Bank for Agriculture and Rural Development. [Q384]
- NABARD scheduled commercial banks, RRBs aur rural/cooperative credit institutions ko refinance provide karta hai; EXIM Bank ko refinance karna iska normal function nahi. [Q385]
- Rural Infrastructure Development Fund (RIDF), 1995-96, ko implement/manage karne ki nodal agency NABARD hai. [Q386]
- India ke first Regional Rural Banks 2 October 1975 ko establish hue. [Q387]
- Regional Rural Banks India mein 1975 mein establish hue. [Q388]
- RRBs ka function rural deposits, credit aur development-oriented banking hai; Agricultural Refinance Corporation ke functions take over karna RRB function nahi tha, ye NABARD formation se related institutional transfer tha. [Q389]
- RRBs aur Land Development Banks rural households/farmers ko direct credit de sakte hain; NABARD apex refinance institution hai aur generally direct retail lending nahi karta. [Q390]
- 'One State, One RRB' initiative ke under 26 RRBs ka merger 11 States/UTs mein announce hua aur 1 May 2025 se effective hua. [Q391]
- Chronology: RRBs 1975 -> NABARD 1982 -> SHG-Bank Linkage Programme 1992-93 -> Kisan Credit Card 1998. [Q392]
- SHG-Bank Linkage Programme NABARD ne 1992-93 mein initiate kiya; direct linkage/lending commercial banks, RRBs aur cooperative banks ke through hota hai. [Q393]
- SHG-Bank Linkage Programme NABARD ne start kiya, SBI ne nahi; SHG model mein group members collective responsibility lete hain aur RRBs/scheduled commercial banks SHGs ko support karte hain. [Q394]

EXAM TRAP — NABARD vs RRB vs SHG Roles

► NABARD apex refinance/development institution hai; RRBs aur other banks direct rural credit mein role play karte hain. SHG-Bank Linkage questions mein institution-role wording ko carefully distinguish karo.

[Q370, Q371, Q372, Q373, Q374, Q375, Q376, Q377, Q378, Q379, Q380, Q381, Q382, Q383, Q384, Q385, Q386, Q387, Q388, Q389, Q390, Q391, Q392, Q393, Q394]

17. Financial-Sector Committees, FSDC & Disinvestment

- Bhandari Committee (1994) Regional Rural Banks ke restructuring/reform se related thi. [Q395]
- Narasimham Committee-I (1991) ne financial-sector reforms ke under CRR aur SLR ko reduce/rationalise karne ki recommendation di. [Q396]
- Narasimham Committee Indian banking-sector aur financial-sector reforms se associated hai. [Q397]
- Narasimham Committees 1991 aur 1998/second reform phase mein banking-system efficiency, prudential norms aur structural reforms par major recommendations di gayi. [Q398]
- Planning Commission ne 2007 mein Dr. Raghuram Rajan ki chairmanship mein Committee on Financial Sector Reforms banayi; report 2008 mein submit hui. [Q399]
- Raghuram Rajan Committee financial-sector reforms se related thi. [Q400]
- RBI ne new-bank licence applications scrutinise karne ke liye former Governor Bimal Jalan ki chairmanship mein high-level panel banaya; panel ne February 2014 mein report submit ki. [Q401]
- Disinvestment Commission 1996 mein G. V. Ramakrishna ki chairmanship mein constitute hua; disinvestment mein Government PSU/PSE ki equity holding ka ek hissa sell karti hai. [Q402]
- Government ne 1993 mein Rangarajan Committee constitute ki, jo public-sector enterprises ke disinvestment policy se related thi. [Q403]
- Rangarajan Committee disinvestment policy/reforms se associated thi. [Q404]
- 2007 mein Prof. Abhijit Sen ki chairmanship mein WPI series revise karne ke liye Working Group bana; base year, item selection, weights aur price methodology par recommendations di gayi. [Q405]
- Financial Stability and Development Council (FSDC) December 2010 mein establish hua; objectives financial stability, financial-sector development aur regulators ke beech coordination strengthen karna hain. [Q406]

EXAM TRAP — Committees are Topic-Specific

► Narasimham, Raghuram Rajan, Bimal Jalan, Rangarajan aur WPI Working Group alag financial-sector, disinvestment aur market topics se linked hain; committee name ko generic reform tag na samjho.

[Q395, Q396, Q397, Q398, Q399, Q400, Q401, Q402, Q403, Q404, Q405, Q406]

18. Financial-Inclusion Schemes, KCC, Ombudsman & Credit Rating

- Swabhimaan financial-inclusion programme 10 February 2011 ko launch hua; focus unbanked rural areas mein banking services doorstep tak pahunchana tha. [Q407]
- Swabhimaan Scheme rural banking aur financial inclusion se related thi. [Q408]
- Swabhimaan Scheme February 2011 mein unbanked villages ko banking access dene ke liye launch hui; Business Correspondents/Bank Mitras village-bank interface ke roop mein kaam karte the. [Q409]
- Union Budget 2015-16 mein Gold Monetisation Scheme aur Sovereign Gold Bond Scheme propose kiye gaye, taaki idle gold ko financial system mein mobilise kiya ja sake. [Q410]
- Kisan Credit Card Scheme 1998-99 Budget mein announce hui aur August 1998 mein launch hui; farmers ko consumption aur crop/investment credit access commercial banks, cooperative banks aur RRBs ke through milta hai. [Q411]
- Kisan Credit Card (KCC) Scheme 1998-99 mein implement hui. [Q412]
- Banking Ombudsman RBI appoint karta tha aur NRI account-related complaints bhi hear kar sakta tha; Ombudsman award/order ke against RBI Appellate Authority ke paas appeal possible thi, isliye order automatically final-and-binding nahi tha. [Q413]
- India mein Credit Rating Agencies ko SEBI, SEBI (Credit Rating Agencies) Regulations, 1999 ke under regulate karta hai. [Q414]
- CRISIL, CARE aur ICRA India ki major Credit Rating Agencies hain. [Q415]
- Establishment years: CRISIL 1987; ICRA 1991; CARE 1993. [Q416]
- CRISIL credit-rating agency hai jo companies/instruments ki creditworthiness aur default-risk assess karti hai. [Q417]

19. Money/Banking Terms, Markets & Business-Economics Basics

- Phillips Curve short run mein inflation aur unemployment ke beech generally inverse relationship show karta hai; A. W. Phillips ne 1958 mein is relationship ko highlight kiya. [Q418]
- Traditional banking terminology mein 'Smart Money' credit-card/smart-card based electronic payment context se associated raha hai. [Q419]
- Plastic Money cash alternative payment cards ko refer karta hai; examples credit card, debit card, smart card aur ATM/debit cards hain. [Q420]
- Plastic Money term mainly bank-issued credit/debit/payment cards ke liye use hota hai. [Q421]
- UPI ka full form Unified Payments Interface hai; ek mobile app se multiple participating bank accounts ko link karke instant payments/transfer possible karta hai. [Q422]
- Banking mein PIN ka full form Personal Identification Number hai; ATM/debit-card transactions mein customer authentication ke liye numeric secret code use hota hai. [Q423]
- Credit card prepaid payment instrument nahi hai; ye post-paid credit facility hai jisme cardholder purchases karta hai aur issuer ko later payment karta hai. [Q424]
- Market woh mechanism/place hai jahan buyers aur sellers goods/services exchange karte hain aur price demand, supply, cost aur market conditions se determine hota hai. [Q425]
- Market-oriented economy consumer choice aur consumption ko encourage kar sakti hai; 'consumerism' market/capitalist consumption pattern se associated concept hai. [Q426]
- Buyer's Market mein sellers/supply buyers/demand se zyada hote hain; excess supply ke karan buyers ki bargaining power strong aur prices lower rehne ki tendency hoti hai. [Q427]
- Accounting ko 'language of business' kaha jata hai kyunki ye business operations ke financial results ko owners, managers, investors aur other stakeholders tak communicate karta hai. [Q428]
- Contract law mein condition contract ke main purpose ke liye essential stipulation hoti hai; condition breach par aggrieved party ko contract repudiate karne ka right mil sakta hai. [Q429]
- Fixed Capital long-term productive assets jaise land/building, machinery, equipment aur tools ko refer karta hai jo multiple production cycles mein use hote hain. [Q430]
- Key ratios: Stock Turnover = COGS/Average Stock; Current Ratio = Current Assets/Current Liabilities; Acid-Test Ratio = Liquid Assets/Current Liabilities; ROCE context mein operating profit ko capital employed se compare kiya jata hai. [Q431]
- Auction/dynamic-pricing model B2B aur C2C dono e-commerce contexts mein operate kar sakta hai. [Q432]
- B2B mein transaction two businesses ke beech hota hai; B2C mein business directly consumer ko sell karta hai. Product-based FMCG company B2C model ka example ho sakti hai. [Q433]
- Very short-period/daily market mein supply immediately increase nahi ho pati, isliye price par demand ka strong influence hota hai; vegetables/fish jaise perishables typical examples hain. [Q434]
- Supply-side economics producer/supplier perspective se incentives, production, tax rates aur aggregate supply par focus karta hai. [Q435]
- Jab Total Product maximum aur constant point par hota hai, Marginal Product zero hota hai. [Q436]
- Consumer equilibrium tab hota hai jab given income aur prices ke under consumer available budget se maximum possible satisfaction achieve karta hai. [Q437]
- Law of Demand mein own price aur quantity demanded generally inverse related hote hain; substitute ki price rise demand badha sakti hai, complement ki price rise demand ghata sakti hai, aur inferior good ki demand income rise par fall kar sakti hai. [Q438]
- Demand constant ho aur supply increase ho to normal market mein commodity price generally fall karta hai; supply aur price ka relationship, other things equal, inverse direction mein hota hai. [Q439]
- Production fall, effective demand rise ya money supply expansion general price level ko upward pressure de sakte hain. [Q440]
- Money supply unchanged ho aur money demand increase ho to interest rate generally rise karta hai. [Q441]
- MRP packaged commodity ka legally declared maximum retail price hai, taxes inclusive; seller MRP se lower price charge kar sakta hai, higher nahi. [Q442]

- General price rise se consumers ki purchasing power girti hai; traders/producers ko some conditions mein benefit mil sakta hai, while consumers higher cost bear karte hain. [Q443]
- $P/V \text{ Ratio} = \text{Contribution}/\text{Sales} = (\text{Sales} - \text{Variable Cost})/\text{Sales}$; ise $1 - \text{Variable Cost}/\text{Sales}$ ya $\text{Change in Profit}/\text{Change in Sales}$ ke form mein bhi express kiya ja sakta hai. [Q444]
- Shadow Price ya imputed price public goods/capital-project appraisal mein economic opportunity value show karta hai; concept J. Tinbergen aur Hollis se associated bataya gaya hai. [Q445]
- Public Goods ordinary market exchange se efficiently provide nahi hote; national defence, public administration aur some public infrastructure examples hain, jabki car private good hai. [Q446]
- Government kisi good ko consumer ko free provide kare tab bhi resource cost vanish nahi hoti; financing tax-paying public bear kar sakta hai, isliye opportunity cost society/taxpayers par shift hoti hai. [Q447]
- Trade goods/services ke buying-selling/exchange ko refer karta hai, jiska purpose buyers aur sellers ke beech mutual benefit create karna hai. [Q448]
- Commerce broad concept hai: Trade plus trade ko assist karne wali activities, jaise transport, banking, insurance, warehousing aur communication. [Q449]
