

INTERNATIONAL TRADE — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Rules of Origin, SCRI & Foreign Trade Policy Basics
2. India's Trade Openness, Trade-to-GDP & Global Share
3. Regional & Country-wise Trading Partners
4. Trade Balance, Net Exports, BoP & Current Account
5. Import Composition, Energy Imports & Import Procedure
6. Export Composition — Manufactured & Engineering Goods
7. Commodity Exports, Destinations & Export Growth
8. Services, Invisible Exports, Entrepot & Trade Duties
9. EXIM / Foreign Trade Policies & Export Excellence
10. Globalization, Liberalization & 1991 Reforms
11. Free Trade Zones, SEZ & EPZ
12. Export Promotion Institutions & Schemes
13. Remittances, Emerging Markets & Tourism
14. Bilateral Trade Agreements, Trade Barriers & IITF

1. Rules of Origin, SCRI & Foreign Trade Policy Basics

- Rules of Origin kisi product ka national source determine karne ke criteria hain; import duties aur restrictions kai cases mein origin/source par depend karte hain, isliye international trade mein ye important hote hain. [Q1]
- India, Japan aur Australia ke trade ministers ne 27 April 2021 ko Supply Chain Resilience Initiative formally launch ki; aim Indo-Pacific supply chains ko resilient aur diversified banana hai. [Q2]
- Ministry of Commerce and Industry, Government of India Foreign Trade Policy se related hai. Piyush Goyal Union Minister of Commerce and Industry hain. [Q3]
- Department of Commerce ka long-term vision India ko world trade mein major player/leadership role tak le jana tha. 2019-20 tak goods + services exports ko US\$ 900 billion tak le jane ka target bhi diya gaya tha. [Q4]

2. India's Trade Openness, Trade-to-GDP & Global Share

- Historical FY 2011-12 data mein India ka total external trade ₹38,11,360 crore tha. [Q5]
- FY 2011-12 ke historical data mein India ka total external trade ₹38,11,360 crore tha. [Q6]
- FY 2011-12 ke historical data mein India ka total external trade ₹38,11,360 crore tha. [Q7]
- 2000 se 2019 ke beech India ka trade-to-GDP ratio 27% se badhkar 40% hua; 2008, 2011, 2012 aur 2013 mein ratio 50% se upar gaya. [Q8]
- 2012-13 mein India ka merchandise trade-to-GDP ratio 40.6% tha. World Bank data mein ye ratio 2021: 30.6%, 2022: 35.1%, 2023: 30.4% aur 2024: 29.7% raha. [Q9]
- 1990-91 se 2011-12 ke beech goods exports + imports ka GDP share almost three times hua. World Bank 2024 data mein merchandise trade/GDP 29.7% tha; WITS 2023 data mein goods-services exports 21.45% aur imports 23.54% of GDP the. [Q10]
- 2010-11 mein India ke goods-services exports GDP ka 22% the. WITS 2023 data mein exports 21.45% aur imports 23.54% of GDP the. [Q11]
- 2020, 2021 aur 2022 mein India ka global goods-export share respectively 1.6%, 1.8% aur 1.8% tha; commercial-services export share roughly 4.1%, 4.0% aur 4.4% raha. [Q12]
- WTO Global Trade Outlook and Statistics Update, October 2025 ke 2024 data mein India ka global merchandise-export share 1.8% (rank 18) aur import share 2.9% (rank 8) tha. Older 0.60% figure ko relevant historical context ke saath padhein. [Q13]
- WTO Global Trade Outlook and Statistics Update, October 2025 ke 2024 data mein India ka global merchandise-export share 1.8% (rank 18) aur merchandise-import share 2.9% (rank 8) tha. [Q14]
- 2018 mein worldwide exports mein India ka share 1.7% tha. WTO Global Trade Outlook and Statistics Update (October 2025) ke 2024 merchandise-trade data mein India ka export share 1.8% tha, rank 18; merchandise imports mein share 2.9%, rank 9 tha. [Q15]
- 2014 mein commercial-services exports mein India rank 8th tha. WTO Global Trade Outlook and Statistics Update, October 2025 ke 2024 data mein services-export rank 8th aur import rank 9th tha. [Q16]
- WTO Global Trade Outlook and Statistics, April 2024 ke 2023 data mein commercial-services exports ke top contributors USA, UK, Germany, Ireland aur China the. [Q17]
- Global merchandise trade mein China leading exporter hai; 2024 mein uska world merchandise-export share lagbhag 14.6% tha. [Q18]

EXAM TRAP — External Trade & Trade-to-GDP — Year Context

- ▶ FY 2011-12 ka historical total-trade figure ₹38,11,360 crore tha.
 - ▶ World Bank context mein trade-to-GDP ratio 2000 ke 27% se 2019 mein 40% hua; 2008, 2011, 2012 aur 2013 mein 50% se upar tha.
- [Q6, Q7, Q8]

3. Regional & Country-wise Trading Partners

- Economic Survey 2025-26 ke 2024-25 aur Apr-Nov 2025-26(P) data mein Asia India's gross trade ka largest regional partner tha; Asia + ASEAN ka combined participation bhi other regions se higher tha. [Q19]
- Economic Survey 2025-26 mein April-March 2024-25 aur April-November 2025-26(P) ke import data mein Asia/Oceania region ka combined contribution sabse dominant tha. [Q20]
- Economic Survey 2025-26 ke 2024-25 aur April-November 2025-26(P) import data mein Asia India ka largest import region tha; Asia + ASEAN ka combined participation other regions se higher tha. [Q21]
- Economic Survey 2025-26 ke import data mein Asian countries ka share 2024-25 mein 61.6% aur April-November 2025-26(P) mein 60.7% tha—largest regional share. [Q22]
- Historical comparison mein maximum import trade OPEC group ke saath dikhaya gaya tha; Economic Survey 2025-26 ke updated regional data mein Asia largest import region hai. [Q23]
- 2011 mein India ke international trade mein China-UAE pair ka percentage share sabse bada tha. 2024-25 mein major trade-partner order USA > China > UAE > Russia tha; top five countries ka total exports mein 35.19% aur imports mein 43.87% share tha. [Q24]
- 2024-25 mein United States India ka largest trading partner tha; listed order mein uske baad China, UAE aur Russia the. [Q25]
- 2024-25 mein India ka sabse zyada total trade USA ke saath tha; China second aur United Arab Emirates third major trading partner the (June 2025 trade data). [Q26]
- 2024-25 mein India ka maximum trade USA ke saath hua; China aur United Arab Emirates respectively second aur third major trading partners the (June 2025 trade data). [Q27]
- 2024-25 mein USA India ka largest total-trade partner tha, China second aur UAE third. [Q28]
- 2024-25 aur 2023-24 mein given major countries ke comparison mein India ka most favourable trade balance/surplus USA ke saath tha; exports imports se higher the. [Q29]
- Historical current-account comparison mein India ka USA ke saath trade surplus tha. Ministry of Commerce October 2025 ke FY 2024-25 data mein top trading partners order USA, China, UAE, Russia aur Saudi Arabia tha. [Q30]
- 2024-25 mein India ke imports by value mein China sabse bada source tha: China US\$113,447.34 million, Russia US\$63,811.44 million, UAE US\$63,403.01 million aur USA US\$45,625.20 million. [Q31]
- India ke overall imports ka largest source China tha; 2024-25 mein China se imports US\$113,447.34 million the, Russia, UAE aur USA se higher. [Q32]
- India-Sri Lanka bilateral trade decade mein fluctuate hua: 2011—US\$4.88 bn; 2013—3.73 bn; 2017—5.23 bn; 2019—4.59 bn; 2020—3.61 bn. [Q33]
- Updated trade figures mein India ka maximum import source China hai, jabki arms supply ka major source Russia raha hai. [Q34]
- 2024-25 mein India ke exports ka sabse bada destination USA tha; UAE second major destination tha. [Q35]
- 2009-10 mein India ke exports mein UAE ka share sabse high tha. [Q36]
- USA ka India ke total exports mein share 2024-25 mein 19.77% aur April-November 2025-26 mein 20.22% tha. [Q37]

EXAM TRAP — Trading Partners — Historical vs Updated

- ▶ Historical questions mein China jaise old-period values mil sakte hain; 2024-25 updated data mein USA India ka largest trading partner tha.
- ▶ Trading-partner rank ko relevant financial year ke saath padhein; later data old-period ranking ko historical context se erase nahi karta.

[Q25, Q26, Q28, Q35, Q36, Q37]

4. Trade Balance, Net Exports, BoP & Current Account

- December 2022 provisional goods-services trade balance -US\$11.98 billion tha. April-March 2024-25 mein total exports US\$820.93 billion aur total imports US\$915.19 billion record hue. [Q38]
- 1949-50 se 2024-25(P) tak India ka trade balance lagbhag poore period negative raha; sirf 1972-73 aur 1976-77 mein trade balance positive tha. [Q39]
- India ka trade balance 1949-50 se 2024-25(P) tak almost poore period negative raha; sirf 1972-73 aur 1976-77 mein positive tha. [Q40]
- IMF Balance of Payments Manual 5 framework mein India's trade deficit 2012-13 mein US\$195.66 billion ke peak par tha; 2013-14 ke US\$147.6 billion se ghatkar 2016-17 tak US\$112.44 billion ho gaya. Petroleum oil aur non-oil products ki prices mein broad decline ne is reduction mein major role play kiya. [Q41]
- Economic Survey 2023-24: multinational companies ke Global Capability Centres (GCCs) ke preferred destination ke roop mein India ki position strong hui, jisse software aur business-services exports ko boost mila. Globally digitally delivered services exports mein India ka share 2019 ke 4.4% se badhkar 2023 mein 6% ho gaya. [Q42]
- Trade Balance kisi period mein total exports aur imports ki value ka difference hota hai; exports zyada hon to trade surplus aur imports zyada hon to trade deficit hota hai. [Q43]
- Net Exports = given period mein total exports ki value minus total imports ki value. [Q44]
- Foreign trade mein imports aur exports dono shamil hote hain. Balance of Payments ek specified period, usually one year, ke country ke international transactions ka record hota hai. [Q45]
- Balance of Payments (BoP) specified period mein country residents ke rest of world ke saath international economic transactions ka systematic account hota hai. [Q46]
- Balance of Payments (BoP) ek statement/account hai jisme usually 1 year ke period mein country ke residents aur rest of the world ke residents ke beech hone wale international economic transactions - imports, exports aur other cross-border transactions - record kiye jate hain. [Q47]
- Balance of Payments (BoP) country ke residents aur rest of the world ke beech ek period, usually 1 year, mein hone wale international economic transactions ka complete record hota hai. [Q48]
- Balance of Payments (BoP) mein visible trade, invisible trade aur debt-related transactions shamil hote hain. Visible trade goods imports/exports aur invisible trade services imports/exports se related hai. [Q49]

- BoP current account mein visible transactions (exports-imports) aur invisible transactions include hote hain. Exports aur imports ke difference ko balance of trade kaha jata hai. [Q50]
- Current Account mein visible aur invisible items ke exports-imports record hote hain; imports zyada hon to Current Account Deficit (CAD) aur exports zyada hon to surplus hota hai. [Q51]
- Current Account Deficit tab hota hai jab visible + invisible imports ki value corresponding exports se zyada ho. [Q52]

5. Import Composition, Energy Imports & Import Procedure

- 2000-01 mein pearls aur precious stones compared imports mein high-value item the; 2024-25 mein chemical elements and compounds ka import value in items se higher tha. [Q53]
- India ka major import-related foreign-exchange outgo petroleum/POL par hota raha hai. Economic Survey 2025-26 mein 2024-25 aur April-September 2025-26(P) dono periods mein POL top imported item tha. [Q54]
- Economic Survey 2025-26 ke import composition mein petroleum/POL aur edible oils ka combined importance bahut high raha. [Q55]
- Economic Survey 2025-26 ke import values (US\$ million): Chemical elements & compounds - 41,236 (2024-25), 24,448 (Apr-Sep 2025-26P); Fertilizers - 10,226, 7,716; POL - 185,779, 92,116; Edible oils - 17,366, 9,992; Iron & steel - 17,400, 8,327. [Q56]
- Economic Survey 2025-26 ke 2024-25 aur April-September 2025-26(P) data mein capital goods aur petroleum products ka combined import value major high-value component tha. [Q57]
- Economic Survey 2025-26 mein 2024-25 aur Apr-Sep 2025-26(P) ke imports mein petroleum products ka share sabse bada tha. Apr-Sep 2025-26(P) mein POL imports US\$92,116 million the, jo total imports US\$376,483 million ka around 24.47% tha. [Q58]
- Economic Survey 2025-26 mein import-share order 2024-25 / Apr-Sep 2025-26(P) ke liye: Fuel 30.1%/28.2% > Capital Goods 12.3%/12.2% > Gold & Silver 8.7%/7.9% > Chemicals 6.3%/7.0%. [Q59]
- Economic Survey 2025-26 mein total imports mein POL share 2024-25 mein 25.8% aur April-September 2025-26(P) mein 24.5% tha. [Q60]
- Economic Survey 2025-26 import values (US\$ million): POL—185,779/92,116; Capital Goods—96,541/50,390; Chemical elements & compounds—41,236/24,448; pearls/precious stones etc. ko bhi major import group ke roop mein list kiya gaya. [Q61]
- Updated figures mein India ko maximum LNG supply Qatar se milti hai. [Q62]
- West Texas Intermediate (WTI) crude oil ka grade hai, jise Texas Light Sweet bhi kaha jata hai. [Q63]
- Haldia Port ke major imports mein petroleum products, iron & steel aur machinery/heavy machine tools shamil hain; petroleum products, iron & steel aur machinery/heavy machine tools tino major imports hain. [Q64]
- Import process mein importer required foreign exchange ke liye RBI/authorised channel se approval arrange karta hai; approval ke baad indent/order ke through exporter ko supply order diya jata hai. [Q65]
- International trade mein Letter of Credit (L/C) payment ensure karne wala documentary credit hai, jo importer ke request par financial institution issue karta hai. [Q66]
- Letter of Credit (L/C) importer ke request par financial institution ke through issue documentary credit hai, jiska purpose international-trade payment ensure karna hai. [Q67]

EXAM TRAP — Haldia Port — Major Imports

► Haldia ke major imports mein petroleum products, iron & steel aur machinery/heavy machine tools tino shamil hain.

[Q64]

6. Export Composition — Manufactured & Engineering Goods

- India ke total exports mein manufactured goods ka share highest raha; export structure mein manufactured products ki dominance modernization/industrialisation trend ko reflect karti hai. [Q68]
- Economic Survey 2025-26 ke data mein manufactured goods ka total exports mein largest share tha—2024-25 mein 71% aur April-September 2025-26(P) mein 72.1%. [Q69]
- Export structure mein manufactured products ka rising share economy ke modernization ki taraf structural transformation ka important indicator hai. [Q70]
- 2024-25 export composition mein engineering goods leading group tha, followed by petroleum products, electronic goods aur drugs/pharmaceuticals. [Q71]
- 2024-25 mein engineering goods export value agriculture-allied, minerals/ores aur handicrafts se kaafi zyada thi. [Q72]
- 2024-25 export composition mein engineering goods leading export group tha; earlier periods mein product ranking alag thi. [Q73]
- Ministry of Commerce and Industry ke 2023-24 aur 2024-25 data mein major merchandise export categories mein engineering goods top par the. [Q74]
- 2023-24 aur 2024-25 merchandise-export data mein engineering goods major export category ke roop mein highest value par rahe. [Q75]
- DGFT Monthly Bulletin October 2024 ke April-September 2024-25 merchandise-export data mein petroleum products top major export commodities mein the. [Q76]
- 2025-26 ke compared export groups mein agriculture aur allied products ka export-earnings share gems & jewellery se zyada tha. [Q77]
- 2023-24 se 2024-25 ke data mein gems & jewellery ka export US\$32,703.30m se US\$29,802.06m raha; readymade garments US\$14,517.87m se US\$15,974.61m; leather US\$4,281.17m se US\$4,363.25m; organic/inorganic chemicals US\$29,343.80m se US\$28,631.01m. [Q78]
- Economic Survey 2025-26 mein export shares 2024-25 -> Apr-Sep 2025-26(P): Gems & jewellery 6.8% -> 6.5%; Readymade garments 3.7% -> 3.5%; Electronic goods 8.3% -> 9.5%; Tea & coffee 0.6% -> 0.7%. [Q79]
- Economic Survey 2025-26 mein Indian exports mein gems & jewellery share 2024-25 mein 6.8% aur April-September 2025-26(P) mein 6.5% tha. [Q80]

- Economic Survey 2025-26 mein textile industry major employment generator hai. Indian apparel-textile industry lagbhag US\$179 billion, GDP ka ~2% aur manufacturing GVA ka ~11% contribute karti hai; India cotton area aur jute production mein leading hai aur cotton/silk/man-made fibres production mein global top ranks mein hai. [Q81]
- India imported diamonds ko cut/polish karke re-export karta hai; skilled diamond-cutting/polishing experts ki availability ki wajah se domestic diamond availability limited hone ke baad bhi India large diamond exports karta hai. [Q82]

7. Commodity Exports, Destinations & Export Growth

- India Central aur Middle-East Asian countries se fruits, dry fruits aur palm-related products import karta hai. [Q83]
- Tiruppur ko 'Manchester of South India' kaha jata hai; ise Dollar City, Knit City aur Cotton City bhi kaha jata hai. Readymade-garment exports ko promote karne ke liye July 2003 mein Tiruppur, Tamil Nadu mein first textile park ka foundation stone rakha gaya; yahan se garments multiple countries ko export hote hain. [Q84]
- Older period mein India textile exports mein fourth rank par tha; 2024-25 annual-report context mein India textiles-apparel ka sixth-largest exporter tha. [Q85]
- Ministry of Textiles Annual Report 2024-25 ke hisaab se USA Indian textiles ka largest importer hai. [Q86]
- 2024-25 mein exports contribution ke top 5 states Gujarat, Maharashtra, Tamil Nadu, Karnataka aur Uttar Pradesh the. Top shares: Gujarat 29.88%, Maharashtra 16.92%, Tamil Nadu 13.38%, Karnataka 7.83%. [Q87]
- Economic Survey 2025-26 mein total exports growth 2024-25 mein 0.1% aur April-September 2025-26(P) mein 2.9% record hui. [Q88]
- Japan Indian iron ore ka major importer hai; Bailadila mine ka iron ore Japan export kiya jata hai. [Q89]
- 2003-04 mein India ka highest steel export China ko tha; April-October 2025(P) finished-steel export destinations mein Italy 16.4%, Belgium 16.1%, Spain 9.4% aur UAE 6.7% the. [Q90]
- India ke leather aur leather-goods exports ka sabse bada market USA hai. Council for Leather Exports data (Apr-Oct 2025) mein major markets: USA 21.77%, Germany 11.01%, UK 9.11%, Italy 6.24% aur France 4.77%. [Q91]
- 1994-95 mein India export growth lagbhag 18% tha. FY 2025-26 April-January estimates mein total exports US\$720.76 bn, growth 6.15%; total imports US\$823.41 bn, growth 6.54% thi. [Q92]
- Economic Survey 2007-08 mein given years ke among Indian exports ki highest growth 2004-05 mein 30.8% thi. Feb 2026 data mein Apr-Jan 2025-26 goods + services exports growth Apr-Jan 2024-25 ke comparison mein 6.15% thi. [Q93]
- USDA February 2026 estimate mein 2026 rice-export volume ke hisaab se India top par aur Thailand next tha; India 2025 mein bhi top exporter tha. [Q94]
- Updated figures mein Kenya duniya ka largest tea-exporting country hai. Data from the Tea Board of India: the top four tea exporting countries in the years 2023 and 2024 are- Kenya > China > Sri Lanka > India. [Q95]
- 2021 mein Switzerland ne about US\$86.7 billion gold export kiya aur world ka largest gold exporter tha. [Q96]
- Japan ke Mikimoto Kokichi ne cultured pearls production technique develop ki; iske baad Japan mein cultured-pearl industry rapidly develop hui. [Q97]
- Recent long-staple cotton data mein Egypt leading producer aur exporter raha; earlier period mein USA leading position par tha. [Q98]

8. Services, Invisible Exports, Entrepot & Trade Duties

- Economic Survey 2025-26 mein services exports India ke external sector ka major pillar hain. GDP share FY2023-FY2025 average 9.7% raha vs pre-pandemic 7.4%; FY2026 first half mein share 10.0% tak gaya. [Q99]
- Year 2000 se pahle ke 5 years mein India's software exports ne average lagbhag 50% growth record ki. Government policy incentives aur cost advantage ne software-export sector ki competitiveness ko support kiya. [Q100]
- RBI Survey on Export of Computer Software and IT Enabled Services 2024-25 ke estimate mein Indian companies ke software-services exports 7.3% grow karke US\$204.7 billion rahe, foreign commercial presence sales ko exclude karke. [Q101]
- Foreign nationals ka India aakar Commonwealth Games dekhna economic accounting mein tourism-service export maana jayega; tourism invisible export item hai. [Q102]
- Economy mein services exports ko invisible exports kaha jata hai; tourism, insurance aur trade-related services is category mein aate hain. [Q103]
- Entrepot trade mein goods import karke re-export kiye jate hain. [Q104]
- Tariff border cross karne wale goods par lagne wala tax/duty hai; practical usage mein ye mainly import/customs duty ke sense mein use hota hai aur higher tariff trade volume reduce kar sakta hai. [Q105]
- Duty Drawback export purpose ke imported inputs/goods par paid customs ya excise duty ki full ya partial refund hai, jo exporters ko diya jata hai. [Q106]
- Kisi country ka export goods ki quality, price competitiveness aur specific product characteristics par depend karta hai. [Q107]

9. EXIM / Foreign Trade Policies & Export Excellence

- Central Government ki 1992 import-export policy five-year period ke liye thi. Foreign Trade Policy 2015-20 April 2015 se start hui aur original end date 31 March 2020 thi. [Q108]
- Export-Import Policy 2002-07 ka target India ke exports double karna aur global merchandise trade mein share 1% tak badhana tha. [Q109]
- Foreign Trade Policy 2004-09 ka period 2004-2009 tha; iska focus world trade mein India's share badhana aur employment-generating economic growth ko promote karna tha. [Q110]
- Foreign Trade Policy 2004-09 August 2004 mein announce hui; target average 20% export growth ke through 2009 tak world trade mein India ka share double karna tha. [Q111]
- Foreign Trade Policy 2004-09 ka target 2009 tak world trade mein India's share 1.5% tak le jana tha. Foreign Trade Policy 2015-20 mein target world exports share ko 2% se 3.5% tak badhana tha. [Q112]

- Foreign Trade Policy 2009-14 ko Commerce Minister Anand Sharma ne August 2009 mein announce kiya. Major targets: 2020 tak global trade mein India's share double karna; 2014 tak goods + services exports double karna; 2011 tak annual exports US\$200 billion tak le jana with 15% annual growth; aur remaining 3 years mein around 25% annual export growth. [Q113]
- Registered exporters ko previous-years export performance ke basis par ascending categories—Export House, Trading House, Star Trading House aur Super Star Trading House—mein classify kiya jata tha. [Q114]
- EXIM Policy reforms ne foreign trade ko more liberal banaya; GATT aur later WTO framework ne trade liberalisation mein important role play kiya. [Q115]
- Tripura State hai, Town of Export Excellence nahi; Panipat, Ludhiana aur Madurai relevant Towns of Export Excellence list mein included the. [Q116]

10. Globalization, Liberalization & 1991 Reforms

- Closed economy foreign trade se isolated hoti hai; ismein other economies ke saath exports aur imports nahi hote. [Q117]
- Globalization ka core idea countries ke beech goods, services, capital aur intellectual property ka relatively free/unrestricted exchange hai. Iske liye international-trade barriers ko reduce/remove karna important hai. [Q118]
- Globalization countries ke beech economic relations ke restrictions reduce karke trade, capital aur labour mobility ko facilitate karta hai; core elements free trade, capital movement aur labour mobility hain. [Q119]
- Economic globalization free flow of capital, goods, services aur labour ko support karta hai. Public-sector equity disinvestment broader liberalization/privatization reforms se related ho sakta hai. [Q120]
- Globalization primarily foreign investment aur large-company integration se linked hai; small entrepreneurs ke liye benefits automatic nahi hote, isliye universal optimism assume nahi kiya ja sakta. [Q121]
- 1991 ke baad New Economic Policy ka major component liberalisation tha. Isme regulations ko ease karke economic activities ko market forces ke basis par operate karne ki greater freedom di gayi; capital-goods import duties reduction technology upgradation ko support karta hai. [Q122]
- India mein selected sectors ka liberalisation 1980s mein start ho chuka tha, lekin Prime Minister P. V. Narasimha Rao ke tenure mein introduced reform policies ka scope kaafi zyada comprehensive tha. [Q123]
- India mein multinational companies ko promote karna liberalization, privatization aur globalization policy framework se related hai. [Q124]
- 1991 mein agriculture ka GDP share lagbhag 30% tha; 2017 tak ye around 17% raha aur recent years mein current-price national income ka roughly one-fifth contribute karta hai. [Q125]
- World Development Indicators mein agriculture ka India GDP share 1991 ke 30% se 2017 mein 17% tak ghata. Economic Survey 2025-26 mein agriculture & allied activities current prices par national income ka roughly one-fifth contribute karte hain. [Q126]
- Globalization trade, investment aur information technology ke through countries ka social, cultural aur economic integration hai; India mein service sector ko iska major benefit mila. [Q127]
- India mein 1991 economic reforms Balance of Payments crisis ke background mein start hue; foreign-loan/forex stress important trigger tha. [Q128]
- Globalisation trade, investment aur information technology ke through countries ki social-cultural-economic integration process hai. Isse goods/services trade aur FDI flow badh sakta hai; exports ki growth imports se necessarily higher ho, ye universal feature nahi hai. [Q129]

11. Free Trade Zones, SEZ & EPZ

- Free Trade Area mein member countries aapas ke tariffs/trade barriers remove karte hain, lekin non-member countries ke against apni separate tariff aur commercial policies maintain karte hain. [Q130]
- Free Trade Zone export industries promote karne wala special zone hai jahan manufacturing, export aur processing facilities available hoti hain. [Q131]
- Free Trade Zone mein export-oriented industries ko duty/excise concessions milte hain aur manufacturing/processing mainly exports ke liye hoti hai. [Q132]
- SEZ Policy April 2000 mein clearance/control problems, weak world-class infrastructure aur unstable conditions ki constraints address karne aur FDI attract karne ke purpose se announce hui. [Q133]
- Government of India ne SEZ Policy April 2000 mein announce ki. SEZ duty-free economic zone hota hai jahan trade operations, duties aur tariffs mein significant exemptions mil sakti hain. [Q134]
