Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Tehri Dam — Rivers, Location & Objectives
2. Confluence Point — Bhagirathi-Bhilangana

| 1. Tehri Dam — Rivers, Location & Objectives

- Tehri Dam **Bhagirathi river par, Tehri Garhwal district (Uttarakhand)** mein bana hai — **Bhilangana river bhi Bhagirathi mein milti hai (old Tehri ke paas), dono ka paani dam mein rukta hai**. Objectives: floodwater impound, hydroelectricity, irrigation. Project 1972 mein Planning Commission se clear hua, construction 1978 se shuru hua. **'Ganga' bhi sahi answer maana jaata hai jab 'Bhagirathi' option na ho** (Bhagirathi Ganga ka source hai). *[Q1, Q2, Q3, Q4]*

| 2. Confluence Point — Bhagirathi-Bhilangana

- Map-labeling type question: Tehri dam ka site **Bhagirathi aur Bhilangana rivers ke confluence** par hai (na ki sirf ek river par). *[Q5]*
