

EASTERN AND WESTERN COAST — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. West Coast Cities North-to-South Sequence
2. Tharangambadi — Danish Colony (Tamil Nadu Coast)
3. Underwater Coastal Relief Contours
4. West Coast vs East Coast City Identification
5. Famous Beaches — State Match Pairs
6. Coromandel Coast — Tamil Nadu & Andhra Pradesh
7. Cape Comorin / Kanyakumari
8. Four Coast Names (North & South, East & West)
9. Rann of Kutch — Sea-Level Marshland

| 1. West Coast Cities North-to-South Sequence

- West coast cities north-to-south order: **Janjira (Raigad, Maharashtra) → Sindhudurg (Maharashtra) → Kannur (Kerala) → Nagercoil (Kanyakumari, Tamil Nadu)**. [Q1]

| 2. Tharangambadi — Danish Colony (Tamil Nadu Coast)

- 'Tharangambadi' (Tamil Nadu coast) **1620-1845 tak Denmark ki colony** thi — yahan New Jerusalem Church aur Zion Church jaisi Danish buildings hain; 1845 mein Danish logo ne ise British ko bech kar chhod diya. [Q2]

| 3. Underwater Coastal Relief Contours

- Coastal map par diye gaye divisions **underwater relief contours** dikhate hain (sea floor ki depth) — inke basis par 4 relief zones hote hain: **continental shelf, continental slope, deep sea plains, aur ocean trenches/deeps**. [Q3]

| 4. West Coast vs East Coast City Identification

- West coast cities: **Janjira (Maharashtra), Udupi (Karnataka)**. East coast cities: **Auroville (Tamil Nadu-Puducherry, Coromandel coast), Tuticorin (Tamil Nadu)** — is set mein 'Janjira aur Udupi' hi sahi West-coast combination hai. [Q4]

| 5. Famous Beaches — State Match Pairs

- Beach-state match: **Digha — West Bengal, Gopalpur — Odisha, Calangute — Goa, Marina — Tamil Nadu**. [Q5]

| 6. Coromandel Coast — Tamil Nadu & Andhra Pradesh

- Coromandel Coast — Tamil Nadu aur Andhra Pradesh ke tat ka naam. Ye **Krishna Delta se Cape Comorin (Kanyakumari) tak** failaa hai (False Divi Point, AP se Cape Comorin, TN tak). [Q6, Q7, Q8]

7. Cape Comorin / Kanyakumari

- Cape Comorin, **Kanyakumari**, **Tamil Nadu** ko kaha jaata hai — Indian subcontinent ka southern tip. [Q9]

8. Four Coast Names (North & South, East & West)

- Char coastal region names yaad rakho: **West coast** — **North part: Konkan Coast**, **South part: Malabar Coast**; **East coast** — **North part: Northern Circars**, **South part: Coromandel Coast**. [Q10]

 **EXAM TRAP** — **Konkan = West-North**, **Malabar = West-South**, **Circars = East-North**, **Coromandel = East-South**

9. Rann of Kutch — Sea-Level Marshland

- Rann of Kutch (Gujarat's Kachchh district + Pakistan's Sindh) **repeated sea-level falls ka best example** hai — kabhi Arabian Sea ka shallow hissa tha, geological shift se sea-connection band ho gaya, aur dheere-dheere seasonal marshy salt desert ban gaya. Present shoreline aur sand-dunes ~5000 saal pehle ke rainless years ka result hain. [Q11]
