

PASSES — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Western Ghats Passes — Palghat, Thalghat, Bhorghat
2. Himalayan Passes — Standard State Pairings
3. Nathu La — Full Details & History
4. Zoji La / Zojila — Location & Tunnel Project
5. Lipulekh Pass — Uttarakhand
6. Uttarakhand Passes — Mana, Niti & Others
7. West-to-East Pass Sequence
8. Pass Elevations (Height from Sea Level)

1. Western Ghats Passes — Palghat, Thalghat, Bhorghat

- Western Ghats ke 3 main passes: **Palghat** (Kerala — Nilgiri aur Annamalai/Anaimalai Hills ke beech, Palakkad-Coimbatore ko jodta hai), **Thalghat** (Maharashtra — Kasara ke paas, Mumbai-Nashik route), **Bhorghat** (Maharashtra — Mumbai-Pune ko jodta hai). Khyber Pass Western Ghats mein **NAHI** hai — wo Pakistan-Afghanistan border par hai (common trap: 'kaun sa Western Ghats ka pass nahi hai'). [Q2, Q3, Q4]

2. Himalayan Passes — Standard State Pairings

- Yaad rakhne wale standard pass-state pairs: **Chang La** — Ladakh, **Rohtang** — Himachal Pradesh, **Bomdi La** aur **Se La** — Arunachal Pradesh, **Shipki La** — Himachal Pradesh (Kinnaur district), **Nathu La** — Sikkim, **Zoji La** — Ladakh (J&K se bifurcate hua) — Mana pass Uttarakhand mein hai. [Q1, Q5, Q6, Q13, Q14, Q18, Q19]

 **EXAM TRAP** — Common wrong-pairs: **Se La** 'Uttarakhand' nahi (Arunachal hai); **Nathu La** 'Meghalaya' nahi (Sikkim hai); **Shipki La** 'J&K' nahi (H.P. hai)

- Aur match-pairs: **Bum La** — Arunachal Pradesh, **Jelep La** — Sikkim, **Muling La** — Uttarakhand, **Banihal** — J&K (UT), **Diphu** — Arunachal Pradesh, **Aghil** — Ladakh. [Q11, Q12, Q15]

3. Nathu La — Full Details & History

- Nathu La (Sikkim, height ~4310m) Gangtok se ~55km east hai, Tibet ki Chumbi Valley mein khulta hai — India-China ke **teen open trading posts** mein se ek hai (baaki: Shipki La-H.P., Lipulekh-Uttarakhand). 1962 war ke baad band hua tha, **2006 mein trade ke liye reopen** hua. [Q7, Q10]

4. Zoji La / Zojila — Location & Tunnel Project

- Zojila Pass **Ladakh** mein **NH-1** par **Uri** aur **Leh** ke beech hai. **Zoji-la Tunnel** (Kargil district mein under-construction) **Srinagar** aur **Leh** ko all-weather connectivity dega, Ganderbal aur Drass ke beech Zojila pass ke neeche banaya jaa raha hai. [Q8, Q9]

5. Lipulekh Pass — Uttarakhand

- Lipulekh Pass **Uttarakhand (Pithoragarh district)** mein hai — India-China border, '**Uttar Pradesh**' galat option hai (common confusion trap). Ye Kailash Valley ke through Mansarovar lake tak entry deta hai. [Q16, Q17]

6. Uttarakhand Passes — Mana, Niti & Others

- Mana Pass (aka **Dungri La**) Nanda Devi Biosphere Reserve, Uttarakhand mein hai — India-Tibet border, yahan Deotal lake hai jahan se **Saraswati river (Alaknanda ki tributary)** nikalti hai. [Q20]
- Kingri-Wingri aur Neeti-Mana bhi Uttarakhand ke passes hain — **Neeti** Uttarakhand ko Tibet se jodta hai. [Q21]

7. West-to-East Pass Sequence

- West-to-east sequence: **Shipki La (H.P.) → Lipulekh (Uttarakhand) → Nathu La (Sikkim) → Bomdi La (Arunachal Pradesh)**. [Q22]

8. Pass Elevations (Height from Sea Level)

- Height comparison (options mein diye jaane wale): **Nathu La (~4310m) > Rohtang (~3978m) > Zojila (~3528m) > Khyber-Pakistan (~1070m)** — par actual India ka sabse ooncha pass **Yangzi Diwan** hai, jo aksar options mein nahi diya jaata (isliye 'None of the above' sahi answer ban jaata hai). [Q23]
- Aur ek height-match set (sab Himachal Pradesh mein, Banihal J&K mein): **Debsa — 5360m, Bara-lacha — 4850m, Rohtang — 3978m, Banihal — 2832m**. [Q24]
