

ISLAND GROUPS OF THE ARABIAN SEA — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Lakshadweep — Location, Count, Capital & Naming
2. Lakshadweep — Coral Origin & Atolls
3. Coral Reefs in India — Where Found/Not Found
4. Remote vs Offshore Islands
5. Islands Between India-Sri Lanka & City Islands
6. Salsette — India's Most Populous Island
7. Gulf of Kutch/Khambhat Islands — Match Pairs
8. Divi Island — Krishna River Delta
9. Kori Creek & Sir Creek — India-Pakistan Border Disputes

1. Lakshadweep — Location, Count, Capital & Naming

- Lakshadweep **Arabian Sea** mein hai (Kerala coast se 220-440km door), **36 islands** ka group hai, capital **Kavaratti**, sabse bada island **Andrott**, total area ~32 sq km. Pehle inhe **Laccadive**, **Minicoy** aur **Amindive** naam se jaana jaata tha — **1973 mein renamed** hokar 'Lakshadweep' bane (matlab: 'ek lakh dweep'). [Q1, Q2, Q5, Q6, Q7]
- Minicoy dusra sabse bada island hai, baaki islands se **9° Channel** se separate hota hai. Lakshadweep **Malabar Coast (Kerala)** ke kareeb hai — **Coromandel Coast (Tamil Nadu)** ke **NAHI** (common wrong-statement). [Q2]
- Tilanchong **Laccadive/Lakshadweep group ka hissa NAHI** hai — wo actually Andaman-Nicobar group mein aata hai (baaki Agathi, Kavaratti, Kalpeni sab Lakshadweep ka hissa hain). [Q3]

2. Lakshadweep — Coral Origin & Atolls

- Lakshadweep poora **coral reef ka accumulation** hai — isliye ise 'coral island' bola jaata hai. 'Atolls' (ring-shaped coral islands) commonly **Lakshadweep ke paas** milte hain — Sunderbans, Khambhat Gulf, Rameshwaram ke paas **NAHI**. [Q4, Q8]

3. Coral Reefs in India — Where Found/Not Found

- India mein coral reefs **5 jagah milte hain**: Andaman-Nicobar islands, Gulf of Mannar, Lakshadweep, Malvan (Maharashtra), Gulf of Kutch — Gulf of Cambay (Khambhat) mein **NAHI** milte (ye ek common exception-trap question hai). [Q8, Q9]

EXAM TRAP — Coral reefs 5 jagah milte hain — Gulf of Cambay ek exception hai jahan NAHI milte

4. Remote vs Offshore Islands

- Minicoy India ke coast se **sabse dooriston (remotest) islands mein se ek** hai — Bhatkal, Arnala, Henry jaise islands **offshore (coast ke najdeek)** category mein aate hain. [Q10]

5. Islands Between India-Sri Lanka & City Islands

- Rameswaram Island (Ramanathapuram district, Tamil Nadu) **India aur Sri Lanka ke beech** hai. Elephanta Island Mumbai (Gateway of India) se ~10km hai; Nicobar Island Bay of Bengal ke southeast mein 22 main islands ka group hai; Salsette Island Maharashtra mein hai jahan Mumbai aur Thane located hain. [Q11]
- India ke island par bana sabse bada city **Mumbai** hai — Port Blair ka total area Mumbai se bada hai, par township perspective se Mumbai bada hai. [Q12]

6. Salsette — India's Most Populous Island

- India ka **sabse zyada population wala island Salsette** hai — isi par Mumbai city aur Thane district located hain (Majuli, Andaman, Lakshadweep se zyada populated). [Q13]

7. Gulf of Kutch/Khambhat Islands — Match Pairs

- Islands aur unki location match karo: **Viyant Syodhar — Gulf of Kutch, Piram — Gulf of Cambay (Khambhat), Dwarka — Arabian Sea coast, Diu — Kathiawar coast.** [Q14]

8. Divi Island — Krishna River Delta

- Divi (Diviseema) Island, Andhra Pradesh ke Krishna district mein, **Krishna river ki distributaries ke beech** located hai (jahan Krishna Bay of Bengal mein girti hai) — cyclones aur natural calamities ke liye prone hai. [Q15]

9. Kori Creek & Sir Creek — India-Pakistan Border Disputes

- Kori Creek, **Rann of Kutch (Gujarat)** region mein hai — India-Pakistan ke beech ek maritime border. [Q16]
- Sir Creek dispute **India-Pakistan** ke beech hai — Rann of Kutch mein ~96km lambi tidal estuary, Gujarat ko Pakistan ke Sindh province se separate karti hai. Dono countries iski demarcation line par agree nahi karte. [Q17]
