

OTHER PLANTATION CROPS — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Karnataka — Coffee+Rubber+Tobacco Combo State
2. Plantation Crops Definition (Ministry-Specific)
3. Statement Set — Assam-Tea, AP-Tobacco Correct
4. Tobacco — 1/3rd from AP (Now Gujarat #1)
5. Tobacco Producer Ranking (Gujarat>AP>UP>Karnataka)
6. Tobacco Area — Gujarat Largest (192.85k Hectares)
7. Coconut — Kerala Historical, Karnataka Now #1
8. Spice Leadership — Black Pepper/Ginger (Not Cardamom/Cloves)
9. Odisha — NOT a Cardamom Producer
10. Kerala — Famous for Spices (World-Renowned)
11. Kerala — 'Garden/Spice Garden' of Spices
12. Cardamom+Pepper Largest Producer — Kerala (Options-Dependent)
13. Cloves — Flower-Bud Derived Spice
14. Cloves Cultivation — Disputed (Multi-State)
15. Black Pepper — Ideal Climate Conditions
16. Black Pepper — 'Black Diamond'
17. Spices — Biggest Producer (Gujarat → MP Shift)
18. Cashew Nut — Maharashtra Leading Producer
19. Saffron — J&K's Exclusive Crop
20. Rubber Wrong-Pair Trap (Kerala, Not Himachal Pradesh)

1. Karnataka — Coffee+Rubber+Tobacco Combo State

- Coffee, Rubber, Tobacco teeno **Karnataka mein ugte hain** — Coffee states: Karnataka, Kerala, TN, AP, Odisha, NE states; Rubber: Kerala, TN, Tripura, Karnataka, Assam, Meghalaya; Tobacco: AP, Gujarat, Karnataka, UP, Bihar, TN, Maharashtra. [Q1]

2. Plantation Crops Definition (Ministry-Specific)

- Plantation agriculture ki main crops: **Tea, Rubber, Coconut, Coffee** — Agriculture Ministry: coconut/arecanut/palm/cocoa/cashew; Commerce Ministry: tea/coffee/rubber. [Q2]

3. Statement Set — Assam-Tea, AP-Tobacco Correct

- Sahi statements: **Tea Assam ki main crop hai, Tobacco AP mein bade paimane par ugta hai** — 'Coffee Tamil Nadu ki main crop hai' aur 'Jute Chhattisgarh ki main crop hai' **GALAT** hain (Coffee Karnataka mein leading hai, Chhattisgarh ki main crop paddy hai). [Q3]

4. Tobacco — 1/3rd from AP (Now Gujarat #1)

- Question ke waqt **Andhra Pradesh se 1/3rd se zyada tobacco production aata tha** — 2022-23 data ke mutabik ab Gujarat leading hai (58.09%). [Q4, Q5, Q6]

5. Tobacco Producer Ranking (Gujarat>AP>UP>Karnataka)

- 2022-23 ranking: Gujarat > Andhra Pradesh > Uttar Pradesh > Karnataka. [Q5, Q6]

6. Tobacco Area — Gujarat Largest (192.85k Hectares)

- 2010 mein Andhra Pradesh ka sabse bada area under tobacco tha — 2022-23 mein ab Gujarat (192.85k hectares) sabse aage hai, phir Karnataka (76k), AP (58k), UP (23k). [Q7]

7. Coconut — Kerala Historical, Karnataka Now #1

- Question ke waqt Kerala coconut ka largest producer tha — 2023-24 mein ab Karnataka pehle, Tamil Nadu dusre, Kerala teesre number par hai. [Q8, Q9]

8. Spice Leadership — Black Pepper/Ginger (Not Cardamom/Cloves)

- Question ke waqt India Black-Pepper aur Ginger mein leading tha — Cardamom ka leading producer Guatemala hai, Cloves ka Indonesia hai (India ka NAHI) — 2022 ke mutabik India black pepper mein Vietnam ke baad 2nd largest producer hai. [Q10]

⚠ EXAM TRAP — Cardamom ka world-leader Guatemala hai, Cloves ka Indonesia — India in dono mein leading NAHI hai

9. Odisha — NOT a Cardamom Producer

- Cardamom ke leading producers: Kerala, Sikkim, Arunachal Pradesh — Odisha commercially cardamom produce NAHI karta. [Q11]

10. Kerala — Famous for Spices (World-Renowned)

- Kerala prachin kaal se apne spices ke liye poori duniya mein famous hai. [Q12]

11. Kerala — 'Garden/Spice Garden' of Spices

- Kerala ko 'Garden of Spices' ya 'Spice Garden' kaha jaata hai — kayi spices ki cultivation ki wajah se. [Q13, Q14]

12. Cardamom+Pepper Largest Producer — Kerala (Options-Dependent)

- Kerala cardamom ka largest producer hai (2023-24) — black pepper mein actually Karnataka pehle, Kerala dusre number par hai — par Karnataka options mein na hone par Kerala sahi answer hai. [Q15]

13. Cloves — Flower-Bud Derived Spice

- Cloves (laung) *Eugenia Caryophyllata* plant ki flower-buds hain (root/stem/fruit se NAHI) — medicines mein bhi use hoti hai. [Q16]

14. Cloves Cultivation — Disputed (Multi-State)

- 2023-24 data ke mutabik cloves ki farming Tamil Nadu, Kerala, Karnataka teeno mein hoti hai — isliye single-state question disputed hai. [Q17]

15. Black Pepper — Ideal Climate Conditions

- Black pepper ke liye ideal: **hot-moist climate, 200cm+ annual rainfall, 1100-1300m sloping heights, 15-30°C temperature range.** [Q18]

16. Black Pepper — 'Black Diamond'

- Black pepper ko '**Black Diamond**' bhi kaha jaata hai. [Q19]

17. Spices — Biggest Producer (Gujarat → MP Shift)

- Question ke waqt **Gujarat spices ka biggest producer tha — 2023-24 (Final Estimate) mein ab Madhya Pradesh leading hai.** [Q20]

18. Cashew Nut — Maharashtra Leading Producer

- 2023-24 (Final) data ke mutabik top-3 cashew producers: **Maharashtra, Andhra Pradesh, Odisha.** [Q21]

19. Saffron — J&K's Exclusive Crop

- Saffron (Kesar) ka ekmatra producer state **Jammu and Kashmir** hai (ab UT, 31 Oct 2019 se) — prachin kaal se yahan produce hota hai. [Q22]

20. Rubber Wrong-Pair Trap (Kerala, Not Himachal Pradesh)

- Jute-WB, Tea-Assam, Sugarcane-UP sahi hain — '**Rubber-Himachal Pradesh**' **GALAT** hai (Rubber ka largest producer **Kerala** hai, **garm-nam climate** chahiye jo HP mein nahi milta). [Q23]

⚠ EXAM TRAP — Rubber — Kerala ka product hai, Himachal Pradesh ka NAHI (rubber ko garm-nam climate chahiye)
