

JHUMING AGRICULTURE — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Jhuming/Jhum — Definition (Shifting Cultivation)
2. North-East India — Main Practice Area
3. Regional Names of Shifting Cultivation (Match Set)

1. Jhuming/Jhum — Definition (Shifting Cultivation)

- Jhuming/Jhum (aka Paida) **shifting cultivation ka ek type hai** — **jungle kaatke sukhne diya jaata hai, phir jalaya jaata hai**; jab soil fertility kam ho jaati hai to tribes dusri jagah shift kar jaate hain, ye process repeat hoti hai. [Q1, Q2, Q3]

2. North-East India — Main Practice Area

- Jhuming mainly **North-Eastern states ke hilly areas mein practiced hai** — **Nagaland, Arunachal Pradesh, Meghalaya mein sabse zyada, Assam ke hilly regions mein bhi** (Mizoram, Tripura, Sikkim, Manipur mein bhi hoti hai, Manipur mein isse 'Pamlou' kehte hain). [Q4, Q5, Q6]

3. Regional Names of Shifting Cultivation (Match Set)

- Shifting cultivation ke regional naam: **Western Ghats — Kumari, South-East Rajasthan — Waltre, North-East India — Jhum, MP & Chhattisgarh — Dahiya**. [Q7]
- Ek aur set: **Pondu — Odisha, Mashan — Madhya Pradesh (Himachal Pradesh NAHI), Poonam — Kerala, Jhoom — Assam**. [Q8]

 **EXAM TRAP** — **Mashan — Madhya Pradesh mein practice hoti hai, Himachal Pradesh mein NAHI (common wrong-pair)**
