

ANIMAL HUSBANDRY — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Stock Farming — Breeding of Animals
2. Cattle Density — Bihar Highest per 100 Hectare
3. 1/3rd Cattle Population — WB, UP, MP
4. Livestock Statistics — Top States (Cattle, Buffalo, Sheep)
5. Jamunapari — Highest Milk-Yielding Goat Breed
6. Tharparkar — Rajasthan Border Region Breed
7. Rajasthan Native Breeds (Rathi, Tharparkar, Nagori)
8. Sahiwal — Highest Milk-Yielding Cow Breed
9. India — World's #1 in Milk Production
10. Milk Production State Rankings (UP, MP, Gujarat)
11. Operation Flood — Milk Production & Distribution
12. Dr. Verghese Kurien — Father of White Revolution
13. White Revolution — Milk Production
14. Milk Production Ranking (MP > Gujarat > Punjab > Haryana)
15. Animal-Breed Match Trap (Gir is Cow, Not Sheep)
16. Kharai Camels — Swimming Camel Breed (Kutch, Gujarat)

1. Stock Farming — Breeding of Animals

- Stock Farming livestock rakhne ki practice hai — Animal Husbandry mein feeding, breeding, disease-control sab shamil hai. [Q1]

2. Cattle Density — Bihar Highest per 100 Hectare

- Cattle density per 100 hectare gross cultivable land: Bihar (183/sq km) sabse zyada — Madhya Pradesh (106), Uttar Pradesh (77), Haryana (25) se zyada. [Q2]

3. 1/3rd Cattle Population — WB, UP, MP

- India ki ~1/3rd cattle population West Bengal, Uttar Pradesh aur Madhya Pradesh mein hai (20th Livestock Census 2019: WB 19.1M, UP 19.0M, MP 18.8M) — total 193.46 million cattle. [Q3]

4. Livestock Statistics — Top States (Cattle, Buffalo, Sheep)

- 2019 Livestock Census ke mutabik: Highest livestock population — UP, Rajasthan, MP; Top buffalo states — UP, Rajasthan, Gujarat; Top sheep states — Telangana > AP > Karnataka — Uttar Pradesh India ka largest milk producer hai (2023-24). [Q4]

5. Jamunapari — Highest Milk-Yielding Goat Breed

- India ki sabse zyada doodh dene wali goat breed Jamunapari hai (2.5-3 kg/din) — milk aur meat dono ke liye useful. [Q5]

6. Tharparkar — Rajasthan Border Region Breed

- Tharparkar breed **Rajasthan ke border region (Jaisalmer, Barmer, Jodhpur)** aur Gujarat ke Kutch mein milti hai. [Q6]

7. Rajasthan Native Breeds (Rathi, Tharparkar, Nagori)

- Rajasthan ki 3 native cattle breeds: **Rathi, Tharparkar, Nagori** — **Hallikar Karnataka ki breed hai (Rajasthan ki NAHI), Mewati Haryana ki breed hai.** [Q7]

⚠ EXAM TRAP — Hallikar Karnataka ki breed hai, Rajasthan ki NAHI

8. Sahiwal — Highest Milk-Yielding Cow Breed

- Sahiwal (Sindh-Pakistan mein bhi paayi jaati hai) **sabse zyada milk-yielding cow breed hai** — Gangotri (UP, low yield), Haryana aur Tharparkar dual-purpose (carrier + milk) breeds hain. [Q8]

9. India — World's #1 in Milk Production

- Milk production mein India **world mein pehle number par hai** — 2011-12 mein UP sabse zyada doodh (22556) produce karta tha, 2023-24 mein bhi UP pehle number par hai (38779.57). [Q9, Q10]

10. Milk Production State Rankings (UP, MP, Gujarat)

- 2011-12 ranking: **UP > Rajasthan > Gujarat > Punjab** — 2023-24 mein bhi UP 1st, Rajasthan 2nd hai. [Q10]

11. Operation Flood — Milk Production & Distribution

- Operation Flood (1970, National Dairy Development Board) **milk production aur distribution** se related tha — Dr. Verghese Kurien ne lead kiya, India ko milk-deficient se world ka largest producer bana diya. [Q11]

12. Dr. Verghese Kurien — Father of White Revolution

- Dr. Verghese Kurien **India ki White Revolution ke pita** the. [Q12, Q14]

13. White Revolution — Milk Production

- White Revolution **milk production se related hai** (egg/wheat/fish production se nahi). [Q13]

14. Milk Production Ranking (MP > Gujarat > Punjab > Haryana)

- Economic Survey 2020-21 ke mutabik descending order: **Madhya Pradesh > Gujarat > Punjab > Haryana.** [Q15]

15. Animal-Breed Match Trap (Gir is Cow, Not Sheep)

- Sahi pairs: **Cow-Deoni, Goat-Barbari, Buffalo-Bhadawari** — 'Sheep-Gir' **GALAT** hai (Gir asal mein Zebu cattle/cow ki breed hai, sheep ki NAHI). [Q16]

⚠ EXAM TRAP — Gir — cow (Zebu cattle) ki breed hai, sheep ki NAHI

| 16. Kharai Camels — Swimming Camel Breed (Kutch, Gujarat)

- Kharai camels — swimming camel breed, 'Khara' (saline) se naam mila, mangroves tak samudra mein 3km tak tairte hain, Silk Route se historical link hai — famous roop se Kutch, Gujarat se associated hain (Ladakh se NAHI, though exam key ne is context mein 'Ladakh' bhi accept kiya). *[Q17]*
