

PETROLEUM AND NATURAL GAS — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Digboi — India's Oldest Oil Field (Brahmaputra Valley)
2. Leading Petroleum Producer — Gujarat (Historical) → Rajasthan Now
3. Largest Petroleum Producer 2013-14 — Rajasthan
4. Ankleshwar — Famous for Petrol Reserves, Gujarat
5. Lunej Petrol Area — Gujarat (Cambay Basin)
6. Navgam Oil Field — Gujarat
7. First Oil Well — Makum, Assam (1867, Not Digboi)
8. Oldest Refinery — Digboi (1901)
9. Correct Pair — Andhra Pradesh-Visakhapatnam Oil Refinery
10. Correct Pair — Panagudi-Tamil Nadu
11. Jamnagar — India's Biggest Oil Refinery
12. Hatia — No Oil Refinery (Jharkhand)
13. First Oil/Energy Crisis — 1970s-80s (1973, OPEC)
14. Noonmati Oil Refinery — Assam (1962)
15. Refinery-State Match (Haldia-WB, Jamnagar-Gujarat, Kochi-Kerala, Numaligarh-Assam)
16. Refinery-State Match (Numaligarh-Assam, Tatipaka-AP, Koyali-Gujarat, Barauni-Bihar)
17. Tatipaka Oil Refinery — Andhra Pradesh (ONGC)
18. Tatipaka Oil Refinery — Location Confirmation
19. Refinery-State Match (Noonmati-Assam, Koyali-Gujarat, Mangalore-Karnataka, Panipat-Haryana)
20. Refinery-State Match (Tatipaka-AP, Koyali-Gujarat, Nagapattinam-TN, Numaligarh-Assam)
21. Koyali Refinery — Set up by IOCL (Not HPCL, Wrong-Pair)
22. Refinery-State Match (Barauni-Bihar, Bongaigaon-Assam, Bina-MP, Koyali-Gujarat)
23. Koyali Refinery — Gujarat
24. Cauvery Onshore Basin (Tamil Nadu) — Recent Commercial Oil Production
25. Mangla-Bhagyam-Aishwarya — Barmer-Sanchore Basin Oil Fields
26. NELP/JV/Nomination/CBM Blocks — Petroleum Exploration
27. Hydrogen Vision-2025 — Petroleum Products Warehousing
28. Strategic Petroleum Reserves — Vizag, Mangalore, Padur (Not Ankleshwar)
29. Oil Exploration — Oil India Ltd. (+ ONGC)
30. HBJ Pipeline — Transports Gas from South Basin (Bombay High)
31. HBJ Pipeline — Built by GAIL
32. HVJ Pipeline Pumping Stations — Aonla/Auraiya/Babrara/Guna (Disputed)
33. Reliance's Natural Gas Discovery — Coastal Andhra (KG Basin)
34. KG-D6 Basin — Large Natural Gas Reserves (2009 News)
35. Natural Gas Production — Bombay High (Western Offshore, 64%)
36. Bombay High Oil Field — 160km Off Mumbai Coast (Not 60km)
37. Shale Gas Basins — Cambay, Cauvery, Krishna-Godavari (All Correct)
38. Fossil Fuels — Coal/Petroleum/Diesel/Petrol (Not Wood)
39. Pipeline Length Ranking — HBJ Gas Pipeline Longest (Disputed)

1. Digboi — India's Oldest Oil Field (Brahmaputra Valley)

- India ka **sabse purana oil field Digboi (Assam)** hai — Brahmaputra valley ka oil field, **sabse purana oil basin**. [Q1]

2. Leading Petroleum Producer — Gujarat (Historical) → Rajasthan Now

- Question ke waqt **Gujarat petroleum ka leading producer** tha — Indian Minerals Yearbook 2022 ke mutabik 2020-21 (P) mein ab **Rajasthan (5891 thousand tonnes)** leading hai, Gujarat (4651) dusre number par. [Q2]

3. Largest Petroleum Producer 2013-14 — Rajasthan

- Indian Minerals Yearbook 2022 ke mutabik **2020-21 (P)** mein crude oil-condensate ka **sabse bada producer state Rajasthan** hai. [Q3]

4. Ankleshwar — Famous for Petrol Reserves, Gujarat

- Ankleshwar **petrol reserves** ke liye famous hai — Bharuch district, Gujarat mein ~38.98 km² tak failaa hai. [Q4]

5. Lunej Petrol Area — Gujarat (Cambay Basin)

- Cambay Basin ke Lunej area mein Tertiary period ki sedimentary rocks mein tel milta hai — **Lunej Gujarat mein hai**. [Q5]

6. Navgam Oil Field — Gujarat

- Navgam oil field **Gujarat** mein hai — Gujarat ke baaki oil fields: Ankleshwar, Kalol, Bakrol, Mehsana. [Q6]

7. First Oil Well — Makum, Assam (1867, Not Digboi)

- India ka **pehla oil well Makum**, upper Assam mein 26 March 1867 ko khoda gaya tha (depth 118 feet) — Digboi baad mein 1889 mein discover hua tha (commission ki revised answer key 'Digboi' galat thi historically). [Q7]

⚠ EXAM TRAP — Pehla oil well Makum mein khoda gaya tha, Digboi mein NAHI (Digboi baad mein discover hua)

8. Oldest Refinery — Digboi (1901)

- Indian oil refineries commissioning years: **Digboi — 1901 (sabse purani)**, Koyali (Gujarat) — 1965, Haldia (WB) — 1975, Mathura (UP) — 1982. [Q8]

9. Correct Pair — Andhra Pradesh-Visakhapatnam Oil Refinery

- Barauni refinery Bihar mein hai (Assam mein NAHI), Koyana mein koi refinery nahi hai, Mathura refinery UP mein hai — **Visakhapatnam oil refinery (HPCL) Andhra Pradesh** mein hai — sahi pair. [Q9]

10. Correct Pair — Panagudi-Tamil Nadu

- Haldia-WB (Odisha NAHI), Jamnagar-Gujarat (Maharashtra NAHI), Numaligarh-Assam (Gujarat NAHI) — **Panagudi-Tamil Nadu hi sahi sumelit pair hai** — Jamnagar mein Reliance Industries ka duniya ka sabse bada oil refinery hai. [Q10]

11. Jamnagar — India's Biggest Oil Refinery

- Jamnagar India ki sabse badi oil refinery hai — Reliance Industries ne yahan duniya ki sabse badi oil refinery banayi hai. [Q11]

12. Hatia — No Oil Refinery (Jharkhand)

- Koyali, Noonmati, Barauni mein oil refineries hain — **Hatia (Jharkhand) mein koi oil refinery NAHI hai.** [Q12]

13. First Oil/Energy Crisis — 1970s-80s (1973, OPEC)

- India ka pehla oil/energy crisis 1973 mein hua (1970s-80s ke dauraan) jab OPEC (oil exporting countries) ne achanak oil price 4 guna badha diya. [Q13]

14. Noonmati Oil Refinery — Assam (1962)

- Noonmati oil refinery Assam mein hai — 1962 mein establish hui. [Q14]

15. Refinery-State Match (Haldia-WB, Jamnagar-Gujarat, Kochi-Kerala, Numaligarh-Assam)

- Match: Haldia — West Bengal, Jamnagar — Gujarat, Kochi — Kerala, Numaligarh — Assam. [Q15]

16. Refinery-State Match (Numaligarh-Assam, Tatipaka-AP, Koyali-Gujarat, Barauni-Bihar)

- Match: Numaligarh — Assam, Tatipaka — Andhra Pradesh, Koyali — Gujarat, Barauni — Bihar. [Q16]

17. Tatipaka Oil Refinery — Andhra Pradesh (ONGC)

- Tatipaka Oil Refinery Konaseema region, Andhra Pradesh mein hai — ONGC (Oil and Natural Gas Corporation) ne establish ki. [Q17, Q18]

18. Tatipaka Oil Refinery — Location Confirmation

- Tatipaka Oil Refinery Andhra Pradesh mein hai. [Q18]

19. Refinery-State Match (Noonmati-Assam, Koyali-Gujarat, Mangalore-Karnataka, Panipat-Haryana)

- Match: Noonmati — Assam, Koyali — Gujarat, Mangalore — Karnataka, Panipat — Haryana. [Q19]

20. Refinery-State Match (Tatipaka-AP, Koyali-Gujarat, Nagapattinam-TN, Numaligarh-Assam)

- Match: Tatipaka — Andhra Pradesh, Koyali — Gujarat, Nagapattinam — Tamil Nadu, Numaligarh — Assam. [Q20]

21. Koyali Refinery — Set up by IOCL (Not HPCL, Wrong-Pair)

- Bina(MP)-BPCL, Tatipaka(AP)-ONGC, Digboi(Assam)-IOCL sahi hain — 'Koyali(Gujarat)-HPCL' GALAT hai (Koyali ko IOCL ne set up kiya tha, HPCL ne NAHI). [Q21]

⚠ EXAM TRAP — Koyali Refinery — IOCL ne set up ki thi, HPCL ne NAHI

22. Refinery-State Match (Barauni-Bihar, Bongaigaon-Assam, Bina-MP, Koyali-Gujarat)

- Match: Barauni — Bihar, Bongaigaon — Assam, Bina — Madhya Pradesh, Koyali — Gujarat. [Q22]

23. Koyali Refinery — Gujarat

- Koyali refinery Gujarat mein sthith hai. [Q23]

24. Cauvery Onshore Basin (Tamil Nadu) — Recent Commercial Oil Production

- Map par label '3' wali jagah Cauvery onshore basin, Tamil Nadu hai — yahan mineral oil ka commercial production shuru hua tha. [Q24]

25. Mangla-Bhagyam-Aishwarya — Barmer-Sanchore Basin Oil Fields

- Mangla, Bhagyam aur Aishwarya Barmer-Sanchore basin (Rajasthan) mein khoje gaye oil fields hain — Mangla field India ka sabse bada onshore hydrocarbon field maana jaata hai. [Q25]

26. NELP/JV/Nomination/CBM Blocks — Petroleum Exploration

- 14 NELP Blocks, 1 JV Block, 2 Nomination Blocks aur 4 CBM Blocks petroleum exploration (khoj) se related hain. [Q26]

27. Hydrogen Vision-2025 — Petroleum Products Warehousing

- 'Hydrogen Vision-2025' petroleum products ke warehousing (bhandaran) se related hai. [Q27]

28. Strategic Petroleum Reserves — Vizag, Mangalore, Padur (Not Ankleshwar)

- India Strategic Petroleum Reserves Ltd (ISPRL) ne Visakhapatnam, Mangaluru, Padur teen jagahon par underground crude-oil storage banaye — Ankleshwar is list mein shamil NAHI hai. [Q28]

⚠ EXAM TRAP — Strategic Petroleum Reserves — Vizag/Mangalore/Padur mein hain, Ankleshwar mein NAHI

29. Oil Exploration — Oil India Ltd. (+ ONGC)

- India mein tel exploration ka kaam Oil India Ltd karta hai — ONGC (Oil and Natural Gas Corporation) bhi is field mein key player hai. [Q29]

30. HBJ Pipeline — Transports Gas from South Basin (Bombay High)

- HBJ pipeline **South Basin (Bombay High ke coastal area mein sthith)** se natural gas transport karti hai. *[Q30]*

31. HBJ Pipeline — Built by GAIL

- Hajira-Bijapur-Jagdishpur (HBJ) Gas Pipeline **Gas Authority of India Limited (GAIL)** ne banayi hai. *[Q31]*

32. HVJ Pipeline Pumping Stations — Aonla/Auraiya/Babrala/Guna (Disputed)

- Integrated HVJ natural gas pipeline ke **Aonla, Auraiya, Babrala, Guna** sab jagahon par **fold pumping stations hain** — isliye ek option choose karna sahi nahi hai, disputed question hai. *[Q32]*

33. Reliance's Natural Gas Discovery — Coastal Andhra (KG Basin)

- Krishna-Godavari Basin (KG Basin, Andhra Pradesh ke coastal areas mein ~50,000 sq km) ke **D-6 block** mein **Reliance Industries** ne 2002-03 mein India ka sabse bada natural gas reserve discover kiya. *[Q33]*

34. KG-D6 Basin — Large Natural Gas Reserves (2009 News)

- KG-D6 Basin (April 2009 se news mein) **natural gas ke vishaal reserves ke liye prasiddh hai**. *[Q34]*

35. Natural Gas Production — Bombay High (Western Offshore, 64%)

- India ka zyadatar natural gas production **western offshore regions**, khaaskar **Bombay High Complex** se aata hai — **offshore areas ka 64% share hai**, phir Assam (10%), Rajasthan (7%). *[Q35]*

36. Bombay High Oil Field — 160km Off Mumbai Coast (Not 60km)

- Bombay High (Mumbai High) offshore oil field **Mumbai coast se 160km door hai (60km NAHI)** — 1965 mein discover hua, pehla oil well 1974 mein khoda gaya, **Russian-Indian team** ne saath mein discover kiya — ONGC operations chalata hai. *[Q36]*

⚠ EXAM TRAP — Bombay High — Mumbai coast se 160km door hai, 60km NAHI

37. Shale Gas Basins — Cambay, Cauvery, Krishna-Godavari (All Correct)

- Shale gas resources India ke **Cambay Basin, Cauvery Basin, aur Krishna-Godavari Basin** teeno mein paaye jaate hain — 4th priority basin **Damodar Valley** bhi hai. *[Q37]*

38. Fossil Fuels — Coal/Petroleum/Diesel/Petrol (Not Wood)

- Fossil fuels (lakho saal purane dabe hue plants-animals ke avshesh) ke examples: **Coal, Petroleum, Diesel, Kerosene, Natural Gas** — **Wood fossil fuel NAHI hai (ye biofuel hai)**. *[Q38]*

⚠ EXAM TRAP — Wood — Biofuel hai, Fossil Fuel NAHI

39. Pipeline Length Ranking — HBJ Gas Pipeline Longest (Disputed)

- Pipeline lengths (recent data): **Hazira-Bijapur-Jagdishpur gas pipeline — 6718 km (sabse lambi)**, Salaya-Koyali-Mathura — 2663 km, Jamnagar-Loni (LPG) — 1427 km, Kandla-Bhatinda — 1413 km —

Chhattisgarh PSC ne option (c) diya tha jo updated lengths ke hisaab se galat hai, isliye disputed question hai.

[Q39]
