

HYDROELECTRICITY — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Koyna — India's Largest Hydroelectric Plant
2. Rana Pratap Sagar — Rawatbhata (Canada Cooperation)
3. Jawahar Sagar — Chambal River, Rajasthan
4. Hydroelectric Share in Total Power (~10%)

| 1. Koyna — India's Largest Hydroelectric Plant

- Koyna Hydroelectric Project (Maharashtra, Koyna river par) **India ka sabse bada hydroelectric plant hai** — **Maharashtra State Electricity Board se operate hota hai.** [Q1]

| 2. Rana Pratap Sagar — Rawatbhata (Canada Cooperation)

- Rana Pratap Sagar Hydel Power Station **Rawatbhata (Rajasthan), Chambal river par hai** — **Canada ke cooperation se establish hui thi.** [Q2, Q4]

| 3. Jawahar Sagar — Chambal River, Rajasthan

- Jawahar Sagar Hydroelectricity Project **Chambal river (Rajasthan)** par hai — Chambal Valley Development Plan ka hissa hai. [Q3]

| 4. Hydroelectric Share in Total Power (~10%)

- Jab question pucha gaya tha (2016-17), hydroelectric power ka **total electricity mein 10.6% share** tha — 31 Dec 2024 tak **total installed capacity 462001.66 MW**, jisme hydroelectric ka **contribution 46968.17 MW** hai. [Q5]
