

STATES — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. City-State Location Facts (Latur, Vidarbha, Pat, Jhumri Telaiya)
2. State Nicknames (Kohinoor, Silicon State, Scotland of East)
3. Manipur — Topography & Phumdi
4. City-State Match Pairs (Common Wrong Pairs)
5. NCR (National Capital Region) — Included Districts
6. J&K Map Places & Border-Touch Statements
7. State Area Rankings — Largest & Smallest
8. West-to-East City Sequences
9. State Border-Sharing Facts
10. Rajasthan Desert — Key Facts
11. Special State Characteristics (Forest Cover, Seven Sisters)
12. Andhra Pradesh — Capital History
13. Districts — Largest by Count & Area
14. State Capitals — Common Match Pairs & Traps
15. Planned Capital Cities
16. Madhya Pradesh — Border Facts
17. Chhattisgarh — Geomorphological Region

1. City-State Location Facts (Latur, Vidarbha, Pat, Jhumri Telaiya)

- Location facts yaad rakho: **Latur** — Maharashtra district; **Vidarbha** — Maharashtra ka north-eastern region (Nagpur, Amravati divisions); **Pat region** — Jharkhand (Chotanagpur, high hill peaks); **Jhumri Telaiya** (radio-song-request wala famous city) — Jharkhand (Koderma district). [Q1, Q2, Q3, Q4]

2. State Nicknames (Kohinoor, Silicon State, Scotland of East)

- Nicknames: **Andhra Pradesh** — 'Kohinoor of India' (Kollur mine se Kohinoor diamond mila); **Karnataka** — 'Silicon State of India' (Bengaluru India ki Silicon Valley hai); **Shillong** (Meghalaya) — 'Scotland of the East'. [Q5, Q8, Q9, Q52]

3. Manipur — Topography & Phumdi

- Manipur ki topography mostly **mountainous** hai (hills ~90% area, valleys ~10%). Loktak Lake mein floating islands ko '**Phumdi**' kaha jaata hai — yahan endangered deer species **Sangai** paayi jaati hai. [Q6, Q7]

4. City-State Match Pairs (Common Wrong Pairs)

- Sahi pairs: **Palanpur** — Gujarat, **Hubli** — Karnataka, **Guntur** — Andhra Pradesh, **Aurangabad** — Maharashtra (Aurangabad ab Chhatrapati Sambhaji Nagar hai). [Q10]
- 'Malnad' region **Karnataka** mein hai (**Andhra Pradesh** mein NAHI) — ye dense forest wala area hai. [Q11]

EXAM TRAP — Malnad — Karnataka mein hai, Andhra Pradesh ke saath galat pair kiya jaata hai

5. NCR (National Capital Region) — Included Districts

- NCR mein currently: **Delhi + Haryana sub-region (14 districts incl. Rohtak, Karnal) + U.P. sub-region (8 districts) + Rajasthan sub-region (Alwar, Bharatpur)**. **Khurja NCR ka hissa NAHI hai** (wo U.P. ke Bulandshahar district ka city hai) — **Punjab bhi NCR ka hissa NAHI hai**. [Q12, Q13]

6. J&K Map Places & Border-Touch Statements

- J&K map labeling: **Baramula → Srinagar → Anantnag → Kargil** (typical A-B-C-D order). [Q15]
- Statement facts (present-day): **M.P. ki boundary 5 states ko touch karti hai (7 NAHI — 1993 mein 7 tha); Bhopal Tropic of Cancer ke South mein hai (North mein NAHI); Punjab, J&K ki boundary ko touch karta hai; Arunachal Pradesh mein 2 national parks hain (Mouling, Namdapha) — 'koi nahi' wala statement GALAT hai**. [Q16]

7. State Area Rankings — Largest & Smallest

- Area descending order (Census 2011): **Rajasthan (3,42,239) > Madhya Pradesh (3,08,252) > Maharashtra (3,07,713) > Uttar Pradesh (2,40,928) > Andhra Pradesh-post-bifurcation (1,60,205) > Karnataka (1,91,791) > Tamil Nadu (1,30,060) > Bihar (94,163)**. Top 3 states (Rajasthan, MP, Maharashtra) India ke total area ka ~30% cover karte hain. [Q17, Q18, Q19, Q21, Q22, Q24]
- Small-hill-states area order: **Chhattisgarh (1,35,192) > Jharkhand (79,716) > Himachal Pradesh (55,673) > Uttarakhand (53,483, sabse chhota in is set)**. [Q23, Q25]
- Population vs Area rank mismatch: **Maharashtra — population mein 2nd, area mein 3rd; Bihar — population mein 3rd, area mein 12th**. [Q20, Q26]

8. West-to-East City Sequences

- West-to-east cities: **Bikaner (Rajasthan) → Aligarh (U.P.) → Darbhanga (Bihar) → Nagaon (Assam)**. [Q14]

9. State Border-Sharing Facts

- Uttar Pradesh **8 states + 1 UT (Delhi)** ko touch karta hai — **Punjab NAHI** (common wrong option); sahi list: Uttarakhand, Himachal, Haryana, Rajasthan, M.P., Chhattisgarh, Jharkhand, Bihar. **UP sabse zyada states ko touch karta hai poore India mein**. [Q27, Q49]
- Assam **7 states** se ghira hai (WB, Nagaland, Mizoram, Meghalaya, Arunachal, Manipur, Tripura) — koi UT nahi. Chhattisgarh **Bihar se border NAHI karta** (Bihar galat option hai; sahi border-states: UP, MP, Odisha, Jharkhand, AP, Maharashtra, Telangana). [Q28, Q29]
- South India border-sharing comparison: **Karnataka sabse zyada states (6: AP, Telangana, Maharashtra, Goa, Kerala, TN) ko touch karta hai** — Kerala sirf 2 (Karnataka, TN), Tamil Nadu 3 (Kerala, Karnataka, AP) ko touch karte hain. [Q38]
- Telangana **Andhra Pradesh, Karnataka, Maharashtra, Chhattisgarh** se border karta hai. [Q39]
- Sonbhadra district (U.P.) **4 states (M.P., Chhattisgarh, Jharkhand, Bihar)** ki boundary touch karta hai — Mirzapur se 1989 mein separate hua tha. [Q37]

- Madhya Pradesh **Uttar Pradesh** se **sabse lambi border share karta hai** (baaki borders: Chhattisgarh, Maharashtra, Gujarat, Rajasthan) — **Jharkhand M.P. ki boundary touch NAHI karta** (common wrong option). [Q50, Q53]

10. Rajasthan Desert — Key Facts

- Rajasthan ka desert **duniya ka sabse dense-populated desert** hai (density 83/sq km) — ~10,000 saal purana, sirf **40-60% area hi farming ke liye suitable** hai. Irrigation development ki wajah se net-sown-area badhne se grazing land coverage par ulta effect pada hai. [Q30, Q31]
- Cities' sea-level altitude comparison: **Bengaluru (~920m) sabse ooncha hai** — Delhi, Jodhpur, Nagpur se zyada (options mein diye jaane par). [Q30]

11. Special State Characteristics (Forest Cover, Seven Sisters)

- Ye characteristics **Arunachal Pradesh** ki hain: 28°N latitude (Northern Rajasthan ke saath same), **~80% area forest cover** ke andar, **~12%+ forest Protected Area Network** ka hissa. [Q32]
- 'Seven Sisters' North-East states: **Arunachal Pradesh, Assam, Meghalaya, Manipur, Mizoram, Nagaland, Tripura** — **West Bengal isme SHAMIL NAHI** hai (common wrong-option trap). [Q33]

12. Andhra Pradesh — Capital History

- Andhra state ki history: **Potti Shriramulu ne 1952 mein fast-unto-death kiya** separate linguistic-state ke liye → 1953 mein **Kurnool** pehli capital bani → 1956 mein **Hyderabad** capital bani → 2014 bifurcation ke baad **Amaravati de facto capital** hai (Hyderabad 10 saal tak dono states ki de jure capital rahegi). [Q34]

13. Districts — Largest by Count & Area

- Sabse zyada districts wala state **Uttar Pradesh (75 districts, as of March 2025)** hai — M.P. (55), Tamil Nadu (38), Maharashtra (36) se zyada. [Q35]
- Area ke hisaab se sabse bada district **Kutch/Kachchh, Gujarat (45,674 sq km)** hai — order: **Kutch > Leh (45,100) > Jaisalmer (38,401) > Barmer (28,387)**. [Q36]

14. State Capitals — Common Match Pairs & Traps

- Northeast state-capital pairs (common confusion traps): **Assam — Dispur (Shillong NAHI)**, **Meghalaya — Shillong (Kohima NAHI)**, **Mizoram — Aizawl**, **Nagaland — Kohima (Guwahati NAHI)**, **Arunachal Pradesh — Itanagar**, **Manipur — Imphal (Aizawl NAHI)**. [Q40, Q45, Q47, Q48]

⚠ EXAM TRAP — Manipur ki capital Imphal hai, Aizawl NAHI (Aizawl Mizoram ki capital hai) — bahut common confusion

- Baaki common capitals: **Gujarat — Gandhinagar**, **Rajasthan — Jaipur (Pink City, Hawa Mahal)**. [Q41, Q42]
- Itanagar — Arunachal Pradesh ki capital hai. Telangana India ka **29th state** hai, capital **Hyderabad** (J&K reorganisation ke baad ab India mein 28 states hain). [Q43, Q44]

15. Planned Capital Cities

- Planned capital cities: **Chandigarh, Bhubaneswar, Gandhinagar** — **Bengaluru planned city NAHI hai** (organically grow hua tha). *[Q46]*

| 16. Madhya Pradesh — Border Facts

- M.P. current borders: **Uttar Pradesh, Chhattisgarh, Maharashtra, Gujarat, Rajasthan** (5 states) — **longest border U.P. ke saath hai**. *[Q50, Q53]*

| 17. Chhattisgarh — Geomorphological Region

- Chhattisgarh India ke '**Peninsular Upland**' geomorphological region ke andar aata hai — Northern plain/mountain ya Coastal plain mein NAHI. *[Q51]*
