43. Tribe Determination Basis — Cultural Specification & Isolated Habitation

1. Tribe-State Match Pairs (Jarawa, Kukki, Tharu, Gond)

- Sahi tribe-state match: **Jarawas — Andaman and Nicobar, Kukkis — Manipur, Tharus — Uttar Pradesh (Terai), Gonds — Madhya Pradesh** (Chhattisgarh, Jharkhand, Karnataka, Maharashtra, Odisha mein bhi hain). Jarawas, Sentinelese aur Onges — sab Andaman-Nicobar ki main tribes hain. *[Q1]*
- Match pairs mein **Munda ko ab 'original Bihar tribe' nahi maana jaata** — wo mainly Jharkhand, Odisha, West Bengal mein hai. **Tharu — Uttarakhand** sahi pair hai (Bhutia-UP aur Kol-Rajasthan GALAT hain). *[Q8]*

2. Racial Groups — Mongoloid, Proto-Australoid, Dravidian

- 'Yellow complexion, oblique eyes, high cheekbones, sparse hair, medium height' — ye **Mongoloids** ki description hai (originally America ke inhabitants the, ab NE aur SE Asia mein hain). North-east India ke pahadi/jangli areas mein **Mongoloid race** milti hai. *[Q2, Q3]*
- Santhal, Bhil, Yeruva jaisi major tribes **Proto-Australoid (pre-Dravidian) race** se hain. *[Q4]*
- Dravidian races mainly **South India** tak limited hain (Tamil, Kannada, Malayalam, Telugu language family se related) — central/southeast India mein bhi kuch milti hain. *[Q5]*

3. Only Anthropoid Ape of India — Hoolock Gibbon

- India ka ekmatra **anthropoid ape 'White-browed Gibbon' (Hoolock Gibbon)** hai — Assam (north-east region) mein paaya jaata hai. *[Q6]*

4. States With No Scheduled Tribes

- 2011 census ke anusaar **Punjab, Haryana, Chandigarh, NCT Delhi, Puducherry** mein **koi bhi Scheduled Tribe identified NAHI** hai. *[Q7]*

5. Tharu Tribe — Diwali as Mourning Festival

- Tharu tribe (Uttarakhand ke Nainital se lekar U.P.-Bihar ke Terai tak) Hinduism follow karti hai aur saare festivals manati hai — lekin **Diwali ko apne poorvajon (ancestors) ki yaad mein shok/mourning ke roop mein manate hain** — ye ek repeatedly-asked fact hai. *[Q9, Q10, Q11]*
- Tharu tribe **Uttarakhand aur Uttar Pradesh (Bihar bhi)** mein rehti hai — **Uttarakhand ki sabse badi tribe hai (2011 census)**. *[Q12, Q13]*

6. Gaddi Tribe — Dhauladhar Range

- Gaddi tribe **Himachal Pradesh ki Dhauladhar Range (Kangra, Chamba districts)** mein rehti hai — ek **semi-nomadic, pastoral tribe** hai. *[Q15, Q16]*

7. World Deserts — Odd Pair Trap (Kalahari)

- Desert-continent match: **Gobi-Mongolia, Thar-India, Sahara-Africa** sahi hain — **Kalahari-America GALAT hai** (Kalahari actually Africa mein hai — Botswana, Namibia, South Africa). *[Q17]*

8. Santhal — Region, Marriage Customs

- Santhals **Eastern India (West Bengal, Bihar, Jharkhand, Odisha, Tripura)** ke original inhabitants hain — **Chhattisgarh se match karna GALAT hai** (common wrong-pair trap). [Q18, Q19]

⚠ **EXAM TRAP — Santhal — Jharkhand/West Bengal/Odisha se match hota hai, Chhattisgarh se NAHI**

- Santhals mein shaadi ko '**Bupla**' kaha jaata hai — iske types hote hain: Sanga Bupla, Kirin Bupla, Itut Bupla, Nir Bolok Bupla. [Q20]

9. Transhumance — Bhotia Tribe

- 'Transhumance' (ऋतुप्रवास — seasonal migratory pastoralism) **Bhotias** (Uttarakhand ke pahadi region) dwara practice ki jaati hai — Bhoksa, Jaunsari, Tharu sab **permanent settlers hain (transhumance NAHI karte)**. [Q21]

10. Bodo & Garo Tribes — Assam-Meghalaya

- Bodo tribe **Garo Hills region (Assam-Meghalaya)** mein rehti hai. Garo tribe mainly **Meghalaya** mein hai, par Assam, Nagaland, WB, Tripura, Mizoram mein bhi significant population hai — isliye single-option match karna disputed ho jaata hai. [Q22, Q23]
- Khasi aur Garo language-speaking population mainly **Meghalaya** mein hai — Assam mein bhi milti hai (isliye dono options technically sahi ho sakte hain). [Q24]

11. Tribes Found/Not Found in Kerala

- Chenchu tribe mainly **Andhra Pradesh-Telangana (Nallamala area)** mein hai — **Kerala ki native tribe NAHI mani jaati** (Lepcha-Sikkim, Dafla-Arunachal, Dafar-Gujarat — inme se koi bhi Kerala se related nahi hai, isliye ye question disputed hai). [Q25]

12. Largest Tribe of India (Bhil vs Gond — Census Year Trap)

- India ki **sabse badi tribe — 2011 census ke anusaar Bhil (1,70,71,049 population)** hai. Purane exams (2000-2013 se pehle) mein **Gond ko sabse badi tribe maana jaata tha** — agar options mein 'Bhil' na ho, to 'Gond' sahi answer ban jaata hai. [Q26, Q27, Q28, Q29]

⚠ **EXAM TRAP — Bhil ab sabse badi tribe hai (2011 census) — Gond dusre number par; purane exams mein Gond hi sahi tha**

13. Toda Tribe — Nilgiri Hills & Polyandry

- Toda tribe **Nilgiri Hills (Tamil Nadu)** mein rehti hai — khud ko **Aryans ke vanshaj** maante hain, aur traditionally **fraternal polyandry** practice karte hain (ek mahila poore parivar ke saare bhaiyon se shaadi karti hai). [Q30, Q31, Q33, Q40]

14. Ho Tribe — Marriage Forms (Andi, Oportipi)

- 'Andi' aur 'Oportipi' marriage forms **Ho tribe** se related hain — **Andi = negotiation se shaadi, Oportipi = capture (apharan) se shaadi**. [Q32]

15. Sarhul Festival & Oraon's Ghumkaria

- Sarhul Festival **Jharkhand ki Oraon, Munda, Santhal, Ho tribes** manati hain — Chaitra-Jeth (June) mahine mein, naye saal ki shuruaat ka pratik, ped-poojan is festival ki khaasiyat hai. [Q34, Q35]
- 'Ghumkaria' (ya Dhumkuria) — **Oraon tribe** ka 'youth dormitory' social institution hai, jahan youth ko social-cultural-religious training di jaati hai. [Q36]

16. Largest Scheduled Tribe of Uttarakhand

- Uttarakhand ki sabse badi Scheduled Tribe **Tharu (91,342 — 2011 census)** hai — **Jaunsari (88,664)** dusre number par hai (purane 2005-era exams mein Jaunsari ko sabse badi maana jaata tha). [Q37]

17. Mizoram Settlement Pattern — Linear Along Ridges

- Mizoram mein settlements zyadatar **ridges (pahaadi shikharon)** ke saath **linear pattern** mein hote hain — kyunki raat ko **thandi hawa neeche valleys mein utarti hai (temperature inversion)**, isliye valleys ridges se zyada thandi aur kam rehne-layak ho jaati hain. [Q38]

18. Tribe-State Disputed Match Pairs (Bhotia/Bhotiya Confusion)

- 'Bhotia' aur 'Bhutia' do alag spellings/tribes ka confusion hota hai — **Bhotia/Bhotiya — Uttar Pradesh/Uttarakhand mein hai (sahi)**, jabki **Bhutia — Sikkim/West Bengal mein hai**. Isi wajah se kayi match-pair questions disputed ban jaate hain. [Q39, Q43]

⚠ EXAM TRAP — Bhotia (UP/Uttarakhand) aur Bhutia (Sikkim/WB) — spelling milta-julta hai par alag tribes hain

19. State Festival Match Pairs (Onam-Kerala, Sikkim Language)

- Festival-state match: **Bihu-Assam, Pongal-Tamil Nadu, Baisakhi-Punjab sahi hain — Onam-Kerala hai, Andhra Pradesh NAHI** (common wrong-pair). [Q41]
- Sikkim ki main languages **Nepali, Sikkimese (Bhutia), Lepcha** hain — 'Tibetan' Sikkim ki main language **NAHI hai** (common wrong-pair). [Q42]

20. Bhil Tribe — Region & Match Pairs

- Bhil tribe **Rajasthan, M.P., Gujarat, Maharashtra** (western-central India) mein failii hui hai — exam options mein jo bhi in states mein se ek diya jaaye, sahi answer ban sakta hai (Rajasthan sabse zyada associate kiya jaata hai). [Q44]

21. Polyandry-Practicing Tribes (Jaunsari, Toda)

- Polyandry practice karne wali tribes: **Jaunsari (Uttarakhand) aur Toda (Tamil Nadu, Nilgiri Hills)** — Gonds aur Nagas polyandry NAHI karte. [Q45]

22. Common Tribe-State Match Sets (Repeated Pattern)

- Bahut baar dohraya jaane wala match-set: **Birhor — Jharkhand, Bhutia — Sikkim, Toda — Tamil Nadu, Sentinelese — Andaman-Nicobar, Lepcha — Sikkim, Garo — Meghalaya**. [Q47, Q48]

- Dusra common set: Tharu — UP/Uttarakhand, Bhil — Rajasthan, Gaddi — Himachal Pradesh, Munda — Jharkhand, Jarawa — Andaman-Nicobar. [Q49, Q50]
- Teesra set: Jaunsari — Uttarakhand, Santhal — Jharkhand, Bhil — Madhya Pradesh, Lepcha — Sikkim. [Q52]
- Chautha set (Rajasthan-Sikkim wala): Bhil — Rajasthan (ya M.P.), Raji — Uttarakhand, Lepcha — Sikkim, Santhal — Jharkhand. [Q46]

23. Sahariya Tribe — Rajasthan PVTG

- Sahariya tribe (PVTG — Particularly Vulnerable Tribal Group) Rajasthan ke Baran district (aur M.P. ke kuch hisson) mein rehti hai — severe malnutrition aur starvation deaths ki wajah se news mein rahi hai. [Q51]

24. MP Regional Tribes — District Match Pairs

- Madhya Pradesh ke tribe-district match pairs: Pahadi Korwa — Jashpur, Baiga — Mandala, Bharia/Maria — Patalkot (Chhindwara), Sahariya — Gwalior division. [Q54]
- Ek aur MP set: Chhindwara — Bharia, Mandala — Gond, Jhabua — Bhil, Shivpuri — Sahariya. [Q63]
- Anya region-tribe match: Moplah — Kerala (Muslim community, tribe nahi), Murias — Bastar (Chhattisgarh), Todas — Tamil Nadu, Mundas — Odisha/Jharkhand. [Q55, Q56]

25. Tribal Population Distribution — Central vs NE India

- India ki 80%+ tribal population Central India (MP, Maharashtra, Odisha, Gujarat, Rajasthan, Jharkhand, Chhattisgarh) mein rehti hai — North-East India sirf ~11-12% tribal population ka hissa hai (aadhi se zyada NAHI) — ye ek common misconception/trap hai. Constitution mein Scheduled Tribe ki koi explicit definition nahi hai. [Q57]

26. Middle-India Tribes vs South-India Tribes (Kadar Trap)

- Middle (Central) India ki tribes: Baiga, Muria, Kharia — Kadar middle-India ki tribe NAHI hai (Kerala-Tamil Nadu ke pahadi ilaakon mein hai — South India). [Q58]

27. Changpa Community — Ladakh, Pashmina Goats

- Changpa community Ladakh ke Changthang region (semi-nomadic Tibetan people) mein rehti hai — Uttarakhand mein NAHI (common wrong statement). Ye Changthangi (Pashmina) goats palte hain jinse rare Pashmina wool milti hai, aur 1989 mein officially Scheduled Tribe recognize kiye gaye the. [Q59]

28. Wrong-Pair Traps (Korwa-Kodagu, Lambada-MP, Zulu-Odisha)

- Common wrong-pairs: Korwa (Korba) — Jharkhand/Chhattisgarh se related hai, Kodagu (Karnataka) se NAHI; Lambada (Banjara) — Andhra Pradesh/Telangana/Maharashtra/Karnataka mein hai, Madhya Pradesh se traditionally NAHI jodi jaati; Zulu — South Africa ki tribe hai, Odisha (India) mein NAHI. [Q60, Q61, Q62]

⚠ EXAM TRAP — Zulu (South Africa), Lambada (AP/Telangana/Maharashtra/Karnataka), Korwa (Jharkhand/Chhattisgarh) — teeno common wrong-pair traps hain

29. Andaman-Nicobar Native Tribes (Onge, Shompen, Jarawa)

- Andaman-Nicobar ki native tribes: **Onge, Shompen, Halchu** — Rengma isme **SHAMIL NAHI** hai (ye ek **Naga tribe** hai, Nagaland-Assam mein). [Q64]
- Onge tribe **Little Andaman Island** ke west mein rehti hai. Shompen tribe **Great Nicobar Island** ke interior mein rehti hai (2011 census population sirf 229). [Q65, Q66]
- Jarawa tribe **South aur Middle Andaman Islands** mein rehti hai — **Supreme Court** ne tourists ko **Jarawa areas** mein jaane se ban kiya tha unki suraksha ke liye. Jarawa **Nicobar Island** mein **NAHI** hain (common trap — Jarawa South/Middle Andaman mein hain, Nicobar mein nahi). [Q67, Q68]

30. Most Primitive Tribe of India — Jarawa

- India ki **sabse primitive (aadim) tribe 'Jarawa'** hai — Andaman-Nicobar mein paayi jaati hai, unhone bahari logon se interaction largely reject kiya hai aur **traditional hunter-gatherer lifestyle** maintain kiya hai. Jarawa **South aur Middle Andaman** mein rehti hai (Nicobar mein exam-commission ne kabhi-kabhi accept kiya hai as closest option, lekin technically South/Middle Andaman sahi hai). [Q68, Q69, Q70]

31. Manganiyars — Musical Tradition of Rajasthan

- Manganiyars ek **Muslim community** hai **Rajasthan** ke **registan (North-West India)** mein — apni **classical folk musical tradition** ke liye famous hai. Pakistan ke Sindh province (Tharparkar, Sanghar districts) mein bhi paaye jaate hain. [Q71]

32. PVTGs (Primitive Vulnerable Tribal Groups) of Jharkhand

- Jharkhand ke 9 PVTGs: **Asur, Birhor, Birajia, Korwa, Pahadi Khariya, Parahiya (Baiga), Sabar, Mal Pahariya, Souriya Pahariya** — Korwa inme se ek hai (Kawar, Kora, Karmali PVTG list mein **NAHI** hain). [Q72]

33. Jhum/Shifting Cultivation & Occupational Tribes

- Jhoom (shifting/slash-and-burn) cultivation **Khasi tribe (Meghalaya)** द्वारा practice ki jaati hai. [Q73]
- Occupation-based tribe names: **Khairwar** — 'Catechu/Kattha' (Hindi mein 'Khair') banate hain; **Kamar tribe** — traditional livelihood 'Bamboo' (basket-making) par based hai; **Bhunja tribe** — 'Lal Bangala' naam ki sacred red-clay-painted kitchen rakhte hain; **Ojha (Badni, Dewar bhi)** — tattoo/godna banane wali tribes hain; **Agaria** — iron-smelting occupation, 'Lohasur' devta ki pooja karte hain. [Q74, Q79, Q80, Q83, Q90]
- Baiga tribe (Chhattisgarh ki sabse zyada population wali PVTG) '**Bilama dance**' karte hain, khaaskar Vijayadashami (Dussehra) ke time. [Q81, Q82]
- 'Gahira Guru' (asli naam Swami Rameshwar Kanwar) **Kanwar tribe** se the — ek social reformer jinhone spirituality failaakar tribal world ko badla. [Q91]

34. Common Tribe-State Match Sets (Gaddi, Toda, Khasi, Naga)

- Repeated match-set: **Gaddis — Himachal Pradesh, Todas — Tamil Nadu, Khasis — Meghalaya, Naga — Manipur/Nagaland region.** [Q78]

40. Kaathi — Folk Dance (Not a Tribe)

- 'Kaathi' ek **folk dance/folk theatre form** hai (tribe ya caste NAHI) — Madhya Pradesh ke Nimar region mein Balahi Harijan community ka festival hai, Maa Parvati ki pooja ke liye. [Q92]

41. Final Disputed Match Set (Kuki, Yanadi, Palliyan)

- Ek disputed match set: **Kuki North-East India mein hai (UP mein NAHI), Yanadi Andhra Pradesh mein hai (Rajasthan mein NAHI) — dono galat pairs hain. Kharia (spelled 'Keria') Odisha mein hai, Palliyan Tamil Nadu mein hai — spelling ambiguity ki wajah se ye question disputed maana jaata hai.** [Q93]

42. Tribe-State Pair Verification (Limbu-Sikkim, Dongaria Kondh-Odisha)

- Sahi pairs: **Limbu** — Sikkim (WB/Nepal/Bhutan/Tibet mein bhi), **Dongaria Kondh** — Odisha — 'Karbi-Himachal Pradesh' GALAT hai (Karbi mainly Assam mein hai), 'Bonda-Tamil Nadu' bhi GALAT hai (Bonda Odisha mein hai). [Q14]

⚠ EXAM TRAP — Karbi tribe — Assam mein hai, Himachal Pradesh mein NAHI; Bonda tribe — Odisha mein hai, Tamil Nadu mein NAHI

43. Tribe Determination Basis — Cultural Specification & Isolated Habitation

- India mein Scheduled Tribe ke roop mein kisi community ko determine karne ka aadhar **cultural specification aur alag (isolated) habitation** hai — primitive traits, distinctive culture, geographical isolation, community se contact mein sharm, backwardness jaise criteria follow hote hain. [Q53]
