Chapter 02_v_The_Tropic_of_Capricorn

Topic Index

1. Earth's Motion — Rotation/Revolution Statements
2. Tropic of Capricorn — Countries
3. Capricorn Vertical Sun aur India ka Winter

Earth's Motion — Rotation/Revolution Statements

- Statement check: 'Rotation west-east se seasonal changes' — **GALAT** (seasons axial tilt + revolution se hote hain); 'Revolution se day-night' bhi **GALAT** (day-night rotation se hota hai) — dono statements incorrect. [Q1]

Tropic of Capricorn — Countries

- Tropic of Capricorn in countries se guzarti hai: **Brazil, Australia, Paraguay, Madagascar, Argentina, Mozambique, Chile, South Africa**, French Polynesia, Tonga, Botswana, Namibia. [Q2, Q3]
- **Bolivia** se Tropic of Capricorn **NAHI** guzarti (South America mein hone ke bawajood). [Q2]

EXAM TRAP

- Bolivia South America mein hai lekin Capricorn line se **nahi guzarti** — Chile, Brazil, Argentina, Paraguay se guzarti hai, Bolivia se nahi. [Q2]

Capricorn Vertical Sun aur India ka Winter

- Jab Sun Tropic of Capricorn pe vertically chamakta hai, India ke North-West mein **High Pressure** develop hota hai (winter conditions, landmass Arabian Sea se colder ho jaata hai). [Q4]
