

Origin of the Earth — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Chapter 02_vii_Origin_of_the_Earth

Topic Index

1. Earth ki Origin Theories — Scholars
2. Earth ki Age Determine Karne ka Method

Earth ki Origin Theories — Scholars

- **O. Schmidt (Otto Schmidt)** ne suggest kiya ki Earth gases aur dust particles se bani (Interstellar Dust Hypothesis). [Q1]

⚠ EXAM TRAP

- James Jeans & Jeffreys = **Tidal Hypothesis**; F. Hoyle & Littleton = **Nova Hypothesis**; Otto Schmidt = **Gas-Dust/Interstellar Dust Hypothesis** — teeno scientists ko unki respective theories se match karo. [Q1]

Earth ki Age Determine Karne ka Method

- Earth ki age determine karne ke liye **Uranium Dating** method use hoti hai (Carbon dating fossils ke liye hoti hai, Earth ki age ke liye nahi). [Q2]

⚠ EXAM TRAP

- Carbon dating **fossils/organic material** ki age ke liye hoti hai; Earth ki khud ki age ke liye **Uranium dating** use hoti hai — dono ko mix mat karo. [Q2]
