Countries aur Unke Dependent Territories

- Christmas Island = Australia (Indian Ocean); Greenland = Denmark (self-governing); Martinique = France (Caribbean, overseas department); Santa Cruz de Tenerife = Spain (Canary Islands). Question ke options mein koi single clean match nahi banta, isliye answer (*) **marked** hai. [Q1]

Landlocked Country

- **Bolivia** = South America ka landlocked country (Brazil-N/E, Paraguay-SE, Argentina-S, Chile-SW, Peru-W se bordered) — Suriname, Uruguay, Peru sab coastal hain. [Q2]

Geographic vs Political Continent Mismatch

- **Greenland** geographically **North America** ka part hai lekin politically **Denmark (Europe)** ke Kingdom ke andar self-governing territory hai. [Q3]

Chechnya

- **Chechnya** = Russia ka republic hai, Northern Caucasus region mein — capital Grozny. [Q4]

World Islands — Owner Countries Matching

- Matching: Aleutian Islands–USA, Bear Island–Norway, Greenland–Denmark, Franz Josef Island–Russia. [Q5]

Autonomous Regions — Correct Country Matching

- Correct pairs: Catalonia–Spain, Mindanao–Philippines (dono correct); **Crimea Hungary ka NAHI** (Ukraine ka internationally-recognized part hai, Russia occupy/control karta hai); **Oromia Nigeria ka NAHI** (Ethiopia ka regional state hai). [Q6]

- Match galat hain: Mallorca-Italy (actually **Spain**), Normandy-Spain (actually **France**), Sardinia-France (actually **Italy**) — teeno pairs galat hain, **koi bhi correctly matched nahi**. [Q7]

**EXAM TRAP**

- Crimea **Ukraine** (Russia-occupied) ka hai, Hungary ka NAHI; Oromia **Ethiopia** ka hai, Nigeria ka NAHI — dono common wrong-country traps hain. [Q6]
