19. Island Continent — Australia
20. Grenada — Caribbean Sea
21. Saint-Martin Island — Salt-Pan Resources
22. Highest Number of Islands — Countries
23. Socotra Island
24. Indonesia — Islands West to East
25. Caribbean Sea Islands
26. Polynesia — Islands

Faroe Islands — 'Sheep Islands'

- **Faroe Islands** = 'Sheep Island' kehlate hain — Denmark ka self-governing archipelago (18 rocky/volcanic islands). [Q1]

Largest Islands — World Rankings

- **Greenland (2,166,086 sq km)** = world ka largest island — **New Guinea (785,753)** 2nd, **Borneo (751,929)** 3rd, **Madagascar (587,041)** 4th. [Q3, Q4, Q5]
- Given options mein largest: **New Zealand South Island (150,436 sq km)** — Java (138,794), NZ North Island (114,687), Newfoundland (111,390) se badi. [Q2]

- Given options mein largest: **Borneo (751,929 sq km)** — Madagascar (587,041), Sumatra (472,784), Great Britain (209,331) se badi. [Q9]

Greenland — Facts

- **Greenland** = world ka largest island, **Denmark** ka part hai — capital **Nuuk** (Greenland ka largest city), Nuuk ki sea-level se elevation **1-3 metres**. [Q6,Q7]

Borneo — 3 Countries mein Divided

- **Borneo** = world ka 3rd largest island, Asia ka largest island — **3 countries** mein divided hai: Indonesia (73%), Malaysia (26%), Brunei (1%). [Q8]

Borneo — Countries aur Formation

- Borneo **3 countries** mein divided hai (Statement 1 TRUE) — **volcanic deposition se NAHI** bana (complex tectonic history: continental+oceanic fragments, sedimentary basins, ancient volcanic arcs — Statement 2 FALSE). [Q10]

Kalimantan — Borneo ka Indonesian Part

- **Kalimantan** = **Borneo** island ka Indonesian portion hai (island ka 73% area). [Q11]

Madagascar — Indian Ocean

- **Madagascar** = **Indian Ocean** ka largest island hai (SW Indian Ocean mein) — east mein Mauritius, west mein Mozambique. [Q12]

Indian Ocean Islands — Location Matching

- Seychelles (4-11°S, 45-56°E, 155 islands granite+coral), Chagos (Central Indian Ocean, 4.5-7.5°S/71-73°E, Diego Garcia largest island 44km²), Mauritius (~20°S/57°E), Socotra (Yemen ka part, ~12°30'N/54°E). [Q13]
- Southern Indian Ocean mein located: **Mauritius** (~20°S) — Chagos, Maldives, Seychelles alag positions pe hain. [Q14]
- **Diego Garcia** = **Indian Ocean** mein hai — Portuguese Diego Garcia ne 16th century mein discover kiya, 1814-1965 Colonial Mauritius administer karta tha, phir UK control mein aaya, USA ko lease diya. [Q16]

Melanesia — Solomon Islands

- **Solomon Islands** = **Melanesia** group ka part hain (Pacific Ocean) — Melanesia mein Fiji, New Caledonia, New Guinea, Bismarck Archipelago bhi shamil hain. [Q15]

Indonesia — 14,000+/17,508 Islands

- **Indonesia** = Aceh (far NW) se Torres Strait (east) tak ~5,000 miles phaila hai (London-Baghdad distance ke barabar) — 17,508 islands (~1,000 inhabited). [Q17]

Atlantic Ocean Islands — Map Matching

- Map identification: 1=Azores(Portugal), 2=Cape Verde, 3=Bahamas, 4=Falkland(UK). [Q18]

Falkland Archipelago

- **Falkland Archipelago South Atlantic Ocean** mein hai — Indian Ocean mein NAHI (yeh galat statement hai) — main island South America continent se ~650km east mein hai. [Q19]

Fiji Island

- **Fiji** = **South Pacific Ocean** mein hai — neighbours: Vanuatu(W), Tonga(E), Tuvalu(N) — 333 islands ka archipelago, Viti Levu aur Vanua Levu (2 major islands) mein 87% population. [Q20]

Galapagos Islands

- Galapagos Islands (Pacific Ocean) **volcanic activity** se bane (Statement 1 TRUE) — **Ecuador** ka part hain, Peru ka NAHI (Statement 2 FALSE). [Q21]

EXAM TRAP

- Galapagos Islands **Ecuador** ka part hain, Peru ka NAHI — common wrong pairing. [Q21]

Japan — 4 Main Islands

- Japan ke 4 main islands: Hokkaido, Honshu, Shikoku, Kyushu — **Honshu sabse bada** hai (~228,000 sq km, Tokyo yahin hai). [Q22,Q23]
- North-to-South order: **Hokkaido** → **Honshu** → **Shikoku** → **Kyushu** — Hokkaido 2nd largest, Tsugaru Strait (Seikan Tunnel se connected) Hokkaido-Honshu separate karta hai; Shikoku sabse chhota; Kyushu 3rd largest (Mt. Aso active volcano yahin hai). [Q24,Q25]

Macau — China Transfer

- **Macau** (Hong Kong se ~64km west, mainland China se connected peninsula) — Portuguese Republic se China ko sovereignty transfer **December 1999** mein hua. [Q26]

Balearic Islands — Spain

- **Balearic Islands** = **Western Mediterranean Sea** mein hain — Spain ka autonomous division, 4 major islands, capital Palma de Mallorca, languages Catalan+Spanish. Spain ka part 1833 se, autonomous status 1983 se. [Q27]

World's Largest River Island — Majuli

- **Majuli (Assam, India)** = world ka largest river island, **Brahmaputra** River pe hai — south mein Brahmaputra, north mein Kherkutia Xuti (Brahmaputra ki branch, Subansiri River is mein milti hai). [Q28]

Island Continent — Australia

- **Australia** = island continent hai — world ka smallest continent bhi hai. [Q29]

Grenada — Caribbean Sea

- **Grenada** = **Caribbean Sea** (south-eastern) mein hai, 3 islands ka island country — 'Island of Spice' bhi kehlaata hai (high spice production), Venezuela se ~160km north. [Q30]

Saint-Martin Island — Salt-Pan Resources

- **Saint-Martin Island** apne **Salt-Pan resources** ke liye jaana jaata hai — interior mostly hilly, coastal lagoons/salt pans/sand spits ki taraf slope karta hai. [Q31]

Highest Number of Islands — Countries

- Given options mein sabse zyada islands **Indonesia** mein hain (17,508) — world mein overall sabse zyada islands **Sweden** mein hain. [Q32]

Socotra Island

- Socotra **Yemen** ka officially part hai (Oman ka NAHI — Statement 1 FALSE, Guardafui Channel+Arabian Sea ke beech, Gulf of Aden mouth pe, Somalia se ~240km east, Arabian Peninsula se ~380km south); **2008 mein UNESCO World Natural Heritage Site declare hua** (Statement 2 TRUE) — Socotra Archipelago ka ~95% landmass yahi island cover karta hai. [Q33]

⚠ EXAM TRAP

- Socotra **Yemen** ka hai, Oman ka NAHI — common wrong pairing. [Q33]

Indonesia — Islands West to East

- West-to-East order: **Sumatra** → **Java** → **Bali** → **Lombok** — capital Jakarta Java ke NW coast ke paas hai. Indonesia ke islands groups: Greater Sunda, Lesser Sunda (Nusa Tenggara), Moluccas (Maluku), Papua (New Guinea ka western part). [Q34]

Caribbean Sea Islands

- Caribbean Sea mein: Anguilla, Antigua, British Virgin Islands, Grenada, Montserrat, Saint Martin — **Madeira Caribbean mein NAHI** hai (North Atlantic Ocean mein, Portugal ka volcanic archipelago — Madeira+Porto Santo inhabited, Desertas+Selvagens uninhabited). *[Q35]*

Polynesia — Islands

- Polynesia mein shamil: Tonga, Tuvalu, Tahiti (French Polynesia ka part) — **Tinian Polynesia ka part NAHI** hai. *[Q36]*
