Malacca Strait

- **Malacca Strait** (Indonesia-Malaysia ke beech) = **Indian Ocean (Andaman Sea) ko South China Sea** se connect karti hai. [Q1]
- India-East Asia navigation time/distance kam karne ke liye: **Gulf of Siam-Andaman Sea ke beech new canal** helpful hai (Statement 2 TRUE) — Malacca Strait deepen karna directly navigation kam nahi karta (Statement 1 galat, is context mein). [Q2]

Gibraltar Strait — Europe-Africa

- **Strait of Gibraltar** = **Europe ko Africa se separate** karti hai — Atlantic Ocean ko Mediterranean Sea se connect karti hai. [Q3]

Strait of Hormuz

- **Strait of Hormuz** = **Persian Gulf aur Gulf of Oman** ke beech hai/inhe connect karti hai — West Asia ke oil-rich region ko world se connect karne wala extremely important sea route hai. [Q4,Q5]

Bering Strait — Asia-North America

- **Bering Strait** = Asia ko North America se separate karti hai (Russia easternmost $\sim 169^{\circ}43'E$, Alaska westernmost $\sim 168^{\circ}05'W$) — $\sim 85\text{km}$ wide, **Chukchi Sea (Arctic Ocean)** ko **Bering Sea (Pacific Ocean)** se connect karti hai (north-south). [Q6,Q8]

Suez Canal — Economic/Strategic Significance

- Given options mein **Suez Canal** ka economic/strategic significance sabse zyada hai — $\sim 12\%$ global trade, $\sim 30\%$ global container traffic yahan se guzarta hai; Red Sea-Mediterranean ke beech strategic location. [Q7]

Straits — Location Matching (Multi-set)

- Gibraltar-Africa/Europe, Malacca-Indonesia/Malaysia, Bering-Asia/N.America, Hormuz-Persian Gulf/Gulf of Oman. [Q9]

Ten Degree Channel

- **Ten Degree Channel** = Andaman aur Nicobar Islands ko separate karta hai (Bay of Bengal mein) — $\sim 10^{\circ}N$ latitude pe hone ki wajah se naam mila. [Q10]

Strait of Dover — Channel Tunnel

- **Dover Strait** = English Channel aur North Sea ke beech boundary hai — UK-France ko connect karne wali 3 marine tunnels yahin hain (Folkestone-Kent, England se Coquelles-Pas-de-Calais, France). [Q11,Q12]

Palk Strait

- **Palk Strait** = India (Tamil Nadu) aur Sri Lanka ke beech — Bay of Bengal (Palk Bay) ko Gulf of Mannar se connect karti hai. Width $\sim 64\text{--}137\text{km}$. Naam Robert Palk (1763-67 Madras Presidency Governor) se pada. [Q13,Q14]

Persian Gulf — Bordering Countries

- Persian Gulf border karta hai: Iran, UAE, Saudi Arabia, Qatar, Bahrain, Kuwait, Iraq — **Oman Persian Gulf se border NAHI** karta (Oman ki border Gulf of Oman aur Arabian Sea se hai). [Q15,Q16]

⚠ EXAM TRAP

- Oman Persian Gulf coastline country NAHI hai — Gulf of Oman/Arabian Sea se bordered hai, isse confuse mat ho. [Q15,Q16]

Gulfs — Country Matching

- Correct: **Gulf of Tonkin-Vietnam** — Gulf of Bothnia actually Finland-Sweden ke beech hai (France NAHI); Baffin Bay Canada-Greenland ke beech hai (Argentina NAHI); Gulf of Carpentaria Australia mein hai (Canada NAHI). [Q17]

Bab-el-Mandeb Strait

- **Bab-el-Mandeb Strait** = Red Sea ko Indian Ocean (**Gulf of Aden**) se connect karti hai — Hormuz(Persian Gulf-Gulf of Oman), Malacca(Indian Ocean-South China Sea), Bosphorus(Black Sea-Sea of Marmara) se contrast. [Q18]

Lombok Strait — Indonesia

- **Lombok Strait** = Bali aur Lombok islands (Indonesia) ke beech — Java Sea ko Indian Ocean se connect karta hai. [Q19]

Kra Isthmus — 'Devil's Neck'

- **Kra Isthmus** (Southern Thailand-Myanmar, Malay Peninsula aur SE Asia mainland ke beech) = 'Devil's Neck' kehlata hai (bahut narrow hone ki wajah se ship routes mein hindrance karta hai). [Q20]

Bass Strait — Tasmania

- **Bass Strait** (~240-350km wide) = mainland Australia (Victoria) ko **Tasmania** se separate karta hai — Great Australian Bight, Tasman Sea, Magellan Strait alag features hain. [Q21]
