Chapter 50_The_Ports_and_Harbours

Topic Index

1. Yokohama — Japan ka Busiest Port
2. Canberra — Sea-Port City NAHI
3. Largest Harbour — Rotterdam (Historical, Metric-Dependent)
4. Busiest Seaport by Cargo Tonnage — Shanghai (2010 Context)
5. Rhine River — Rotterdam Port Location
6. Second Biggest Port — Shanghai (2004 Context)
7. Maracaibo (Venezuela) — Oil Port
8. Alexandria — Egypt ka Port
9. Port Diamond — Port Nolloth (South Africa)
10. 'Coffee Port' of World — Santos (Brazil)
11. Largest Shipbuilder (Monetary Value) — South Korea
12. Gwadar Port — Pakistan (Balochistan Province)
13. Port-Country Mismatches — Igarka Russia (China NAHI)
14. Periplus of the Erythraean Sea — Unknown Author

Yokohama — Japan ka Busiest Port

- Japan ka busiest port **Yokohama** hai — Yokohama city ka Port+Harbour Bureau operate karta hai, greater Tokyo area ka gateway hai. [Q1]

Canberra — Sea-Port City NAHI

- Tokyo (Honshu ka seaport), New York (Hudson River pe), London (Thames pe) sab sea-port cities hain — **Canberra sea se surrounded NAHI** hai (Australia ki capital, sea-port city NAHI). [Q2]

Largest Harbour — Rotterdam (Historical, Metric-Dependent)

- 'Largest harbour' ka koi single standardized metric NAHI hai (cargo tonnage/container throughput/harbour area alag ho sakte hain) — historically **Rotterdam** ko world ka largest port/harbour maana jaata tha (Europe ke enormous cargo role ki wajah se). [Q3]

Busiest Seaport by Cargo Tonnage — Shanghai (2010 Context)

- 2010 exam data period ke according cargo tonnage se busiest seaport **Shanghai** tha (given options mein). [Q4]

Rhine River — Rotterdam Port Location

- Rhine Europe ke important inland-waterway+industrial transport corridors mein se ek hai — Rotterdam Rhine-Meuse-Scheldt delta mein hai, Rhine system ka major seaward outlet hai — **main German industrial corridor Western Germany mein hai, 'Northern Germany' galat hai** (Statement 1 galat, Statement 2 TRUE). [Q5]

Second Biggest Port — Shanghai (2004 Context)

- 2004 mein **Shanghai** Singapore ke baad world ka 2nd-largest port ban gaya tha (freight volume se). [Q6]

Maracaibo (Venezuela) — Oil Port

- 'Maracaibo' (NW Venezuela, Lake Maracaibo-Gulf of Venezuela ke beech ki strait pe) **Oil Port** ke roop mein develop hui — Tablazo Strait (~55km) se Gulf of Venezuela se connected — 1917 mein petroleum discovery se pehle ek chhota coffee town thi. [Q7]

Alexandria — Egypt ka Port

- **Alexandria** (Egypt ka 2nd-largest city, major economic centre) **Mediterranean coast** pe ~32km extend karta hai — Nile Delta pe low elevation, rising sea level se vulnerable — Suez se natural gas+oil pipelines important industrial centre banate hain. [Q8]

Port Diamond — Port Nolloth (South Africa)

- 'Port Diamond' = **Port Nolloth (South Africa)** hai — pehle Okiep mines se copper aur Namaqualand region se diamonds ka transshipment point tha. [Q9]

'Coffee Port' of World — Santos (Brazil)

- 'Coffee Port' of world = **Port of Santos (Brazil)** — coffee exports mein major role ki wajah se yeh naam mila. [Q10,Q11]

Largest Shipbuilder (Monetary Value) — South Korea

- Exam-period monetary value comparison ke according world ka largest shipbuilder **South Korea** tha. [Q12]

Gwadar Port — Pakistan (Balochistan Province)

- Gwadar = warm-water deep-sea port, **Arabian Sea pe Pakistan ke Balochistan Province** mein — strategic significance rakhta hai, Pakistan-China ne 2,000+ acres land usage rights deal ki hai, China railway access develop kar raha hai. [Q13,Q14]

Port-Country Mismatches — Igarka Russia (China NAHI)

- Jakarta-Indonesia, Rotterdam-Netherlands, Montevideo-Uruguay correct hain — **Igarka actually Russia (Yenisey River) mein hai, China mein NAHI.** [Q15,Q16]

 EXAM TRAP

- Igarka **Russia** mein hai (Krasnoyarsk Krai, Turukhansky District), China mein NAHI. [Q15, Q16]

Periplus of the Erythraean Sea — Unknown Author

- 'Periplus of the Erythraean Sea' (Greco-Roman text, Koine Greek mein likha) navigation+trading opportunities describe karta hai (Roman Egyptian ports se Red Sea coast, Horn of Africa, Sindh region-Pakistan, SW India tak) — author **unknown/anonymous** hai. [Q17]
