1. Buddha's Life — Birth, Family, Early Years & Epithets

- Gautama Buddha (bachpan ka naam Siddhartha) ka janm 563 BC mein Shakya Kshatriya family mein hua tha, Lumbini (Kapilvastu ke pass, Nepal) mein. Pita Shuddhodana Shakya clan ke chief the, aur maa Mayadevi Koliya clan se thi. [Q1, Q3]
- 29 saal ki age mein Buddha apne ghar se nikal gaye the (apne ghode 'Kanthaka' par, Channa ke saath) — is ghatna ko 'Mahabhinishkramana' (Great Departure) kaha jaata hai. [Q2]
- ⚠ Disputed: Buddha ke doosre naam wale question mein diye gaye options (Parth, Gudakesh, Mihir, Prachhanna) mein se koi bhi Buddha ka actual naam nahi hai (Parth/Gudakesh Arjuna ke naam hain) — isliye 'None of these' sahi jawab hai, halaki Chhattisgarh PSC ne apni official key mein galti se ek option ko sahi maan liya tha. [Q5]
- Alara Kalama ek famous religious teacher the (Samkhya philosophy ke Acharya) jinke paas Buddha ne meditation waghera seekha tha, ghar chhodne ke baad. [Q20]
- Buddha ke jeevan ke baare mein sahi statements: unka janm Lumbini (Kapilvastu ke pass) mein hua, unhone Karma ke siddhant mein vishwas kiya, unhe Bodh Gaya mein enlightenment mili, unhone Vedas/Vedic rituals ko chhod diya, aur unhone 4 Arya Satya (Noble Truths) diye. [Q53]
- Gautama Buddha ko 'Light of Asia' (Asia ki Roshni) bhi kaha jaata hai — Edwin Arnold ne unki life par 'The Light of Asia' naam ki book likhi thi, jo 'Lalitvistara' text par based hai. [Q84, Q85, Q90]
- Buddha ke epithets/upadhiyan: 'Shakyamuni' (Shakya clan ke sage) aur 'Tathagata' (jo enlightenment ke baad khud ko refer karne ke liye use karte the) — lekin 'Nayaputta' Buddha ka naam NAHI hai, ye Mahavira (Jainism ke 24th Tirthankara) ke liye use hota hai. [Q86]

2. The Four Sacred Sites — Birth, Enlightenment, First Sermon & Death

- Buddha Lumbini mein paida hue the — Ashoka ke Rummindei Pillar Inscription se ye confirm hota hai. Is inscription ke mutabik Ashoka apni coronation ke 20th saal ke baad Lumbini aaye the aur usi jagah ki

pooja ki jaha Shakyamuni paida hue the — unhone Lumbini ko Bali tax se bhi mukt kar diya tha. [Q4, Q6, Q7, Q8]

- Buddha ne Mahaparinirvana (mrityu) Kushinagar mein prapt ki thi, jo Malla Republic ki rajdhani thi. Isse 'Kusinara' bhi kaha jaata hai. Mahaparinirvana Temple aaj UP ke Kushinagar district mein hai — yaha ki famous Buddha statue 1876-77 mein excavation ke dauran mili thi (Chunar sandstone se bani, dying Buddha ki reclining posture mein). [Q9, Q10, Q11, Q12, Q13]
- Buddha ko Bodh Gaya mein, ek Pipal tree ke neeche, enlightenment mili thi. [Q19]
- Buddha ne apna pehla sermon ('Dhammachakkhapavathana' ya 'Dharmachakra Parvartana') Sarnath mein diya tha — enlightenment ke baad, Bodhgaya se Sarnath jaake. [Q21, Q22, Q23, Q24, Q25, Q26]
- 4 Events—4 Places match: Janm → Lumbini; Enlightenment → Bodh Gaya; Pehla Sermon → Sarnath (Dharmachakrapravartana); Mrityu → Kushinagar (Mahaparinirvana). [Q49]
- Indian art mein 'wheel with deer' (chakra + hiran) ka symbol Buddha ke pehle sermon (first preaching) ko represent karta hai — Buddha ne apna pehla upadesh Sarnath ke Mrigadava (Deer Park) mein diya tha. [Q50]
- Symbols match: Janm → Lotus; Pehla Sermon → Dharma Chakra Pravartana; Enlightenment → Bodhi Tree; Mahabhinishkramana (Great Departure) → Horse. [Q51]
- Mahabodhi Temple Bodh Gaya mein usi jagah bana hai jaha Gautama Buddha ne 35 saal ki age mein, 6 saal ki khoj ke baad, enlightenment prapt ki thi. [Q54]
- Bodh Gaya ka 'Bodhi Vriksha' (jis ped ke neeche Buddha ko gyan mila) apni family ka 5th generation tree hai — Hiuen Tsang ke mutabik original tree ko 7th century mein King Shashank ne destroy kar diya tha; present wala tree Alexander Cunningham ke orders par lagaya gaya tha. [Q55]
- Bodhgaya, Niranjana (Phalgu) river ke kinare situated hai. [Q56]
- Pairs check: Lothal (Gujarat) → Ancient dockyard (sahi); Sarnath → Buddha ka pehla sermon (sahi); Nalanda → Buddhist learning ka bada centre (sahi). Lekin Lion Capital of Ashoka Sarnath mein hai, Rajgir mein NAHI — Rajgir apne hot-water springs ke liye jaana jaata hai. [Q104]
- Assertion-Reason: Kushinagar Malla Republic ki rajdhani thi (sahi), aur Buddha ka Mahaparinirvana bhi wahi hua tha (sahi) — lekin Reason, Assertion ka sahi explanation nahi deta (Buddha ka wahan marna hi capital hone ki wajah nahi hai). [Q103]

3. Buddha's Travels, Last Days & Associated Places

- Buddha directly Kosala aur Magadha kingdoms se associated the (Avanti aur Gandhara se nahi) — unhone apni teachings phailane ke liye ye do kingdoms bahut visit ki. [Q14]
- Buddha ke jeevan ke aakhri saalon mein, unke disciple Chund (Pava mein) ne unhe 'Sukaramaddava' khilaya jisse unhe food poisoning hui. Ismein last enlightened/converted vyakti 'Subhadda' the, jinhe Buddha ne Kushinagar mein apna last sermon diya, aur wahi Mahaparinirvana bhi hui. [Q15, Q16]
- Buddha ne apni zindagi ka aakhri rainy season Vaishali (Beluva suburb) mein bitaya tha, apne 2 disciples ke saath. [Q17]
- Buddha ne sabse zyada sermons Shravasti mein diye the (Koshala ki rajdhani) — unke zyadatar disciples Koshala region se hi the. [Q27]

- Buddha ne Kaushambi ko King Udayana ke reign mein visit kiya tha — Pindola Bharadwaj ke prabhaav mein Udayana Buddhism ki taraf mud gaye the, aur unhone Ghoshitram Vihar Bhikshu Sangh ko daan diya tha. [Q28]
- 80 feet ki Giant Buddha Statue (Bodhgaya) Japan ke Daijokyo sect ki madad se bani thi — 7 saal mein complete hui, sandstone blocks aur red granite se, dhyana mudra mein. [Q76]

4. Buddhist Councils — History & Key Facts

- Pehla Buddhist Council, Buddha ke Mahaparinirvana ke turant baad, King Ajatashatru ke patronage mein, Rajagriha (Rajgir) ki Saptaparni Cave mein hua tha — is council ki presidency Mahakashyapa ne ki thi. [Q29, Q30, Q31, Q32, Q33, Q34, Q45, Q46]
- Dusra Buddhist Council Vaishali mein, King Kalasoka (Shishunaga dynasty) ke reign mein hua tha (Buddha ki mrityu ke ~100 saal baad). [Q43, Q47]
- Teesra Buddhist Council Pataliputra mein, Mauryan Emperor Ashoka ke reign mein hua tha. [Q44]
- Chautha (4th) Buddhist Council Kanishka ke reign mein, Kundalavana (Kashmir) mein hua tha — iski presidency Vasumitra ne ki (Ashvaghosha bhi jude the). Isi council mein Buddhism formally 2 sects — Mahayana aur Hinayana — mein baat gaya tha. [Q35, Q36, Q37, Q38, Q39, Q40]
- 4 councils ka chronological order: 1st (Rajagriha, Ajatashatru ke time) → 2nd (Vaishali, Kalasoka ke time) → 4th (Kashmir, Kanishka ke time) → 3rd (Pataliputra, Ashoka ke time) — wait dhyani se: sahi order hai 1st→2nd→3rd→4th, yaani Rajagriha→Vaishali→Pataliputra→Kashmir. [Q42]
- Councils-Presidents match: 1st Council → Mahakashyapa; 2nd Council → Sabakami; 3rd Council → Moggaliputta Tissa; 4th Council → Vasumitra. [Q48]

5. Sangha — Monks, Disciples & Monastic Life

- Devadatta (Buddha ke cousin) Buddha ke zinda rehte hi Sangha ka leader banna chahte the — lekin safal nahi hue. [Q58]
- Buddha ne apni mrityu ke baad Sangha ke liye koi successor nominate NAHI kiya tha — unhone apne followers ko khud mukti (liberation) ki taraf kaam karne ko kaha. [Q59]
- Buddha ne apne disciple Ananda ki request par, Vaishali mein, women ko 'Bhikshuni' ban kar Sangha mein aane ki anumati di thi — pehli Bhikshuni Mahaprajapati Gautami (Buddha ki paalak-maa) thi. [Q63]
- 'Pavarana' ek ceremony thi jo rainy season (jab monks Buddha Mahavihar mein rehte the aur preaching rok dete the) khatam hone ke baad hoti thi — isme monks apni galtiyan (offences) ki confession karte the aur future plans discuss karte the. [Q73]
- Buddhist terms: 'Parivrajaka' ka matlab hai male wanderer/renunciant (Bhikkhu isi tarah ke hote hain); 'Upasaka' Buddhism ke lay followers (jo monk nahi hote) hote hain; lekin 'Shramana' sirf Buddhism tak limited nahi, Jainism aur Ajivikism mein bhi wandering monks ko is naam se jaana jaata hai. [Q101]

6. Buddhist Texts & Scriptures

- 'Tripitaka' Buddhism ki sabse mahatvapurna sacred books hain (Buddha ki teachings ka collection) — ye 3 hisso mein bata hai: Sutta Pitaka (Buddha ke sermons/teachings), Vinaya Pitaka (Sangha ke rules), aur Abhidhamma Pitaka (philosophical exposition). [Q64, Q65, Q66, Q67]
- Vinaya Pitaka mein Sangha/monks ki monastic life ke rules diye gaye hain. [Q68]
- 'Yamaka' Abhidhamma Pitaka ka ek hissa hai (jisme total 7 books hain: Yamaka, Patthana, Kathavatthu, Puggalapannatti, Dhatukatha, waghera). [Q69]
- Sutta Pitaka mein Buddha ke ethics/moral principles wale sermons hain — iska ek hissa 'Digha Nikaya' 34 lambi Suttas ka collection hai. [Q70]
- 'Triratna' (3 ratna) ka matlab hai Buddha, Dhamma aur Sangha. [Q71]
- 'Visuddhimagga' (Theravada Abhidhamma par treatise) Buddhaghosa ne likhi thi. [Q114]
- Sanskrit mein likhe gaye Buddhist texts: Divyavadana aur Aryamanjushree Mulakalpa. Deepvamsa aur Mahavamsa (Sri Lanka/India history) Pali mein likhe gaye the. [Q115]
- Sanghabhuti (Indian Buddhist monk, 4th century AD ke end mein China gaye) ne Sarvastivada Vinaya par ek commentary likhi thi. [Q145]

7. Core Buddhist Philosophy & Teachings

- Nirvana ka concept hai 'desire ki flame ka bujhna' — Buddhism मानता है desire hi sab dukh (pain) ka reason hai, aur Nirvana ek aisi state hai jo desire, dukh, sukh sab se free hoti hai. [Q18]
- Buddha ki teachings mainly conduct ki purity/pavitrata par based thi. [Q57]
- 'Eightfold Path' (Ashtangik Marg) ka concept 'Dharma Chakra Pravartana Sutta' ka central theme hai — Buddha ne isse zindagi ke dukho se mukti (Nirvana) paane ke liye diya tha. [Q60]
- Buddhist philosophy (Pratityasamutpada) ke mutabik Samskar (impression/mental formation) ka mool karan Avidya (ignorance/ajnaan) hai — sab dukh ki jad ignorance hi hai. [Q61]
- Buddha Karma aur Rebirth mein vishwas karte the (Jataka tales mein unke poorvajanm darj hain), lekin unhone God ke astitva ko nahi maana. [Q62]
- Buddhist philosophy ki jad Gautama Buddha ki teachings mein hai — unhone philosophical debates se zyada moral life aur suffering se mukti par zor diya; baad ke scholars ne isi base par gehri philosophy develop ki. [Q72]
- 'Anatmavada' (no-self doctrine — koi permanent soul/atma nahi hota) Buddhism ka core siddhant hai, jo Pratityasamutpada se nikalta hai. [Q82]
- 'Duniya unstable aur transient (kshanbhangur) hai' — ye 'Anitya' (impermanence) ka concept hai, jo Buddhism ke 3 core marks of existence mein se ek hai. [Q83]
- 'Doctrine of Momentariness' (Kshanikavada — sab kuch pal-pal badalta rehta hai) Buddha ne hi propound kiya tha, jo Anitya ke principle ko explain karta hai. [Q88]
- 4 Noble Truths (Arya Satya) ka sahi order hai: (1) Dukkha hai → (2) Dukkha ka karan hai → (3) Dukkha ka ant possible hai → (4) Dukkha khatam karne ka ek raasta hai. [Q131]
- Assertion-Reason: Buddhism ne Rebirth ke concept ko REJECT nahi kiya (Assertion GALAT hai — unhone rebirth accept kiya tha), lekin Soul mortal hai (Reason SAHI hai — Buddhism Anatmavada maanta hai, permanent soul nahi hota). [Q133]

8. Hinayana, Mahayana, Vajrayana & Buddhist Sects

- Mahayana Buddhism believe karta hai: Buddha ki deification (unhe God ki tarah pooja), Bodhisattva path follow karna, aur idol worship/rituals. [Q41]
- Karmapa Lama, Tibetan Buddhism ke Kangyupa (Kagyu) sect se belong karte hain. [Q52]
- 'Paramitas' (perfections) Bodhisattva path ki taraf le jaane wali qualities hain, jinhe ek Bodhisattva apne Karma ko purify karne ke liye perfect karne ki koshish karta hai. [Q89]
- Hinayana aur Mahayana ke beech fundamental difference: Hinayana Buddha ko ek mahaan insaan maanta hai, jabki Mahayana unhe idol worship ke through God ki tarah pooja karta hai. [Q91]
- Kanishka ke reign mein hi Gautama Buddha ko God ka darja diya gaya tha — usi 4th council mein Buddhism Hinayana-Mahayana mein baata gaya, aur Mahayana ne unki idol pooja shuru ki. [Q92]
- Mahayana Buddhism mein Bodhisattva Avalokitesvara ko 'Padmapani' (kamal-dhaari) bhi kaha jaata hai. [Q105]
- ⚠ Disputed: 'Aryamanjushrimulakalpa' ek Buddhist tantric text hai jo Mahayana aur Vajrayana dono Buddhism se associated hai — isliye single sahi answer clear nahi hai. [Q106]
- Statement check: Sthaviravadi sect Hinayana se belong karta hai (Mahayana se nahi). Lokottaravadin, Mahasanghika sect ki ek shaakha thi. Mahasanghikas dwara Buddha ki deification ne Mahayana Buddhism ko badhava diya. [Q107]
- Maitreya ek future Buddha hain, jo abhi tak duniya ko bachane nahi aaye — unka pehla zikr Pali Tripitika ki 'Cakkavatti Sutta' mein milta hai. [Q108]
- Bodhisattva ka concept Mahayana Buddhism ka goal/ideal hai (Hinayana ka nahi) — Mahayana Buddhists sirf khud ke liye nahi, doosro ki mukti ke liye bhi (compassion se) enlightenment chahte hain. [Q109]
- Sautrantika aur Sammitiya, Buddhism ke hi sects the (Jainism ke nahi). 'Sarvastivada' ka matlab hai 'sab kuch exist karta hai' ka siddhant — iske mutabik past-present-future sab phenomena kisi na kisi form mein exist karte hain. [Q137]
- Sultanate period (medieval India) mein Vajrayana sect sabse prominent tha — iske principles 'Arya Manjushrimulakalpa' aur 'Guhyasamaja' texts mein milte hain (8th century AD se popular hua). [Q144]

9. Stupas, Chaityas, Viharas & Buddhist Architecture

- Ashokaram monastery Pataliputra mein thi — Mahavansh text ke mutabik Ashoka ne ise banwaya tha, monk Indragupta ki supervision mein. [Q74]
- Duniya ka sabse ooncha Stupa 'Vishwa Shanti Stupa' (World Peace Pagoda, 400 meter height) Rajgir (Bihar) ki pahadiyo par situated hai. [Q75]
- 'Stupa' word sabse pehle Rigveda mein use hua tha — usme iska matlab tha 'tree stem/ped ka tana'. Ye Buddhism se pehle bhi exist karta tha (pre-Buddhist origin). [Q77, Q79]
- Sanchi Stupa Buddha ke jeevan ki kisi bhi ghatna se directly connected NAHI hai — jabki Bodhgaya (enlightenment), Sarnath (Dharma Chakra Pravartana) aur Kushinagar (mrityu) se related stupas hain. [Q78]

- ⚠ Disputed: Bharhut, Sanchi (Ashoka ke time), Dhamekh (kuch sources ke mutabik Ashoka ke time) aur Amaravati (Satvahanas ke time) stupas ka exact chronological order clearly decide nahi kiya ja sakta — is question ko evaluation se exclude kar diya gaya tha. [Q80]
- Devnimori Stupa, Gujarat ke Arvalli district mein hai — yaha 3rd-4th century AD ka ek Buddhist monastery aur stupa mila hai. [Q81]
- Karle (Pune district, Maharashtra) mein hai duniya ka sabse bada aur most evolved rock-cut Chaitya hall, jo Hinayana phase ka hai. [Q112]
- 'Chaitya' ek pooja/prayer ki jagah (place of worship) hota hai, jabki 'Vihara' monks ki rehne ki jagah (dwelling place) hota hai, khaaskar rainy season ke dauran. [Q138, Q139, Q140]
- Guntupalli (West Godavari dist., Andhra Pradesh — ab NTR district mein) mein early Chaityagrihas aur Viharas mile hain — Eastern Deccan ke Chaityas/Viharas generally rock-cut structures hote hain, pahadiyo mein bane hue. [Q141]
- 'Stupa' word ka literal matlab hai 'ekatra karna/pile karna' — India mein stupa banane ki parampara Buddhism se bhi pehle ki hai, ye pre-Buddhist burial practices se nikli thi. [Q142]
- Dhanyakataka (aaj ka Dharnikota), Andhra Pradesh (Palnadu district) mein hai — ye later Satvahanas ki rajdhani thi aur Mahasanghikas ke under Buddhist learning ka bada center tha. [Q143]

10. Buddhist Art & Iconography

- India mein sabse pehle human statues jo pooja ki gayi, wo Buddha ki thi — isse idol worship ki foundation padi (Mahayana sect ke followers ne shuru ki). [Q93, Q94]
- Sarnath ke first-sermon wale Gandharan Buddha image mein 'Dharma Chakra Mudra' (dharma ke chakra ko ghumana) dikhaya gaya hai — Gandharan style, Hellenistic realism se inspired thi (Persian/Scythian/Parthian influences ke saath). [Q95]
- Buddha ki standing statues Kushana period mein banayi gayi thi — Kanishka ke reign mein Gandhara art (aur Mathura school bhi) flourish hui. [Q96]
- ⚠ Disputed: Buddha ki sabse purani sculpture kis style mein bani, ye clearly nahi kaha ja sakta — V.S. Agrawal ke mutabik Mathura mein pehli statue bani, Hiuen Tsang ke mutabik Kaushambi mein — isliye is par ek fixed jawab nahi hai. [Q97]
- 'Bhumisparsha Mudra' mein Buddha apna right hand zameen ki taraf badha kar Mara ke temptations ke against apni purity/chastity ki gawahi (witness) ke roop mein Earth ko bulaate hain. [Q98]
- Sarnath ka famous Bhumisparsha Mudra wala Buddha image Gupta period ka masterpiece hai — ye upaya (right hand) aur prajna (left hand) ke union ko symbolize karta hai. [Q99, Q100]
- Bodhisattva 'Padmapani' ki painting Ajanta (Cave 1) ki sabse famous aur oft-illustrated painting hai — 'Padmapani' ka matlab hai 'kamal-dhaari' (jo blue lotus haath mein pakde hue hai). [Q110, Q111]
- Kanheri caves (Salsette Island, Mumbai) mein ek 11-headed, 4-armed Avalokiteshvara Bodhisattva ki idol hai — India mein aisi ekmatra statue hai. [Q113]

11. Great Centres of Buddhist Learning

- Ancient India ke important Buddhist learning centres the: Nalanda, Vikramshila aur Vallabhi — ye India ke saath-saath China, Japan waghera se bhi students attract karte the. [Q120]
- Ancient India mein Nagpur ek Buddhist learning centre NAHI tha — main centres Vallabhi, Vikramshila aur Nalanda hi the. [Q121]
- Vallabhi University Gujarat mein thi (Vallabhipura bhi kehte hain) — ye ancient Maitraka dynasty ki rajdhani thi. [Q122]
- Nalanda University Gupta dynasty ke time flourish hui — ye Magadha (aaj ka Bihar) mein ek bada Buddhist monastery/University thi. [Q123]
- Nalanda University ki foundation Kumargupta ne 450 AD mein ki thi — ye world ki pehli International University maani jaati hai. Alexander Cunningham ne 1915-16 mein is site ko Nalanda University identify kiya tha. [Q124]
- Nalanda University Buddhist Religious Philosophy ki teaching ke liye duniya bhar mein famous thi. [Q125]
- Assertion-Reason: Nalanda (Rajgriha/Rajgir, Bihar) ek famous Buddhist learning centre aur University thi (sahi), aur ye Gupta period mein exist mein aayi (sahi) — Reason, Assertion ka sahi explanation bhi hai. 12th century tak Muslim invasion ki wajah se ye ghat gayi, aur Pala rulers ne Vikramshila ko zyada protection di jisse Nalanda ka mahatva kam hua. [Q126]
- 'Nava Nalanda Mahavihara' ek modern Pali aur Buddhist research center hai — iska foundation stone 20 November 1951 ko rakha gaya tha. [Q127]

12. Buddhist Philosophers & Missionaries

- Nagarjuna, Kanishka ke darbar ki ek eminent personality the — Chinese mythology ke mutabik unhone China jaake Buddhism ka pracha kiya (1st century AD mein). [Q116]
- 'Shunyata' (Doctrine of Void/emptiness) Nagarjuna ne propound kiya tha — unki famous book 'Madhyamikakarika' mein emptiness/co-arising par mashoor quotes hain. [Q117]
- Nagarjuna, Mahayana Buddhism ke 'Madhyamika' school ke founder the. [Q118]
- Aryadeva (Nagarjuna ke disciple, Buddhist philosopher, na ki Jaina scholar) aur Dignaga (dono Buddhist scholars the) — Nathmuni ek Vaishnava scholar the, Sri Vaishnava sect ke first teacher. [Q119]

13. Buddhism vs Jainism — What's Common, What's Not

- Buddhism aur Jainism dono mein common hai: rituals ki efficiency ko deny karna, Vedas ke authority se indifference, aur Ahimsa (janwaro ko chot na pahunchana). Lekin 'extremities of penance/enjoyment avoid karna' (Middle Path) sirf Buddhism ki khaasiyat hai — Jainism to rigorous penance follow karta hai. [Q128, Q129]
- 'Self-mortification' (extreme tapasya) Jainism ka fundamental hissa hai, jabki Buddhism ne ise reject karke 'Middle Path' apnaya — isliye ye dono mein COMMON nahi hai. [Q130]
- Buddhism aur Jainism dono Karma ke siddhant aur Rebirth/soul ke transmigration mein believe karte hain. [Q132]

14. Social Aspects, Spread, Patronage & Decline of Buddhism

- 'Neo-Buddhism' (Navayana) ko B.R. Ambedkar ne propound kiya tha — ye original Buddhism ki re-interpretation hai jisme monasticism, karma, rebirth, samsara jaise concepts reject kiye gaye, aur class-struggle/social equality par zor diya gaya. [Q87]
- Pushyamitra Shunga (Shunga dynasty ke founder, jinhone last Mauryan Emperor Brihadratha ko 184 BCE mein maara) ne Buddhism ke expansion mein योगदान NAHI diya — ulta unhone Buddhists ko persecute kiya, jabki Ashoka, Kanishka aur Harshavardhana ne Buddhism ko patronize kiya. [Q102]
- Buddhism ne caste-class system ko poori tarah reject nahi kiya tha (statement 1 sahi) — unhone Brahmins ke top social rank ko challenge zaroor kiya (statement 2 sahi), lekin kuch occupations/castes ko phir bhi 'low' maana gaya (jaise Chandalas) (statement 3 sahi). [Q134]
- Buddhism ke expansion ki wajahein: religion ki simplicity, Dalits/non-Brahmins ke liye special appeal, Sangha ke through missionary spread, aur Pali jaisi simple regional languages ka use — Vedic spirit ki 'soundness' iski wajah NAHI thi (Buddhism ne Vedas ko reject kiya tha). [Q135]
- Buddhism early medieval India mein decline hone lagi kyunki Buddha ko tab tak Hindu pantheon mein assimilate kar liya gaya tha (Vishnu ke avatar ki tarah) — jabki Gupta kings Brahmanical faith support karne ke bawajood Buddhism ke against nahi the (unhone Nalanda ko bhi patronize kiya). [Q136]
