1. Origin of Jainism & the 24 Tirthankaras — Overview

- Jain religion ke originator (pehle Tirthankara) Rishabhdev (Aadinath) the. Mahavira Swami 24th aur AKHIRI Tirthankara the, jinhone 6th century BC mein Jain philosophy ko propagate kiya. [Q1, Q2]
- 'Tirthankara' word Jain religion se related hai — Rishabhanatha se lekar Mahavira tak total 24 Tirthankara hue, jo samay-samay par Jain philosophy propagate karte rahe. [Q14]
- Mahavira, Jain Tirthankaro ke order mein sabse aakhri (24th) the. [Q15]
- Nathamuni ek Jain Tirthankara NAHI the — wo ek Vaishnava theologian the (Sri Vaishnava Acharyas mein pehle). Chandraprabhu (8th), Neminatha (21st/22nd) aur Sambhavanatha (3rd) — ye sab actual Tirthankara the. [Q16]

2. Tirthankara Symbols, Nirvana Places & Match Lists

- Tirthankara-Symbol match: Adinatha → Bull (Bail); Mallinatha → Water Jar (Ghara); Parshvanatha → Snake (Saap); Sambhavanatha → Horse (Ghoda); Mahavira → Lion (Sher); Shantinath → Deer (Hiran). [Q4, Q5]
- ⚠ Exam Trap: Vasupujya (12th Tirthankar) ne Nirvana/Moksha Champapur (Bihar) mein prapt ki thi, Sammedashikhar mein NAHI — is galat pairing ko dhyan se yaad rakho, baaki sab Tirthankar-Nirvan Place pairs sahi hote hain. [Q6]
- Site-Tirthankar match: Shravasti → Sambhavanath; Kakandi → Suvidhinath (Pushpadant); Ayodhya → Rishabhanath; Pabhosa → Padmaprabhu. [Q7]
- Tirthankaro ka chronological order (appearance ke hisaab se): Abhinandana Natha (4th) → Munishuvrata Nath (20th) → Vimal Nath (13th) → Padmaprabhu (6th) — is order ko yaad rakhne ke liye unki Tirthankar-number bhi yaad karo. [Q8]

3. Individual Tirthankara Facts — Parshvanatha & Others

- Parshvanatha, 23rd Tirthankara the — unka janm Varanasi mein hua tha (King Aswasena aur Queen Vama ke ghar). Unhone Ashrampad Udyan (Varanasi ke pass) mein Kaivalya (complete knowledge) prapt ki, aur Sammed Shikhar (Sammeta) par Parinirvana liya. [Q3, Q37]
- Prabhasgiri (Kaushambi, UP) ek Jain pilgrimage site hai jo 6th Tirthankar Padmaprabha se related hai. [Q17]

4. Mahavira's Life — Birth, Family, Enlightenment & Death

- Mahavira Swami ka janm Kundagram (Kundalpur, Vaishali ke pass) mein ~599 BC mein hua tha. Maa Trishala, Lichchhavi republic ke chief Chetak ki BEHEN thi (beti nahi — ye common confusion hai). Pita Siddhartha Gyatrik Kshatriya clan ke head the. Nandivardhan unke bade bhai the. [Q9, Q10]
- Mahavira Swami ne ~72 saal ki age mein, 527 BC mein, Pavapuri (Rajgriha/Rajgir ke pass, Bihar) mein Nirvana prapt kiya — yahi unki mrityu-sthal bhi hai. [Q11, Q12]
- Mahavira ke baare mein ek GALAT statement: 'unhone shaadi nahi ki thi' — ye sach nahi hai! Unki shaadi Yashoda naam ki rajkumari se hui thi, aur unki ek beti thi Priyadarshana (Aanojja). [Q13]
- Jain religion mein 'Complete Knowledge/Intellect' ke liye 'Kaivalya' word use hota hai — Mahavira Swami ne Rijupalika river (Jrimbhik village ke pass) ke kinare, Sal ke ped ke neeche, 12 saal ki kathin tapasya ke baad Kaivalya prapt ki thi. [Q18, Q19]

5. Core Jain Doctrines — Triratna (Three Jewels) & Vows

- Jain philosophy mein Moksha ke liye 3 cheezein zaroori hain: Right Faith (Samyak Darshan), Right Knowledge (Samyak Jnana) aur Right Conduct/Action (Samyak Charitra) — inhe 'Triratna' (3 ratna) kaha jaata hai. [Q20, Q21]
- ⚠ Disputed: 'Triratna' ka concept dono — Buddhism AUR Jainism — mein hai. Buddhism mein Triratna hai Buddha, Dhamma, Sangha; Jainism mein Samyak Darshan, Samyak Jnana, Samyak Charitra — isliye single-religion wala answer clearly nahi diya ja sakta. [Q22]
- 'Anuvrata' Jainism ka hi concept hai — Jain monks jo apni soul ko uplift karna chahte hain wo 5 bade vows (Mahavratas: Ahimsa, Satya, waghera) lete hain. Aam grihasth logo ke liye ye mushkil hote hain, isliye wo 'Anuvrata' (chhote/scaled-down version wale vows) follow karte hain. [Q23]

6. Jain Metaphysics — Syadvad, Anekantavada & Tattva

- 'Syadvad' (jise Saptabhanginaya bhi kehte hain — matlab 'gyan relative hota hai') Jainism ka doctrine hai — Mahavira Swami ne selfists aur atheists ke exclusive beliefs ko chhodkar ye 'middle path' apnaya tha. [Q24, Q25]
- Jainism se associated doctrines: Anekantavada aur Syadvada. (Sunnyavada aur Sarvastivada Buddhism se related hain, Jainism se NAHI.) [Q26]
- 'Anekantavada' Jainism ka core theory/philosophy hai — ye ek metaphysical concept hai. [Q28]

- Jain philosophy 2 main doctrines ke around ghumti hai: Anekantavada aur Syadvada — dono deeply connected hain. Anekantavada ke mutabik har cheez ke numerous properties hote hain (permanent property ko 'Guna' kehte hain). Syadvada ke mutabik humara gyan partial/relative hota hai kyunki passion, anger, greed waghera hamare gyan ko obstruct karte hain. [Q29]
- Jain philosophy ke mutabik 'Tattva' (reality) ki characteristics hain: Origination (utpatti), Decay (naash) aur Permanence/Nityata (sthirta) — koi bhi entity 'Sat' (real) tabhi maani jaati hai jab usme permanence AUR transformation dono ho. [Q30]

7. Jain Worldview — Eternal Universe, Non-violence & Karma

- Jainism 'duniya ke final annihilation (poori tarah khatam ho jaana)' ke concept mein believe NAHI karta — Jain belief ke mutabik universe aur uske sabhi substances eternal (hamesha rehne wale) hain, koi almighty inhe banane/manage karne ki zaroorat nahi hai. [Q27, Q31]
- Jainism ka basic point 'Non-violence' (Ahimsa) hai — isliye Jainism ko 'Ahimsa ka dharm' bhi kehte hain. Ahimsa, Anekantvad aur Aparigraha — ye Jainism ke cardinal (mool) principles hain. [Q32]
- Jaina Doctrine ke mutabik: har object (particle tak) mein ek soul hota hai (hylozoism). Karma ek extremely subtle matter hai jo soul mein infiltrate hokar uski natural purity ko dhaakta hai. Soul ki current state countless ages ke accumulated Karma ki wajah se hoti hai, aur extreme penance/asceticism hi Karma khatam karne ka surest tareeka hai. [Q47]
- Jain tradition maanta hai ki soul sirf animal/plant life mein hi nahi, balki rocks, running water jaise non-mobile bodies mein bhi hota hai — universe sirf insaano ke liye nahi, sab living beings ke liye ek evolution field hai. [Q56]

8. Jain Sects — Digambara, Shwetambara & Sub-sects

- 'Yapaniya' Jain religion ka ek sect tha, jo Digambaras se originate hua maana jaata hai — lekin ye kuch Shwetambar opinions bhi follow karte the, aur apne temples mein Tirthankaro ki nude images ki pooja karte the. [Q33]
- 'Sthanakvasi' Shwetambara Jainism ka ek sect hai — iska predecessor reformist sect 'Lonka' tha (Lonkasha ne banaya). Ye maante hain ki soul-purification/Nirvana ke liye idol worship zaroori nahi hai. [Q34]
- Mahavira ki mrityu ke ~150 saal baad, Magadha mein 12 saal ka bhayanak akaal (famine) aaya. Bhadrabahuwami apne followers ke saath South mein migrate kar gaye — wo log unclad rahe aur 'Digambar' kehlaaye. Jo log North mein reh gaye (unme Sthulabhadra prominent the) wo plain white cloth pehente the — unhe 'Shwetambar' kaha gaya. Sthulabhadra hi Shwetambar creed ke first founder maane jaate hain. [Q39]
- Kalinga king Kharavela (1st century BC) Jainism ka follower tha aur Jain monks ko patronage deta tha. Bhadrabahuwami ne South India mein Jainism phailayi (Sthulabhadra ne nahi) — unke followers 'Digambaras' kehlaaye, na ki 'Shwetambaras'. [Q46]

9. Jain Literature & Scriptures

- 'Fourteen Purvas' Jainism ki sabse purani holy book hai, jo sabhi Tirthankaro dwara preach ki gayi thi — last Nand Ruler ke time, Sambhutavijay aur Bhadrabahu, Sangha ke presidents the aur inn ancient texts ka gyan rakhte the. [Q35]
- Sabse purana Jain literature 'Ardh-Magadhi' language mein compile hua tha — inke 12 Angas isi bhasha mein hain. Ye holy books finally 6th century AD mein Vallabhi (Gujarat ke pass) mein compile ki gayi thi. [Q36]
- 'Therigatha' (jisme early Buddhist nuns/bhikshunis apne struggles bataati hain) ek Buddhist scripture hai, Jain literature ka hissa NAHI hai. [Q38]
- Statement check: Shvetambara Canon mein 12 Angas hain, jo Mahavira ki teachings par based hain (sahi) — lekin inki compilation Vallabhi mein NAHI, balki 1st Jain Council (Pataliputra, ~310 BC) mein hui thi (ye statement galat hai). [Q44]

10. Jain Councils

- Pehla Jain Council, Chandragupta Maurya ke reign mein, Pataliputra mein hua tha — isme Shwetambara Agama edit ki gayi thi (Sthulabhadra ki leadership mein). Baad mein purane texts destroy ho gaye, isliye 4th century BC mein ek aur council organize hui jisme Bhadrabahu ke followers participate nahi kar paye. [Q42, Q43]

11. Mahavira's Disciples & Early Community

- Jamali (Mahavira ke damad/son-in-law) Mahavira ke pehle disciple/follower the — unhone 500 warrior-caste logo ke saath vow liya tha. [Q40, Q41]

12. Comparative & Historical Facts

- Statement check: Mahavira ki maa Trishala, Lichchhavi King Chetaka ki BEHEN thi, BETI nahi (statement galat). Gautam Buddha ki maa Maya, Suddhodana ki patni, ek Koliya princess thi (sahi). Parshvanatha, King Aswasena aur Queen Vama (Varanasi) ke ghar paida hue the (sahi). [Q45]
- 3rd-4th century mein South India ke Ikshvaku rulers Vedic religion follow karte the lekin dusre religions ko bhi support karte the. Bengal, Pala dynasty ke time Buddhism ka bada center bana tha (Pala rulers ke support ki wajah se). [Q49]
- Acharya-Sect match: Lakulisa → Pasupat (Shaivism); Nagarjuna → Sunyavada (Buddhism); Bhadrabahu → Jain (Digambara sect); Gosala → Ajivaka. [Q57]
- Kaushambi (UP) Jains aur Buddhists — dono ke liye ek famous pilgrimage site hai. Mahatma Buddha ne yahan bahut baar preach kiya tha, aur yahan ka sabse famous monastery Ghoshitram tha (Shresthi Ghoshit ne banwaya). [Q59]

13. Ajivika Sect — A Related Ascetic Tradition

- 'Ajivika' sect Makkhali Gosala ne popularize kiya tha — wo shuru mein Mahavira ke disciple the, baad mein matbhed (difference of opinion) ki wajah se alag ho gaye. Unse pehle bhi Ajivika scholars the (Nanda Vaccha, Kisa Samkicca) lekin Gosala ne is sect ko sabse zyada popularize kiya. [Q50, Q51]
- Ajivika sect 'Niyatiwad' (fatalism/destiny ka siddhant) mein believe karta tha — inke mutabik duniya ki har cheez destiny/fate se control hoti hai, aur insaan iske aage kuch nahi kar sakta (koi free will nahi). [Q52, Q53]
- Ajivika sect ki beliefs: Determinism (fate sab kuch decide karta hai) — sahi; extreme austerities (lambi chuppi, fasting) practice karte the kyunki ye unka predestined path tha — sahi; free will na maanne ki wajah se ye bhi maante the ki rebirth cycle ko personal/religious actions se badla NAHI ja sakta. [Q54]
- Makkhali Gosala (Mahavira aur Buddha ke samkalin) Ajivika sect ke sabse prominent leader the (sahi). Unki philosophy 'Niyati' (fate) par based thi, jisme free will ke liye koi jagah nahi thi (sahi). Ajivikas caste-class system ko reject karte the, egalitarian the (ye statement sahi hai, 'reject nahi karte the' wala statement galat hoga). Ye log regular sabhas (meetings) bhi organize karte the (sahi). [Q55]
- Barabar aur Nagarjuni hills (Mauryan emperor Ashoka aur unke pote Dasaratha ke time cut ki gayi) ki caves Ajivika followers ke rehne ke liye bani thi. [Q58]

14. Death Rites — Samadhi Maran (Sallekhana)

- 'Samadhi Maran' (Sallekhana ya Sanyasna Maran bhi kehte hain) Jain ethical code ka aakhri vow hai — jab normal life possible na rahe (budhape, laa-ilaaj bimari waghera ki wajah se), tab Jain ascetics aur lay-followers dheere-dheere khana-paani kam karke apni zindagi khatam karte hain. [Q48]

15. Gommateshwara (Bahubali) & Shravanabelagola

- ⚠ Common Trap: Shravanabelagola ki Gomateshwara (Bahubali) statue Jainism ke pehle Tirthankara Rishabhdev ke BETE Bahubali ko represent karti hai — ye AAKHRI Tirthankara (Mahavira) ko represent NAHI karti (ye ek galat statement hai jo exam mein pucha jaata hai). [Q60]
- Gommateshwara statue, Chamundraya ne banwayi thi (Ganga ruler Rachamalla-IV/Panchmalla ke minister), lagbhag 981 AD mein. [Q61]
- 'Mahamastakabhisheka' Bahubali (Gomteshwara) se related ek bada religious event hai — ye Shravanabelagola (Karnataka) mein har 12 saal mein hota hai. Yahan ki Bahubali statue 18 meter ooncha hai. [Q62]
