1. Economy — Earliest Coins & the Shreni (Guild) System

- India ke sabse purane surviving coins Silver ke bane the — inhe 'Aahat coins' ya 'Punch Marked coins' kaha jaata hai, kyunki inpar stamp se marks banaye jaate the. [Q1]
- 'Shreni' system ancient India mein traders/artisans (guilds) ki ek organization thi jo goods ki quality aur prices control karti thi. Ye system sirf North India tak limited NAHI tha — South India mein bhi prevalent tha. [Q60]

2. The 16 Mahajanapadas — Textual Sources

- 16 Mahajanapadas ki list Buddhist text 'Anguttara Nikaya' mein milti hai — inme Anga, Magadha, Kashi, Koshala, Vajji, Malla, Chedi, Vatsa, Kuru, Panchal, Matsya, Shurasena, Ashmaka, Avanti, Gandhara aur Kamboj shaamil hain. Ye list Jain text 'Bhagavati Sutra' mein bhi milti hai. [Q22, Q23, Q24, Q26]
- Panini (Sanskrit grammarian, Ashtadhyayi ke author, Pushkalavati/Gandhara se) ne apne texts mein 22 alag Janapadas ka zikr kiya, lekin unme se 16 Mahajanapadas mein se sirf 3 sabse mahatvapurna Janapadas — Magadha, Ashmak aur Kamboj — ka specifically zikr kiya. [Q25]

3. Mahajanapada Capitals — Important Match Lists

- ⚠ Exam Trap: Koshala ki rajdhani Saket/Shravasti thi, Ahichchhatra NAHI (wo Northern Panchala ki rajdhani thi) — ye common galat-match hai jo exam mein poochha jaata hai. [Q2]
- Mahajanapada-Capital match: Kuru → Indraprastha; Panchal → Ahichchhatra; Koshala → Saket (Shravasti); Vatsa → Kaushambi. [Q56]
- Mahajanapada-Capital match: Matsya → Virat Nagar; Kuru → Indraprastha; Shurasena → Mathura; Asmak (Ashmak) → Potan/Paithan. [Q57]
- ⚠ Exam Trap: Shurasena ki rajdhani Mathura thi, Kaushambi NAHI (Kaushambi Vatsa Mahajanapada ki rajdhani thi) — ye bhi ek common galat-match hai. [Q58]

- North Panchal ki rajdhani (Mahabharata ke mutabik) Ahichchhatra thi, aur South Panchal ki rajdhani Kampilya thi. Hastinapura aur Indraprastha Kuru ki rajdhaniyan thi, aur Mathura Shurasena ki. [Q27]
- 16 Mahajanapadas ke period mein Mathura, Surasena (Shurasena) Mahajanapada ki rajdhani thi. [Q28]
- Champa (Campa), Anga Mahajanapada ki rajdhani thi — ye modern Munger aur Bhagalpur (Bihar) districts cover karta tha. Baad mein Bimbisara ne ise Magadha mein annex kar liya. [Q29]
- 6th century BC mein, Chedi Mahajanapada (modern Bundelkhand ke aas-paas) ki rajdhani 'Sotthivati' thi, jise Mahabharata mein 'Suktimati' kaha gaya hai. [Q30]

4. Mahajanapada Geography & Locations

- Ujjain (Madhya Pradesh ke Malwa region mein) ka ancient naam 'Avantika' tha — ye Avanti Mahajanapada ki 2 rajdhaniyo mein se ek thi. [Q6]
- Map par 4 Mahajanapadas: Matsya (Rajasthan ke Jaipur-Alwar-Bharatpur districts, capital Viratnagar), Avanti (Malwa region — Northern Avanti ki capital Ujjayini, Southern Avanti ki capital Mahishmati), Vatsa (Prayagraj-Kaushambi districts, capital Kaushambi), aur Anga (Bihar ke Bhagalpur-Munger districts, capital Champa). [Q7]
- Madhyamika (Nagari) aur Viratnagar — dono aise ancient cities hain jinka zikr Mahabharata AUR Mahabhashya, dono mein milta hai. Viratnagar ko King Virat ne basaya tha, aur ye Matsya kingdom ki rajdhani thi. [Q8]
- 'Assaka' (Ashmaka) Mahajanapada, Godavari aur Narmada river ke beech situated tha — iski rajdhani Paithan/Potan (ancient naam Prathisthana) thi. [Q31]
- Matsya Mahajanapada (6th century BC) Rajasthan ke Jaipur, Alwar aur Bharatpur ke aas-paas situated tha — iski rajdhani Viratnagar thi. [Q32]
- 16 Mahajanapadas mein se 8 modern Uttar Pradesh mein situated the: Kuru (Meerut-Delhi-Thaneswar), Panchala (Bareilly-Badaun-Farrukhabad), Shurasena (Brajmandal), Vatsa (Prayagraj-Kaushambi), Koshal (Awadh), Malla (Deoria-Kushinagar), Kashi (Varanasi), aur Chedi (Eastern Bundelkhand). [Q59]

5. Republics of the 6th Century BCE

- Buddha period (6th century BC) mein bahut saari Republics (Ganarajya) exist karti thi: Shakya (Kapilavastu), Bhagga (Sumsumaragiri), Buli (Alakappa), Kalam (Kesaputta), Koliya (Ramgama), Malla (Kusinara), waghera. Lekin 'Yaudheya' is period ki Republic NAHI thi — wo post-Mauryan era mein prominent hui. [Q18]
- Duniya ki pehli Republic (ganatantra) Vaishali mein, Lichchhavi dynasty ne establish ki thi. Vaishali ka naam Mahabharata era ke King Vishal se pada — ye ek bada Buddhist pilgrimage site hai aur Mahavira ki janmabhoomi bhi. [Q19, Q20]
- Pair match: Chetak — Lichchhavi (King Chetak Lichchhavi republic ke emperor the, unki beti Chelana ki shaadi Magadha King Bimbisara se hui thi). Parsvanath Jnatika clan se NAHI the (Mahavira the); Bindusara Mauryan king the, Shakya nahi; Skandagupta Gupta king the, Maurya nahi. [Q21]

6. Kings of Avanti & Vatsa — Pradyota, Udayan

- Chand-Pradyota (ya Pradyota), Avanti ke ruler the — wo Pulika ke bete the, jinhone apne master ko Ujjain mein maar kar apne bete ko raja banaya tha. Pradyota, Buddha aur Bimbisara ke samkalin the — unka zikr Mahavagga (Vinaya Pitaka ka hissa) aur Puranas mein milta hai. Unhone 23 saal raj kiya. Bimbisara ne apne Raj Vaidya Jivak ko Pradyota ke jaundice ke ilaj ke liye bheja tha. [Q4]
- Kavi Bhaas ke natak 'Svapnavasavadattam' mein 'Udayan-Vasavadatta' ki legend hai — ye Vatsa ke raja Udayan aur Avanti King Pradyota ki beti Vasavadatta ki love story hai, jab Udayan Ujjayini mein qaid the. [Q15]
- Ruler-Kingdom match: Pradyot → Avanti; Udayana → Vatsa; Prasenjit → Koshala; Ajatashatru → Magadha. [Q3]

7. Pataliputra — Foundation & Key Facts

- ⚠ Disputed: Pataliputra ka founder kaun tha, is par confusion hai — historically ise Ajatashatru ne ek fort ki tarah banwaya tha, lekin unke successor Udayin ne isse Rajgriha se capital shift karke ek poori city bana diya — isliye alag-alag exams alag-alag answer (Ajatashatru ya Udayin) accept karte hain. [Q9, Q12, Q13]
- Pataliputra (aaj ka Patna) North mein Ganga river se aur West mein Son (Sone) river se ghira hua tha — strategically rivers ke sangam par situated tha. [Q10]
- Diye gaye options mein se, apne poore empire ki capital Pataliputra ko banane wale pehle ruler Chandragupta Maurya the (halaki Udayin ne pehle hi ise Magadha ki capital bana diya tha, lekin wo option mein nahi hote). [Q11]

8. Rise of Magadha & its Early Capitals

- Ganga river ke South ka area ancient time mein 'Magadha' kehlaata tha (diye gaye options mein ye naam nahi tha, isliye 'None of the above' sahi answer hai). Takshashila Indus-Jhelum ke beech thi, Chola Godavari ke South mein thi, aur Anarta Gujarat ka ek Vedic-era kingdom tha. [Q14]
- Pehla Magadhan Empire 6th century BC mein flourish hua — iske actual founder King Bimbisara (~544-492 BC) the, jo Haryanka dynasty se the. [Q16]
- 6th century BC ki shuruaat mein Magadha sabse powerful city-state thi — ye sabse ameer aur prosperous Mahajanapadas mein se ek thi. Magadha ki Koshala, Anga aur Kashi se lambi rivalry rahi, aur aakhir mein Magadha hi supremacy ke liye jeeti. [Q17]
- Girivraja (Rajgriha) hi Magadha ki pehli/initial capital thi — yahi pehla Buddhist Council organize hua tha aur Mahavira ne apna pehla sermon diya tha. Puranas ke mutabik Brihadrath dynasty pehli thi jisne Magadha par raj kiya, aur unke bete Jarasandha ne Girivraja ko apni capital banaya. [Q33, Q34, Q36]
- ⚠ Disputed: Magadha ki pehli capital Rajgriha (Girivraj) thi — lekin agar options mein Rajgriha na ho, to 'None/More than one' sahi answer ban jaata hai. Baad mein Udayin (Haryanka dynasty) ke reign mein capital Pataliputra shift ho gayi thi. [Q35]
- Girivraja/Rajgriha aur Pataliputra — dono Magadha Empire ki capitals thi. Lekin Kaushambi Magadha ki capital NAHI thi — wo Vatsa state ki rajdhani thi. [Q37]

9. Haryanka Dynasty — Bimbisara & Ajatashatru

- Bimbisara ne ancient Bihar mein 'Haryanka Vansh' (dynasty) ki sthapna ki — ye Magadha ki dusri ruling dynasty thi, jo mythical Barhadratha dynasty ke baad aayi. [Q40]
- Ajatashatru (492-460 BC), Haryanka dynasty ke the — unhone apne pita Bimbisara ko maar kar gaddi hasil ki thi, aur khud unke bete Udayin ne unhe usi tarah maar diya tha. [Q39, Q41, Q42]
- Ajatashatru ne Vajji confederacy (jiski principal republic Vaishali thi, jise Lichchhavis chalate the) ko haraya aur Magadha mein assimilate kar liya. Nirayavali Sutra ke mutabik, Chetak (Lichchhavi chief) ne 9 Lichchhavis, 9 Mallas aur 18 Ganrajyas ka united front banaya tha — lekin Bhagavati Sutta ke mutabik Ajatashatru hi jeete the. [Q43]
- Jivaka (Jeevaka), Mahatma Buddha ke samkalin ek famous physician the, jo Bimbisara ke darbar se associated the. Bimbisara ne unhe Avanti ke raja Chandapraditya ke jaundice ka ilaj karne bheja tha. [Q52, Q53]

10. Later Magadhan Dynasties — Shishunaga, Nanda & Maurya

- Matsya Purana ke mutabik, Magadha ke raja Shishunaga ne Nandivardhan ko haraakar Avanti (Malwa) ko apne empire mein annex kar liya tha — isse Magadha ki power Malwa region tak phaili. [Q44]
- Shishunaga dynasty ke baad Nanda dynasty ne Magadha par raj kiya. Mahapadmananda (Ugrasen bhi kehte the) Nanda dynasty ke founder the — Puranas mein unhe 'Sarvakshatrantaka' aur 'Aparaparashurama' (dusra Parashurama) bhi kaha gaya hai kyunki unhone bahut vistar se conquest ki thi. [Q45, Q46, Q47]
- 6th century BC mein, Varanasi Kashi Mahajanapada ki rajdhani thi — Bimbisara ko ye dahej (dowry) mein mili thi jab unhone Mahakoshala se shaadi ki. Baad mein Shishunag ne jab Vaishali ko apni capital banaya, to unhone apne bete ko Varanasi ka deputy-king banaya — isliye UPPSC ke mutabik Shishunag ko Varanasi ki 'second capital' banane wala maana jaata hai. [Q48]
- Nanda dynasty ke aakhri raja Dhanananda the — unke extortion aur heavy taxes ki wajah se log pareshan the. Chandragupta Maurya ne Chanakya ki madad se Dhanananda ko haraakar Maurya Empire ki sthapna ki. [Q49]
- Kalinga ke Chedi dynasty ke Emperor Kharvel ka 'Hathigumpha inscription', King Nanda (Mahapadmananda) ka evidence deta hai — isme Kalinga mein canal khudwane ka zikr hai, jo is tarah ka pehla inscription hai jo canal-engraving ke baare mein bataata hai. [Q5, Q50]
- Magadhan dynasties ka chronological order: Haryanka dynasty (544-412 BC) → Nanda dynasty (344-321 BC) → Mauryan dynasty (321-184 BC) → Shunga dynasty (184-75 BC). [Q51]

11. Cities — Shravasti & Kalpi

- Ancient Shravasti (Alexander Cunningham ne 1861 mein Sahet-Mahet, UP mein identify kiya tha) ka town-configuration 'Crescentic' (aadhe-chaand jaisa) tha — ye excavations se pata chala hai. [Q38]
- Kalpi town, UP ke Jalaun district mein, Yamuna river ke kinare situated hai — ancient time mein ye 'Kalpriyanath' ya 'Kalpriya Nagari' ke naam se famous tha. [Q55]

12. Religious & Social Context of the 6th Century BCE

- 6th century BC mein North India ki middle Ganga valley mein bahut se naye religious sects emerge hue — ye ek intellectual environment ki wajah se hua. Vedic religion complicated ho gayi thi, Shlokas aur Yajnas ki purity par zyada focus ho gaya tha, jisse priests ka importance bahut badh gaya tha aur sacrifices mehenge ho gaye the — dono statements sahi hain. [Q54]
