1. Political Situation in India at the Time of Alexander's Invasion

- Alexander ke invasion ke time North India par Nanda dynasty raj kar rahi thi — Mahapadmananda ke 8 successors the (Puranas aur Buddhist texts ke mutabik), jinme se Dhanananda is dynasty ke aakhri ruler the aur Alexander ke samkalin bhi the. Greek writers unhe 'Agrammese' bulaate the, Xenophon ne unhe ek ameer insaan bataya hai, aur Bhaddasala unke commander the. [Q1, Q2]
- Alexander ki India mein safalta ki 3 mukhya wajahein thi: (1) us waqt India mein koi central power/authority nahi tha — Dr. Hemachandra Rai Chaudhary ke mutabik us time 28 independent powers thi; (2) Alexander ki army superior thi; (3) Ambhi jaise kai Indian traitor rajaon ne unhe support kiya tha. (Ek accha administrator hona unki military jeet ki direct wajah NAHI thi.) [Q5]

2. Alexander's Campaign — Battles, Resistance & Departure

- Assertion-Reason: Alexander ne lagbhag 2 saal India mein campaign karne ke baad 325 BC mein India chhod diya (sahi) — lekin iski wajah Chandragupta Maurya se haar NAHI thi (galat Reason). Achaemenid empire ko 326 BC mein khatam karne ke baad, Alexander ne bade army ke saath India par campaign shuru ki thi, aur 2 saal baad Patala se Greece wapas laut gaye. Unki army ne Beas (Hyphasis) river paar karne se mana kar diya tha, kyunki wo war se thak chuke the aur ghar jaana chahte the (homesickness). [Q3]
- Ashvaka, ek frontier republic tha (invasion ke time), jiski capital Massaga (Masakavati) thi. Jab Ashvaka ke bahut se soldiers battlefield mein maare/ghayal ho gaye, to Massaga ki auraton ne khud hathiyar uthaakar Alexander ke against ladaai ki — Greek writers ke mutabik Alexander ne is town ki sabhi auraton ko maar dala tha. [Q4]
- Puru (Porus), jinka raajya Jhelum aur Chenab river ke beech tha, unhe Alexander ne Jhelum river ke kinare 'Battle of Hydaspes' mein haraya tha — lekin unki bahaduri se impress hokar Alexander ne unse dosti kar li, unka rajya wapas kar diya, aur kuch aur ilaake bhi tohfe mein diye. [Q6]

3. Alexander's Companions & Later Greek Contacts

- Deimachus, Alexander ke saath India NAHI aaye the — Strabo ke mutabik, Seleucid emperor Antiochus I ne Deimachus ko apna ambassador banakar Mauryan King Bindusara ke darbar mein bheja tha (ye Alexander ke bahut baad ki baat hai). Alexander ke actual companions/writers the Nearchus, Onesicritus, aur Aristobulus. [Q7]
