1. Invitation to Invade India — Alam Khan & Daulat Khan

- Alam Khan, Ibrahim Lodi ke uncle the aur khud Delhi ki gaddi ke ek pretender (dawedaar) bhi the — unhone Babur ko India invade karne ke liye invite kiya tha. Babur ke 4th Indian campaign ke time, Ibrahim Lodi aur Daulat Khan ke relations bigad gaye — ye Babur ke liye ek golden opportunity thi, kyunki unhe pehle se hi Mewar ke Rana Sanga ki bhi invitation mil chuki thi. [Q1]
- Daulat Khan Lodi (Punjab ke Governor) ne Ibrahim Lodi ko overthrow karne ke liye Babur ko India invade karne ki invitation di thi. [Q2]

2. Babur's Origins & Central Asian Struggles

- Mughal rulers, Turks ki 'Chagatai' branch se the — ye naam Genghis Khan ke doosre bete Chagatai Khan ke naam par pada, jo Central Asia aur Turkistan ke raja the. [Q3]
- Shaybani Khan ne 1501 AD mein Ferghana par invade karke Babur ko 'Battle of Sar-e-Pul' mein haraya aur Samarqand par kabza kar liya — Babur bhaag kar, 3 saal tak Afghanistan ki pahadiyo aur Khurasan ke maidano mein bhatakte rahe, Samarkand wapas paane ki kai koshishein karte rahe. Shaybani ne unhe haraane ke liye 'Tulughma' technique use ki thi, jise Babur ne baad mein khud bhi apnaya. [Q4]
- Babur ne 1501 AD mein Samarkand capture kiya tha jo sirf 8 mahine chala — Samarkand aur Ferghana dono khone ke baad, Babur Kabul ki taraf badhe. 1504 mein Kabul jeetne ke baad, unhone apne ancestors ki 'Mirza' title chhodkar 'Padshah' ki title apnayi. [Q21]

3. The First Battle of Panipat

- Mughal ruler Babur ne India mein 'Ottoman (Rumi) system of war' use kiya, First Battle of Panipat (1526 AD) ke dauran — unki jeet ki sabse important wajah thi unki artillery cannons/guns (Ustad Ali Quli ki leadership mein), aur Tulughma-Araba (barricades ke roop mein carts) tactics ka use. [Q5]
- First Battle of Panipat, 21 April 1526 AD ko Babur aur Ibrahim Lodi ke beech ladi gayi thi — Ibrahim Lodi ki army sankhya mein zyada hone ke bawajood haar gayi, aur wo khud is battle mein maare gaye. Is jeet ke result mein Delhi-Agra tak ka poora ilaka Babur ke control mein aa gaya — unhone 27 April 1526 AD ko khud ko raja declare karke Mughal Empire ki sthapna ki. [Q6, Q10, Q11]

- Babur ki Panipat ki ladai mein jeet ki mukhya wajah unki skilled warfare (effective military tactics/commandant-ship) thi — unki army Ibrahim Lodi se chhoti hone ke bawajood, Tulughma system jaisi effective warfare policy se jeet gayi. Babur ne khud likha: 'Ibrahim Lodi ek inexperienced jawan tha, jo bina order/method ke march karta tha.' [Q7, Q8]
- India mein artillery ka use sabse pehle First Battle of Panipat (21 April 1526 AD) mein hua tha — Babur ne is se pehle Battle of Bajaur (1519 AD, Pakistan) mein bhi artillery-guns use kiya tha, lekin major Indian battles mein Panipat hi pehli thi. Artillery battalion Ustad Ali Quli ke, aur gunners battalion Mustafa ke under thi. [Q9]

4. Babur's Later Battles — Khanwa, Chanderi & Ghaghra

- ⚠️ Trap: Battle of Chanderi (Babur vs Medini Rai) 1530 mein NAHI, balki 1528 AD mein ladi gayi thi. Baaki sahi hain: First Battle of Panipat (1526, Babur vs Ibrahim Lodi); Battle of Khanwa (1527, Babur vs Rana Sanga); Battle of Ghaghra (1529, Babur vs Afghan rulers). [Q12]
- Babur ki battles ka sahi chronological order: First Battle of Panipat (1526) → Battle of Khanwa (1527) → Battle of Chanderi (1528) → Battle of Ghaghra (1529). [Q13]
- Battle of Khanwa (16 March 1527 AD) mein Babur ne apni dispirited (himmat-hari) troops ko motivate karne ke liye 'Jehad' (Holy War) declare kiya tha — is ladai mein unhone Mewar ke raja Rana Sanga ko haraya aur 'Ghazi' ki title apnayi. [Q16, Q17, Q18, Q19]

5. Babur's Contributions, Empire & Legacy in India

- Statement check: Gunpowder India mein Babur se pehle hi aa chuki thi (fort walls todne ke liye use hoti thi) — lekin pitched battles mein cannons-guns effectively use karne ka credit Babur ko jaata hai. Arch-Dome Sultanate period mein hi introduce ho chuki thi, Babur ne India ki architecture ko shuru mein zyada influence nahi kiya. Babur, Turk-Mongol conqueror Timur ke vanshaj the (father's side se) — unki gaddi ne region mein Timurid dynasty (Mughal Empire) ki shuruaat ki. [Q14, Q15]
- Babur ki empire mein Kabul ka area, modern Punjab ka area, aur modern Uttar Pradesh ka area (Bihar tak) shaamil tha — lekin modern Rajasthan poori tarah unki empire mein SHAAMIL NAHI tha, kyunki uske bade hisse independent Rajput rulers ke control mein the. [Q22]
- Zahiruddin Muhammad Babur ki zindagi 'patience aur resolution' (dhairya aur sankalp) se success paane ka ek lesson deti hai — bachpan mein hi unke pita ki mrityu ho gayi thi, unhone apni ancestral kingdom Ferghana khoyi, aur bahut haar-bhatakna jhela — lekin aakhir mein unki dhairya-shakti ka reward mila. [Q23]
- Babur ne apni autobiography 'Baburnama' mein 2 prominent Hindu States — Vijayanagara aur Mewar — ka zikr kiya hai. Unhone likha: 'Jab hum Kabul mein the, Rana Sanga ne apni loyalty dikhayi thi ki agar honoured king Delhi ki taraf se aaye to wo (Rana Sanga) unka saath denge.' [Q24]

6. Babur's Name, Titles & Autobiography

- India mein Mughal ruler banne ke baad, Zahiruddin Muhammad ne 'Babur' naam apnaya — unka janm 14 February 1483 AD ko, Umar Shaikh Mirza aur Qutlugh Nigar Khanum ke ghar, Ferghana mein hua tha. Unhone 27 April 1526 AD ko khud ko ruler declare karke Mughal empire ki sthapna ki. [Q20]
- Assertion-Reason: Babur ne apni memoirs 'Tuzuk-i-Babri' (Baburnama) Turkish (Chagatai Turkic) language mein likhi (sahi Assertion) — lekin Turkish, Mughal Empire ki official language NAHI thi (galat Reason) — Mughal court ki official language Persian thi. [Q25]
- 'Tuzuk-i-Baburi' (Baburnama) Turkish (Chagatai Turkic) language mein likhi gayi thi. [Q26]

7. The Babri Mosque

- Ayodhya ki 'Babri Masjid' Mir Baqi ne banwayi thi — wo Babur ke ek general/commandant the. [Q27]
