25. Chronology of Akbar's Religious Policy

1. Akbar's Accession & Bairam Khan

- Humayun ki mrityu (1556 mein, apni library Sher Mandal, Dinpanah, Delhi ki seedhiyo se gir kar) ki khabar milne par, Akbar ko Kalanaur (Punjab) mein enthrone (rajyabhishek) kiya gaya. [Q1]
- Statement check: Akbar ne Bairam Khan (unke guardian aur military commander) ko 'Khan-i-Khanan' ki title di thi (sahi) — lekin ye title unhe appointment ke time hi de di gayi thi, baad mein nahi (isliye doosra statement galat hai). [Q2]

2. Battle of Haldighati & Rajput Resistance

- Battle of Haldighati (18 June 1576 AD) Maharana Pratap (Mewar) ki forces aur Raja Man Singh-I (Amber) ki leadership wali Mughal army ke beech ladi gayi — Akbar ka mukhya maksad tha Rana Pratap ko subdue karke unse Mughal suzerainty accept karwana. [Q3, Q4]
- Hakim Khan Sur (Sher Shah Suri dynasty ke descendant, ek Pathan adventurer) Maharana Pratap ki army ke Commander-in-Chief the — unhone ~5,000 Afghans ki army lead ki thi, Rajput forces ke saath. [Q5, Q6, Q7]
- Mewar ka Sisodia Rajput rajya, Akbar ki supremacy accept karne se poori tarah inkaar karta raha — Rana Udai Singh aur unke bete Maharana Pratap ne lambe samay tak Akbar ke against apna

sangharsh jaari rakha. Rana Pratap ki mrityu ke baad hi unke bete Rana Amar Singh ne 1615 AD mein Jahangir (Akbar ke successor) ke saath peace treaty ki. [Q13]

- Rana Pratap (Mewar) ke alawa, Rao Chandrasena (Marwar/Jodhpur) ne bhi Akbar ki supremacy ka virodh kiya, apni azaadi ke liye guerrilla wars ladte hue, 1581 AD mein apni mrityu tak — unhe 'Marwar ka Maharana Pratap' bhi kaha jaata hai. [Q14]
- Rani Durgavati, Gondwana (Garha-Katanga) ki brave Queen Regent thi, apne minor bete Vir Narayan ke naam par raj karti thi — jab Akbar ne Asaf Khan ki leadership mein badi Mughal army bheji, to unhone bahaduri se ladai ki lekin Garh-Mandla ke beech haar gayi. [Q15]

3. Akbar's Territorial Expansion & Chronology

- Map-based question: Akbar ki empire 1605 AD (unki mrityu ke time) mein bahut vistrut thi — 'A' Gondwana ko represent karta hai (jo apni tribal autonomy retain karta tha), aur 'B' Lahore ko (jo unki empire ka ek major city/temporary capital tha). [Q8]
- Chronological order: Mughal invasion of Malwa (Baz Bahadur ki haar, 1561 AD) → Akbar ki shaadi Amber ki Princess se (Jodha/Harkhabai, 1562 AD) → Karrani ka Orissa conquest (Sulaiman Karrani, 1568 AD) → Battle of Tukaroi (Mughals ne Bengal-Orissa ke Daud Khan Karrani ko haraya, 1575 AD). [Q21]
- Daud Khan Karrani ne 1572 AD mein Patna ke Mughal fort par invade kiya tha — Akbar ne Munim Khan ko bheja isse dabaane ke liye, aur aakhir mein 12 July 1576 AD ko Todarmal ne Daud Khan ko decisively haraya, jisse Akbar ne Bengal aur Bihar ko formally apni empire mein merge kar liya. [Q81]

4. Rajput Matrimonial Alliances

- Akbar ki Rajputs ke saath pehli matrimonial alliance (shaadi ka sambandh) Amber ke Kachhwaha Rajput ghar se hui thi — 1562 AD mein Ajmer ki pilgrimage ke dauran, Amber ke Raja Bihari Mal (Bharmal) ne apni beti Harkhabai (Princess) ki shaadi ka proposal khud diya. Salim (baad mein Emperor Jahangir) isi shaadi se paida hue the. [Q9, Q10]

5. Akbar, Sufism & Personal Justice

- Akbar Sufism aur Chishti sect ka bahut respect karte the — wo Ajmer mein Khwaja Muinuddin Chishti ki Dargah (Mausoleum) frequently visit karte the, aur Sikri mein Shaikh Salim Chishti ka aashirwad bhi liya. [Q11]
- Akbar ne khud apne haath se Adham Khan (unki paalak-maa Maham Anga ke bete) ko 1562 AD mein Agra ke palace ki terrace se neeche phenk diya tha — ye Adham Khan ke unke Prime Minister Atagh Khan (Shams-ud-Din Ataga Khan) ki nirmam hatya karne ki saza thi. [Q12]

6. The Assassination of Abul Fazl

- Prince Salim (baad mein Emperor Jahangir) ne 1602 AD mein Akbar ke trusted advisor-historian Abul Fazl ki hatya organize ki thi — Salim, Allahabad mein rebel kar rahe the, aur Akbar ne Abul Fazl ko

Deccan se bulaya situation handle karne ke liye. Salim ne Bundela chief Vir Singh Deo ko rasta rokne aur unhe maarne ke liye hire kiya tha. [Q16]

7. Akbar's Character, Popularity & Governance Philosophy

- Akbar ko 'national king' isliye maana jaata hai kyunki unhone desh ko administratively-culturally-religiously unify karne ki koshish ki (secular tolerance ke through) — ⚠️ 'Akbar ne Islam chhod diya' wala claim historically GALAT hai, unhone syncretic faith (Din-i-Ilahi) promote ki thi, Islam poori tarah tyaag nahi kiya. [Q17]
- Akbar ki lasting popularity ke karan the: Mansabdari system (military-civil administration ko consolidate kiya), Religious Policy (Jizya-Pilgrimage tax abolish karna), Land Revenue System (Todarmal ke reforms), aur Social Reforms. [Q18]
- Akbar ko 'an enlightened despot' (ek gyani/roshan-khayal tanashah) kaha jaata hai — unke paas absolute despotic power thi, lekin unhone isse progressive reforms, religious tolerance, arts ke patronage aur logo ki bhalai ke liye use kiya. [Q20]
- Akbar ka reign famous hai: Regions ki annexation (military conquests), Provincial Administrative System (Subas mein baatna), aur Judicial Administration ke liye. Wo religious tolerance/liberalism ke liye globally famous hain (Jizya abolish karna, Din-i-Ilahi), religious intolerance ke liye NAHI. [Q24]

8. Social Reforms

- Muslim rulers mein se Akbar ne Pilgrimage Tax (1563 AD) aur Jizya Tax (1564 AD) — dono abolish kiye, Hindu majority ki goodwill jeetne aur secularism promote karne ke liye. [Q19]
- Akbar ne polygamy ko discourage karte hue ek order diya — ki koi purush sirf ek hi patni se shaadi kare, aur doosri shaadi tabhi kare jab pehli patni barren (santan-heen) saabit ho. Unhone widow remarriage ko encourage kiya, aur 'Sati' pratha ko rokne ki koshish ki. [Q22]
- Akbar ne ladkiyo ke liye 14 saal aur ladko ke liye 16 saal marriage ki minimum age fix karne ki koshish ki (statement 1 sahi) — unhone ye bhi decree kiya ki shaadi bride-bridegroom ki mutual consent se ho, ladkiyo ko apni marzi se shaadi karne ki azaadi deke (statement 2 bhi sahi). [Q23]

9. The Mansabdari System

- Akbar ne apni army aur civil administration ko effectively organize karne ke liye 1574-75 AD mein 'Mansabdari' system introduce ki — har officer ko ek rank (Mansab) di jaati thi, jo unka status, salary, aur maintain karne wale troops (cavalry) ki sankhya decide karti thi. Iska mukhya maksad clean, efficient aur centralized administration ensure karna tha. [Q25, Q26, Q27]
- Akbar dwara introduce ki gayi Mansabdari system, Mongolia (Central Asia) ke decimal-based ranking military division system se li gayi thi — Akbar ne isse India ke administrative needs ke hisaab se significantly modify kiya. [Q29]
- Assertion-Reason: Akbar ke time, har 10 cavalymen ke liye Mansabdars ko 20 ghode maintain karne padte the ('Dah-Bisti' rule) — ye sahi Assertion hai. Iski mukhya wajah logistical thi: lambi marches ke

dauran ghodo ko rest ki zaroorat hoti thi, aur intense warfare mein turant replacement ke liye extra ghode zaroori the — ye sahi Reason bhi hai, jo Assertion ko explain karta hai. [Q30]

10. Central Administration — The Office of Diwan

- 'Diwan' Mughal administration mein financial affairs-revenues ke supreme official hote the — is department ki asli growth Muzaffar Khan Turbati ki Diwan (Wazir) ki tarah appointment se shuru hui, Akbar ke reign ke 9th saal mein. Baad mein Raja Todarmal aur Khwaja Shah Mansoor bhi is prestigious post par rahe. [Q28]

11. Land Revenue — The Zabti/Dahsala System & Raja Todarmal

- 'Zabti System' (jise 'Dahsala System' bhi kehte hain) land revenue assessment-collection ke liye Akbar ke reign mein introduce hui — unke brilliant finance minister Raja Todarmal ne ise develop kiya. Isme zameen survey ki jaati thi, aur pichhle 10 saal ki average yield ke basis par revenue fix kiya jaata tha. [Q31, Q32]
- 'Dahsala' system ko 'Bandobast System' bhi kaha jaata hai — kyunki ye ek systematic, settled revenue collection method thi, isliye ise 'Todarmal Bandobast System' bhi kaha jaata hai. [Q33]
- Raja Todarmal apne Land Revenue Reforms (Dahsala/Bandobast system) ke liye famous the — Akbar ke reign mein unhone Mughal finances ko consolidate kiya. [Q34]
- Akbar ke darbar mein aane se pehle, Raja Todarmal ne Sher Shah Suri ke under kaam kiya tha aur land revenue management mein bahut experience hasil ki — isliye unhe Sher Shah aur Akbar ke revenue systems ke beech ek vital connecting link maana jaata hai, jinhone Sher Shah ke experiments (jaise land measurement, Patta system) ko Akbar ki grand Ain-i-Dahsala mein aage badhaya. [Q36]
- Akbar ke reign mein land revenue system 'Ain-i-Dahsala' Raja Todarmal ne develop ki thi. [Q37]

12. Fact-Check — Tansen, Man Singh & Todarmal

- Statement check: Tansen ka asli naam Ramtanu Pandey tha (Rambali NAHI) — 'Tansen' ki title unhe Gwalior/Rewa ke raja ne di thi, Akbar ne NAHI (galat statement). Akbar ki shaadi Man Singh ki bua (aunt, Raja Bharmal ki beti) se hui thi — Jahangir ki shaadi Man Singh ki behen se hui (galat statement about Akbar-Man Singh sister). Abul Fazl ne 'Ain-i-Akbari' likhi (sahi statement). Raja Todarmal Finance Minister (Diwan) the, army ke commander-in-chief NAHI (galat statement). [Q35]

13. Din-i-Ilahi

- Akbar ne 1582 AD mein 'Tauhid-i-Ilahi' ya 'Din-i-Ilahi' launch ki thi — ye ek eclectic, syncretic religious ideology thi jiska maksad tha apni empire ke sabhi religions ke behtareen elements ko merge karna. Birbal isko accept karne wale ekmatra Hindu courtier the. [Q38, Q39, Q40]
- ⚠️ Trap: Contemporary historians mein se kisi ne bhi Din-i-Ilahi ko 'religion' nahi kaha — ye technically ek dharm nahi, balki Sufi pantheism par based ek ethical ideology/spiritual fellowship thi. Baad mein,

Mohsin Fani (Jahangir ke samkalin) ne apni 'Dabistan-i-Mazahib' text mein Din-i-Ilahi ko ek independent religion ki tarah mention kiya. [Q41]

14. Ibadat Khana

- Akbar ne 1575 AD mein 'Ibadat Khana' banwane ka order diya — Ulemas, Sayyids aur Shaikhs ke saath philosophical-theological discussions karne ke liye. Baad mein unhone 1578 AD mein iske darwaze sabhi religions ke logo ke liye khol diye. [Q42]
- Fatehpur Sikri ka 'Ibadat Khana' ek meeting-hall tha jaha Akbar ne alag-alag religions ke scholars ke saath discussions ki. [Q43]

15. Fatehpur Sikri — Monuments & Architecture

- Akbar ne Fatehpur Sikri (City of Victory) basayi thi, jo 1571 se 1585 AD tak Mughal Kingdom ki capital rahi — yahan ki 'Jama Masjid' ko 'Shan-i-Fatehpur' ya 'Shan-i-Sikri' kaha jaata hai. Sikri ke finest monuments (Diwan-i-Aam, Diwan-i-Khas, Panch Mahal, Khas Mahal waghera) Akbar ke reign mein banaye gaye — Percy Brown ne Sikri ko ek unique architectural achievement bataya. [Q44, Q54]
- ⚠️ Trap: 'Akbari Mahal' Fatehpur Sikri mein NAHI, Agra Fort mein hai. Golden Palace (Sunahra Makan/Maryam-uz-Zamani Palace), Panch Mahal aur Jodha Bai's Palace — ye sab Fatehpur Sikri complex mein hain. [Q45]
- Fatehpur Sikri ka 'Panch Mahal' (5-storey building, Akbar ne banwaya) apni architecture mein Buddhist Monastery (Vihara) se milta-julta hai — tiered, receding pavilions poori tarah pillars par based hain. Ground floor mein 84 pillars poori structure ko support karte hain. [Q55, Q56, Q57]

16. Sulh-i-Kul — The Policy of Universal Peace

- Akbar ki religious policy ka mukhya maksad 'Sulh-i-Kul' (sabke saath shaanti/universal harmony) tha — unhone ye policy religious tolerance, political generosity aur liberal cultural attitude promote karne ke liye banayi, apni diverse empire mein. [Q47]
- Akbar ka 'Sulh-i-Kul' concept (universal peace-fraternity) unki political generosity, religious tolerance, aur liberal cultural attitude — teeno ka result tha. [Q48]

17. The Fatwa Against Akbar

- 1580 AD mein, Jaunpur ke prominent Ulema Mulla Muhammad Yazdi ne Mughal emperor Akbar ke against ek 'Fatwa' issue ki thi — unhone Akbar ki liberal religious policies (jaise Mahzar aur baad mein Din-i-Ilahi) ki wajah se unhe heretic (kaafir) declare kiya aur sabhi Muslims se unke against rebel karne ko kaha. [Q49]

18. Buland Darwaza

- Assertion-Reason: Akbar ne Fatehpur Sikri mein 'Buland Darwaza' banwaya (sahi Assertion) — lekin unhone ise Jahangir ke janm ki yaad mein NAHI, balki Gujarat par apni jeet ki yaad mein banwaya (galat Reason, kuch historians Deccan ki jeeto se bhi jodte hain). [Q50, Q51]
- ⚠ Multiple Correct: Akbar ne Buland Darwaza AUR Jama Masjid (Fatehpur Sikri) — dono banwaye. (Qutb Minar Delhi Sultans ne, Taj Mahal Shah Jahan ne banwaya.) [Q52]

19. Educational Reforms

- Akbar ne education curriculum mein reforms introduce ki, khaaskar primary level par — Arithmetic, Logic, Mensuration, Geometry, Astronomy, Physiognomy, Accountancy, Public Administration aur Agriculture jaise important subjects course mein shaamil kiye gaye. Khud unhone koi formal education nahi li thi, lekin vidwaan logo ko bahut patronize kiya. [Q53]

20. Mughal Monuments & Tombs — Important Match Lists

- Humayun's Tomb (Delhi) ko Persian aur Indian architecture styles ka ek magnificent synthesis maana jaata hai — Humayun ki patni (Haji Begum) ke patronage mein bana, Persian architect Mirak Mirza Ghiyas ne design kiya — ismein pehli baar bade paimane par red sandstone use hua. [Q46]
- Jahangir Mahal, Agra Fort ke andar situated hai — Akbar ne apne bete Prince Salim (Jahangir) ke liye ye palace banwaya tha, red sandstone se bana, Hindu-Islamic motifs se decorated. [Q58]
- Akbar ka Tomb, Sikandara (Agra sheher ke bahar) mein situated hai — Akbar ne khud iska construction plan shuru kiya tha, lekin unke bete Jahangir ne 1613 AD mein complete kiya. [Q59]
- ⚠ Trap: 'Red Fort of Delhi' Akbar ke reign mein NAHI bana — ye unke pote Shah Jahan ne banwaya, 1648 mein complete hua. Agra Fort, Allahabad Fort aur Lahore Fort — teeno Akbar ne banwaye the. [Q60]
- Mughal Ruler-Tomb match: Babur → Kabul; Akbar → Sikandara; Jahangir → Lahore (Shahdara Bagh); Shah Jahan → Agra (Taj Mahal). [Q61]
- Mughal Ruler-Tomb match: Babur → Kabul; Humayun → Delhi; Akbar → Sikandara; Jahangir → Lahore. [Q62]

21. Persian Translations of Hindu Epics

- Akbar ke reign mein Mahabharat ka Persian translation, unke poet laureate Faizi ki supervision mein hua tha — Translation Department Faizi ke under thi, aur Naqib Khan, Badauni jaise scholars ne is kaam mein contribute kiya. [Q63]
- Mahabharata ka Persian translation Akbar ke aadesh par ek team ne kiya, jisme prominently Faizi, Naqib Khan aur Abdul Qadir Badauni shaamil the — is translation ka naam 'Razmnama' (Book of Wars) rakha gaya. [Q64, Q65, Q66, Q67]
- Abdul Qadir Badauni ne Akbar ki ichha ke mutabik, Mahabharata ke saath-saath, Ramayan ka bhi Persian mein translation kiya — Faizi ne 'Leelavati' aur Abul Fazl ne 'Kaliyadaman' Persian mein translate kiya. [Q68, Q69]

22. Court Scholars, Painters & Honorary Titles

- Kashmir ke Muhammad Hussain, Akbar ke darbar ke famous writers-calligraphers mein se ek the — unki exquisite Nastaliq calligraphy ke liye Akbar ne unhe 'Zari Qalam' (Golden Pen) ka title diya. [Q70]
- Jain monk Hari Vijay Suri (Hiravijaya ji), Akbar ke darbar mein kuch saal rahe — unhe 'Jagadguru' (duniya ke teacher) ki title mili. Akbar unki non-violence teachings se bahut prabhavit hue, vegetarian bhi ban gaye. Ek aur Jain scholar Jin Chandra Suri ko Akbar ne 'Yug Pradhan' ki title di. [Q71, Q72, Q73]
- Akbar ke darbar ke famous painter 'Daswant' the — ek potter ke bete, unhone apni skills se Akbar ko itna impress kiya ki wo apne samay ke pehle artist ban gaye. Abul Fazl ne apni 'Ain-i-Akbari' mein Daswant ke alawa Basawan, Keshav Lal, Mukund jaise painters ka bhi zikr kiya hai. [Q74]

23. Akbar & Contemporary World Rulers

- Akbar, England ki Queen Elizabeth-I ke samkalin the — 1600 AD mein East India Company ki sthapna ke waqt, Elizabeth England ki empress thi (1558-1603 AD tak), aur us waqt India mein Akbar raj kar rahe the. [Q75]
- English East India Company ki sthapna 1600 AD mein Queen Elizabeth I ke royal charter se hui thi — us waqt India ke emperor Akbar the (jo 1605 AD tak raj karte rahe). [Q76]

24. Foreign Visitors — Ralph Fitch & the Jesuit Missions

- Akbar ke darbar ke famous historian-grand vizier Abul Fazl ne, America ki discovery ka explicit zikr apni writings mein kiya (Alum-i-Nau) — is tarah ka reference dene wale wo ek medieval Indian writer the. [Q77]
- Ralph Fitch (1583-86 AD), Akbar ke reign mein Agra aur Fatehpur Sikri visit karne wale pehle English merchant the — unhone 16th century ke India ke trade points aur township centers ke baare mein ek valuable narrative di. [Q78]
- ⚠️ Disputed: Goa Church authorities ne 1595 AD mein Akbar ke paas priests ka ek teesra mission bheja tha (pehle 1580 aur 1591 mein bhi bheja gaya tha) — ye mission Jerome Xavier (St. Francis Xavier ke bhatije) ki leadership mein Lahore mein Akbar se mila. Antonio Monserrate PEHLE mission ka hissa the, teesre ke nahi — isliye is question ke sahi statements par confusion/dispute hai. [Q80]

25. Chronology of Akbar's Religious Policy

- Akbar ke religious policy events ka sahi chronological order: Jizya ka abolition (1564 AD) → Ibadat Khana ka construction (1575 AD) → Mahzar (Infallibility Decree) par signing (1579 AD) → Din-i-Ilahi ki foundation (1582 AD). [Q79]
