

MUGHAL DYNASTY — AURANGZEB — FULL MIND MAP

Topic-wise · Fully Explained · Hinglish · SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. The War of Succession — Aurangzeb's Rise
2. The Rebellion of Prince Akbar
3. The Treaty of Purandar with Shivaji
4. Aurangzeb's Character — 'Zinda Peer'
5. Foreign Travellers During Aurangzeb's Reign
6. The First Mughal Conflict with the British
7. Deccan Conquests — Bijapur & Golconda
8. Hindu Generals & Officials in the Mughal Army
9. Religious Policy — Jizya & Jihad
10. Bibi Ka Maqbara
11. Aurangzeb's Family — Daughters & Sisters
12. Saint Ramdas
13. Moti Masjid, Red Fort

1. The War of Succession — Aurangzeb's Rise

- Assertion-Reason: Aurangzeb hi Shah Jahan ke successor bane (sahi Assertion) — lekin primogeniture ka rule (jisme sabse bade bete ko property milti hai) follow NAHI kiya gaya (galat Reason). Wo ek war of succession ke baad force se gaddi par baithe — us waqt succession ke koi clear rules nahi the, ye sirf power ki baat thi. [Q1]
- Mughal Emperor Aurangzeb ki coronation 2 baar hui — pehli 21 July 1658 ko Delhi mein, aur doosri 5 June 1659 ko, Khajwa aur Deorai battles mein safalta ke baad. [Q2]
- 'Battle of Dharmat' (Madhya Pradesh, Ujjain ke pass) Aurangzeb aur Dara Shikoh ke beech, apne pita Shah Jahan ki gaddi ke liye ladi gayi thi — Dara Shikoh ko Raja Jaswant Singh ka support tha, aur Aurangzeb ko Prince Murad ka. 15 April 1658 ko Aurangzeb jeet gaye. [Q3, Q5]
- Battles ka chronological order: Battle of Bilgram/Kannauj (1540 AD, Sher Shah ne Humayun ko haraya) → Battle of Sarnal (1572 AD, Gujarat, Akbar ne Ibrahim Mirza ko haraya) → Battle of Dharmat (1658 AD, Aurangzeb ne Dara Shikoh ko haraya) → Battle of Jajau (1707 AD, Bahadur Shah-I vs Muhammad Azam Shah, Aurangzeb ki mrityu ke baad succession ke liye). [Q4]
- Aurangzeb ke reign ke events ka chronological order: Shuja ki Banaras ke pass haar (Battle of Bahadurpur, February 1658) → Dharmat mein jeet (15 April 1658) → Battle of Samugarh (29 May 1658) → Battle of Deorai (March 1659). [Q6]
- Prince Sulaiman Shikoh (Dara Shikoh ke bete), Aurangzeb se haarne ke baad, Srinagar (Garhwal, Prithvi Singh ki kingdom) mein sharan liye the — lekin unke successor Medini Singh ne unhe Aurangzeb ke hawale kar diya. Unhe Gwalior Fort mein qaid karke, opium ki excessive dose deke maar diya gaya. [Q7]

2. The Rebellion of Prince Akbar

- Prince Muhammad Akbar (Aurangzeb ke bete) ne 1681 AD mein apne pita ke against revolt ki — Rajputs (Rathores aur Sisodias) ke saath alliance karke, isse Aurangzeb ki Rajputana mein position kamzor ho gayi. [Q8]

3. The Treaty of Purandar with Shivaji

- Aurangzeb ne Raja Jai Singh (Amber) ko Shivaji ke against ladne bheja tha — unhone Purandar Fort (jaha Shivaji apna family-treasure rakhte the) ko besiege kiya. Shivaji ne Jai Singh ke saath negotiations shuru ki, aur 1665 AD mein 'Treaty of Purandar' sign hui. [Q9]

4. Aurangzeb's Character — 'Zinda Peer'

- Aurangzeb ek remarkable insaan the, jo baaki Mughals se alag extraordinary personal qualities rakhte the — unhone high moral standards maintain kiye, austere (sadagi bhari) lifestyle jee, aur vices-pleasures-extravagance se door rahe. Isi pious-simple life ki wajah se orthodox Muslims unhe 'Zinda Peer' (jeeta-jaagta saint) kehte the, kuch log 'Shahi Darvesh' bhi kehte the. [Q10, Q11]

5. Foreign Travellers During Aurangzeb's Reign

- ⚠ Disputed: Aurangzeb ke reign mein aane wale notable European travellers the Francois Bernier, Jean-Baptiste Tavernier aur Niccolao Manucci — diye gaye options mein se koi bhi sahi nahi tha (Peter Mundy, Shah Jahan ke reign mein aaye; Hawkins-Thomas Roe, Jahangir ke; Antonio Monserrate, Akbar ke), isliye ye question disputed hai. [Q12]

6. The First Mughal Conflict with the British

- Mughals aur British (East India Company) ke beech pehla conflict 1686 AD mein, Aurangzeb ke reign mein hua tha — Mughal governor Shaista Khan ne British ko Hooghly se bhagaya, jisse Job Charnock jaise logo ko peeche hatna pada. [Q13]

7. Deccan Conquests — Bijapur & Golconda

- Aurangzeb ne apne reign ke aakhri hisse mein Deccan campaigns par bahut samay bitaya — unhone independent Shia states Bijapur (1686 AD) aur Golconda (1687 AD) ko successfully capture kiya. [Q14, Q15]
- Jab Aurangzeb ne 1687 AD mein Golconda Fort seize kiya, tab wahan ke raja Abul Hasan Qutb Shah (Tana Shah bhi kehlaate the), Qutb Shahi dynasty se the — kaha jaata hai ki Aurangzeb ne Golconda fort 'sone ki chaabiyo' se khola tha (ek Afghan guard ko rishwat dekar), waise hi jaise Akbar ne Asirgarh Fort khola tha. [Q16]
- Map-based question: diya gaya map Aurangzeb ki kingdom (1707 mein unki mrityu ke waqt) dikhata hai — Mughal empire apni maximum extent par thi, poore Indian subcontinent ke lagbhag saare hisso ko cover karti hui, South mein Jinji tak. Isme Bijapur aur Golconda (late 1680s mein jeete gaye) bhi shaamil the. [Q17]

8. Hindu Generals & Officials in the Mughal Army

- Apni religious orthodoxy ki reputation ke bawajood, Mughal army mein sabse zyada Hindu Generals (Mansabdars) Aurangzeb ke reign mein the — unke court mein 31.6% Hindu commanders the (zyadatar Marathas aur Rajputs), jabki Akbar ke reign mein ye ratio sirf 22.5% tha. [Q18]
- Aurangzeb ne apne reign mein sabse zyada Hindu officials (Mansabdars) appoint kiye — ye mainly military zaroorat ki wajah se hua, khaaskar Deccan campaigns ke dauran. [Q19]

9. Religious Policy — Jizya & Jihad

- Akbar ne Jizya tax abolish kar diya tha, lekin Aurangzeb ne ise 1679 AD mein non-Muslims par dobara lagu (re-impose) kar diya — Hindus ko unki income ke hisaab se 3 classes mein baata gaya (12, 24, ya 48 Dirhams tax). Women, slaves, 14 saal se chhote bachche, aur bhikhari isse exempt the. [Q20]
- Aurangzeb ek orthodox Sunni Muslim the, jo Quranic law ko strictly enforce karne ki koshish karte the — unke 'Jihad' ka matlab tha non-Muslims ki zameen (Dar-ul-Harb) ko Islam ki zameen (Dar-ul-Islam) mein badalna. [Q21]

10. Bibi Ka Maqbara

- Aurangzeb ne 'Bibi Ka Maqbara' (Bibi ki Tomb) Aurangabad (Maharashtra) mein apni patni Rabia-ud-Daurani (Dilras Banu Begum) ke liye banwaya tha — intricate designs wala ye architectural wonder, Taj Mahal se resemblance ki wajah se 'The Mini Taj' ya doosra 'Taj Mahal' kehlaata hai. [Q22, Q23]

11. Aurangzeb's Family — Daughters & Sisters

- Mehrunnisa (aur Zeb-un-Nissa, jo bhi famous hain), Emperor Aurangzeb ki betiyan thi — Jahan Ara, Roshan Ara aur Gauhar Ara, Shah Jahan ki betiyan (Aurangzeb ki behnein) thi. [Q24]
- Aurangzeb ne apni badi behen Jahan Ara ko 'Sahibat-uz-Zamani' ki title di thi — Jahan Ara, Shah Jahan aur Mumtaz Mahal ki sabse badi beti thi. Dara Shikoh ko unka pehle support hone ke bawajood, Aurangzeb ne unka respect kiya aur unki position wapas restore ki. [Q25]

12. Saint Ramdas

- Samarth Ramdas (1608-1681 AD), Maharashtra ke ek great saint aur Chhatrapati Shivaji ke spiritual guru the — wo Mughal Emperor Aurangzeb ke samkalin the. (Guru Ramdas, chautha Sikh guru, Akbar ke samkalin the — inhe confuse mat karna.) [Q26]

13. Moti Masjid, Red Fort

- Delhi ke Red Fort complex ke andar ki 'Moti Masjid' (Pearl Mosque) Aurangzeb ne 1659-1660 ke beech apne personal use ke liye banwayi thi. (Agra Fort ki Moti Masjid Shah Jahan ne banwayi thi — dono ko confuse mat karna.) [Q27]
