1. Qutbuddin Aybak — Founder of the Slave Dynasty

- Slave Dynasty (Delhi Sultanate period ki pehli, 5 unrelated dynasties mein se ek, 1206-1290 AD) ke founder Qutbuddin Aybak the — unhone 1206 AD mein Delhi Sultanate ki gaddi sambhali. Aybak aur unke sabhi successors apne respective predecessors ke slaves the, isliye ise 'Slave Dynasty' kehte hain. [Q1, Q2]
- Qutbuddin Aybak, Turkistan mein paida hue the, baad mein Muhammad Ghori ko slave ki tarah bech diye gaye. Ghori ki mrityu ke baad, Lahore ke Amirs ne unhe power sambhalne ke liye invite kiya — unhone Lahore ko apni capital banaya, aur khud ko 'Malik' aur 'Sipahasalaar' ki title di. [Q8]
- Sultan Qutbuddin Aybak ko 'Lakh Baksh' (lakho dene wala) kaha jaata tha, unki bahut zyada generosity (daan-dene ki aadat) ki wajah se. [Q3]
- 1210 AD mein, Qutbuddin Aybak ki mrityu Chaugan (polo) khelte waqt ghode se gir kar hui thi — unhe Lahore mein Anarkali Bazaar ke pass dafnaya gaya. [Q9]

2. The Qutub Minar & Associated Monuments

- Qutbuddin Aybak ne Delhi mein 'Quwwat-ul-Islam Mosque' banwani shuru ki, aur Ajmer (Rajasthan) mein 'Adhai Din Ka Jhonpra' (ek mosque) bhi — dono ka nirmaan unhone Muhammad Ghori ke aadesh par 1192 CE mein shuru karwaya. [Q4, Q5]
- Qutub Minar ka construction bhi Qutbuddin Aybak ne shuru kiya tha (sirf pehla storey banaya) — baad mein unke damad-successor Iltutmish ne baaki stories banwakar isse complete kiya. Baad mein iski topmost storey lightning se damage hui, jisse Firuz Shah Tughluq ne rebuild kiya aur 5th floor add kiya. Ghiyasuddin Tughluq ne iske construction mein KOI योगदान NAHI diya. [Q6, Q7]

3. Iltutmish — Real Founder of the Delhi Sultanate & the Capital Shift

- Iltutmish (1211-36 AD) ko Delhi Sultanate ka 'real founder' maana jaata hai — unhone Lahore se apni capital shift karke Delhi ko Sultanate ki capital banaya, jise ek prominent political center bana diya. [Q10, Q12, Q13]

- Iltutmish pehle Sultan the jinhone purely Arabic coinage introduce ki — unhone silver 'Tanka' (175 grains) aur copper 'Jital' — 2 basic coins issue kiye. [Q11]
- Iltutmish ko Delhi ka pehla legally independent Muslim ruler (Sultan) maana jaata hai — Baghdad ke Caliph Al-Muntasir Billah ne 1229 AD mein unhe 'Sultan-i-Azam' ki title deke investiture di. Qutbuddin Aybak, Slave Dynasty ke founder hone ke bawajood, Lahore se hi raj karte rahe aur unhone kabhi formally 'Sultan' ki title nahi li. [Q14]
- 1229 AD mein, Baghdad ke Caliph ne Iltutmish ko 'Khilat' (izzat ka gown) di — is official recognition se Sultanate theoretically 'Dar-ul-Islam' ka hissa ban gayi, Baghdad ke Caliph ke adheen. [Q15]
- Iltutmish ko 'A Slave of a Slave' kaha jaata hai — Qutbuddin Aybak khud Muhammad Ghori ke slave the, aur Iltutmish originally Qutbuddin Aybak ke slave the. Baad mein Iltutmish ne Aybak ki beti se shaadi ki aur eventually khud Sultan ban gaye. [Q16]

4. Iltutmish — Rivals & Administration

- Iltutmish ke main rivals the: Tajuddin Yalduz (Ghazni mein), Nasiruddin Qabacha (Sindh mein), aur Ali Mardan (Lakhnauti, Bengal mein). Malik Altunia unke rival NAHI the — wo ek prominent noble the jinhone baad mein Iltutmish ki beti Raziyya se shaadi ki. [Q17]
- 1225 AD mein, Iltutmish ne Hisamuddin Awaz ko Rajmahal ki pahadiyo (Teliyagarhi ke pass) mein haraaya aur Bihar Shareef-Barh annex kiya. Awaz ke subordination accept karne ke baad, Iltutmish ne Malik Jani ko Bihar ka naya Subedar (Governor) niyukt kiya. [Q25]

5. Genghis Khan & the First Mongol Threat

- Mongol invader Genghis Khan, Iltutmish ke reign mein India ke North-West frontier tak pahunche the — wo Khwarizm ke fugitive prince Jalaluddin Mingburni ka peeche kar rahe the, jinhone Iltutmish se asylum maanga tha. Iltutmish ne bade samajhdari se unhe asylum dene se mana kar diya, taaki Genghis Khan ko provoke na kiya jaaye — isse unki nayi-nayi empire Mongol devastation se bach gayi. [Q19, Q20]
- 1221 AD mein, Genghis Khan ke Mongols Indus river ke kinare pehli baar dikhe the — ye Iltutmish ke reign mein hua tha. [Q21, Q22]
- Genghis Khan (Changez Khan) ka original naam 'Temujin' (Temuchin) tha — unke pita Yesugei the. Unhone hi Mongol Empire ki foundation rakhi aur uska vistaar kiya. [Q23]
- Statement check: Iltutmish ke reign mein hi Chengiz Khan Indus tak pahunche the (sahi) — Taimur ne 1398 AD mein Nasir-ud-Din Mahmud Shah Tughluq ke reign mein attack kiya tha, Muhammad bin Tughluq (1325-1351 AD) ke NAHI (galat statement). Vasco-da-Gama 1498 AD mein Kerala coast par pahunche the, uss waqt Vijayanagara par Immadi Narasimha ka raj tha. [Q24]

6. Raziyya Sultan — First Woman Ruler of Medieval India

- Raziyya Sultan (1236-1240 AD), Delhi Sultanate ki gaddi par baithne wali pehli aur ekmatra woman thi — Turkish nobles ek woman ko apna ruler maanne ke liye reluctant the, khaaskar jab unhone inki power ko challenge kiya. [Q18]

- Raziyya Begum ko gaddi se hataane ke peeche ambitious Turkish nobles (Chahalgani) the — Bhatinda ke governor Malik Altunia ki leadership mein unhone revolt kiya aur Raziyya ko successfully power se hata diya. [Q26]

7. Balban — Rise & Grand Titles

- Balban ka poora naam 'Ghiyasuddin Balban' tha (original naam Baha-ud-din) — wo Delhi ki Mamluk (Slave) dynasty ke 9th Sultan the (1266-1286 AD). Sultan banne se pehle, wo Nasiruddin Mahmud ke Wazir/de facto ruler the, jinhone unhe 'Ulugh Khan' ki title di thi. [Q27]
- Balban ne Persian traditions se inspire hokar apna political model banaya — unhone khud ko God ka representative ('Niyamat-e-Khudai') maana, aur 'Zil-e-Ilahi' (Zil-i-Ilahi, matlab 'Shadow/Image of God') ki grand title apnaayi. [Q32, Q37]
- Balban, Delhi Sultanate ke pehle ruler the jinhone 'theory of Kingship' propound ki, jo 'divine right of kings' ke theory jaisi thi — unhone declare kiya ki Sultan God ka representative hai aur unki authority ko nobles ya public challenge nahi kar sakte. [Q33]
- Balban ne apne inscription mein (Garhmukteshwar, aaj ke UP ki ek mosque ki deewaron par) khud ko 'Helper of a Caliph' (Nasir Amir-ul-Momin) declare kiya tha. [Q38]

8. Balban — Policies & Court Culture

- Balban 'blood and iron' (khoon aur lohe) ki policy apnaane ke liye famous the — unhone apne dushmano ko kuchalne aur Sultan ki absolute authority establish karne ke liye stern, autocratic rule maintain ki (jaise Bengal mein Tughril Khan ke rebellion ko ruthlessly kuchalna). [Q28, Q29]
- Assertion-Reason: Balban ne khud ko emperor declare kiya, ise God ka divine act maankar, taaki crown ki prestige restore ho (sahi Assertion) — unhone Mongols ke against north-west border par mazboot forts bhi banwaye (sahi Reason bhi) — lekin ye power-centralization mainly Sultan ki internal authority restore karne ke liye tha, sirf/mainly Mongol threat ki wajah se nahi (isliye Reason, Assertion ka sahi/complete explanation nahi deta). [Q30, Q31]
- Balban ne apne court mein Iranian kings ki traditions introduce ki, Sultan ki prestige badhane ke liye — jaise Sijada (jhukna/prostration) aur Paibos (raja ke paav choomna) rituals, aur Persian New Year festival 'Nawruz' ka grand celebration. [Q34, Q35]
- ⚠️ Trap: Balban ke baare mein GALAT statement — unhone 'Iqtadari System' introduce NAHI ki, ye system Iltutmish ne systematically introduce ki thi. Balban ne 'theory of kingship' (Niyamat-e-Khudai) zaroor propound ki, Iltutmish ke banaye '40 Turkish nobles' (Turkan-e-Chahalgani) ke group ko successfully destroy kiya. [Q36]

9. Balban — Rebellions Faced

- Tughril Khan (Bengal ke Subedar) ne Balban ke reign mein, 1279 AD mein, Amin Khan ki Bengal mein appointment ke protest mein revolt ki thi — Balban khud Bengal march karke gaye aur is rebellion ko kuchal diya, jisse Tughril Khan ko execute kiya gaya. [Q39]
