- 'Humayun Nama' unki half-sister Gulbadan Begum ne likhi thi. [Q4]
- ⚠️ Trap: 'Humayun Nama' kisne likhi wale question mein diye gaye options mein se koi bhi sahi nahi tha (Gulbadan Begum options mein na hone ki wajah se) — isliye 'None of the above' sahi answer tha, halaki actual mein Gulbadan Begum ne hi ye likhi thi. [Q5]
