1. Reasons for the Rise of the Marathas

- Maratha rise ki koi ek specific wajah nahi thi, na hi ye kisi specific period ki unstable circumstances ka result thi — inke logo ka nationalism unity, caste, language, religion, literature aur habitat ke basis par tha. Maharashtra ki geographical conditions bhi Maratha power ke flourish hone mein madadgar thi, aur Shivaji-doesre Maratha leaders ki high leadership quality ka bhi bada yogdan tha. [Q1]
- Map-based question: Shaded area map mein Marathas ke ruled territories ka extent dikhaya gaya tha. [Q2]
- Assertion-Reason: Mughals ke decline ke baad, Marathas hi sabse capable native power the jo unki jagah le sakte the (sahi Assertion) — Maratha power ki rise Maharashtra ke logo ki Maratha-identity par based unity se hui thi, lekin Marathas ek unified India ka concept develop karne mein fail rahe (galat Reason, jo Assertion ka sahi explanation nahi deta). [Q32]

2. Shivaji — Birth, Coronation & Capital

- Shivaji ka janm 1627 (ya 1630) AD mein, Shivneri Fort mein hua — 1674 AD mein unhone apni coronation ke baad 'Chhatrapati' ki title li. [Q4]
- Shivaji ki coronation 1674 AD mein hui, 'Chhatrapati' title ke saath — unhone Raigarh ko apni capital banaya. Varanasi ke famous scholar Vishveshwar (Gaga Bhatt) ne unki coronation ki aur unhe Kshatriya declare kiya. [Q7, Q8, Q9]

3. Shivaji's Battles & Escapes

- Shivaji ne 1672 AD mein 'Battle of Salher' mein Mughals ko haraya. [Q3]
- 1659 AD mein, Bijapur Sultan ne Afzal Khan (apne experienced-trusted commander) ko Shivaji ko dabaane bheja — lekin diplomat aur clever Shivaji ne unse ulta cleverly nipat liya. [Q5]

- Aurangzeb ne 1666 AD mein Shivaji ko Agra mein qaid kiya tha — wo Jaipur Bhawan (Agra) mein captivity mein the jab unhone Mughals ki custody se escape kiya. [Q6]
- Shivaji se related events ka chronological order: Chakan ke Fort ki jeet (1648 AD) → Mughals ke saath clash ki shuruaat (1657 AD) → Afzal Khan ka episode (1659 AD) → Surat ka attack-loot (1664 AD). [Q11]

4. Shivaji's Guru — Samarth Ramdas

- Samarth Ramdas, Shivaji ke Guru the — unhe unki Advaita Vedantic text 'Daasbodh' ke liye yaad kiya jaata hai. Unhone Shivaji ki tareef mein 'Shivastuti' naam ki poem bhi likhi. [Q10]

5. The Ashtapradhan — Shivaji's Council of Ministers

- 'Ashtapradhan' Shivaji ne Maratha administration mein banayi thi — 8 ministers ki ek council thi: Peshwa (Prime Minister), Amatya/Mazumdar (Finance), Waqianavis/Mantri (Interior/Intelligence), Sachiv/Surnavis (Correspondence), waghera. [Q12, Q14, Q15, Q16, Q21]
- Match: Sachiva (Surnavis) → Correspondence dekhte the; Peshwa → Prime Minister; Samant (Sumant/Dabir) → Foreign Minister; Amatya (Mazumdar) → Finance Minister. [Q13]
- Shivaji ke Ashtapradhan mein ye officers the: Mazumdar (Amatya, Finance/Revenue Minister), Dabir (Sumant, Foreign Minister), Waknis (Waqianavis/Mantri, Interior Minister), aur Surnis (Sachiv, Secretary/Correspondence). [Q17]
- Shivaji ke time, 'Sarnobat' (Sar-i-Naubat/Senapati) ka post military administration se related tha — wo Commander-in-Chief the, military ki maintenance, appointments, organization aur food supply ke liye responsible the. [Q18]
- Shivaji ke Ashtapradhan mein foreign affairs dekhne wale member 'Sumant' (ya Dabir) kehlaate the. [Q19, Q20]
- Assertion-Reason: Shivaji ko state matters mein ek Council of Ministers (Ashtapradhan) advise karti thi (sahi Assertion) — lekin wo modern cabinet ki tarah kaam nahi karti thi; har minister sirf ek advisory head tha, koi independent charge nahi rakhta tha — final decision Shivaji ka hota tha (isliye Reason galat hai). [Q22]

6. Opposition from the Deshmukhs

- Assertion-Reason: Shivaji ko powerful landlords (Deshmukhs) se opposition ka saamna karna pada (sahi Assertion) — kyunki Deshmukhs apni power-influence maintain rakhna chahte the, aur ek independent Maratha state ke favour mein nahi the, wo Bijapur ke subordinate rehna chahte the kyunki isse unhe autonomy aur opportunities milti thi (sahi Reason bhi, jo Assertion ko explain karta hai). [Q23]

7. Maratha Coinage

- Chhatrapati Shivaji ke Kingdom mein Lari, Rupaya aur Taka — silver coins the. ⚠️ 'Ruka' silver coin NAHI thi — ye ek copper coin thi (Kakatiya dynasty ya local fractional copper currencies se associate ki jaati hai). [Q24]

8. The Rise of the Peshwas — Balaji Vishwanath & Chronology

- Sambhaji ke baad, Balaji Vishwanath ne Maratha administration ko streamline kiya — November 1713 AD mein, actual power Chhatrapati se Peshwas ke haathon mein transfer ho gayi. [Q25]
- Peshwas ka chronological order: Balaji Vishwanath (1713-1720 AD) → Bajirao-I (1720-1740 AD) → Balaji Bajirao (1740-1761 AD, Third Battle of Panipat ke baad mrityu) → Madhavrao (1761-1772 AD). [Q26, Q27]
- Peshwas ka chronological order: Balaji Vishwanath (1713-20) → Balaji Bajirao (1740-61) → Narayan Rao (1772-73) → Raghunath Rao/Raghoba (1773-74). [Q28]

9. Chhatrapatis After Shivaji — Chronology

- Chhatrapatis ka chronological order: Sambhaji (1680-1689 AD, Shivaji ke bade bete) → Rajaram (1689-1700 AD, Shivaji ke doosre bete) → Shivaji-II (1700-1708 AD, Rajaram ke bete, Tarabai ki regency mein) → Chhatrapati Shahuji (1708-1749 AD, Sambhaji ke bete). [Q29]

10. The Maratha Confederacy — Peshwa as Virtual Ruler

- Assertion-Reason: 1750 tak Maratha kingdom ek Confederacy ban chuki thi, jo Peshwa ke through preside hoti thi (sahi Assertion) — Bajirao ki 1740 mein mrityu ke baad Shahu ne Balaji Bajirao ko Peshwa banaya, aur ye designation patrimonial ban gayi. 1750 ke Sangola agreement se Maratha king ek 'do nothing king' (figurehead) ban gaya, aur Peshwa hi Maratha Confederacy ka effective head ban gaye (sahi Reason bhi, jo Assertion ko explain karta hai). [Q30]
- Maratha King ek non-entity ban gaye aur Peshwa virtual ruler bane — ye Balaji Bajirao ke time se shuru hua. [Q31]

11. Tarabai's Leadership

- Rajaram ne 1689-1700 AD tak Shahu ke representative ki tarah Marathas ko lead kiya. Unki mrityu ke baad, unki widow Tarabai ne apne bete Shivaji-II ki taraf se Mughals ke saath struggle jaari rakha — Aurangzeb ki mrityu (1707 AD) ke waqt Maratha leadership Tarabai ke haath mein thi. [Q33]
- Rajaram (1700 AD) ki mrityu ke baad, unke minor bete Shivaji-II raja bane aur unki widow Tara Bai unki regent bani — Tara Bai ek bahaduri lady thi, unhone 1700 AD se Mughals ke against struggle lead ki aur Singharh, Raigarh, Satara ke forts Mughals se wapas jeete. [Q34]

12. Maratha Revenue System — Saranzami & Chauth

- 'Saranzami' system, Maratha period ke land revenue se related tha — is system ke under di gayi zameen Maratha Jagirdars ki jeevika ke liye di jaati thi. [Q35]
- 'Chauth' Marathas dwara protection ke badle claim ki jaane wali revenue thi — ye 'Mughalai' (Mughal direct control se bahar, neighbouring territories) provinces se collect ki jaati thi, aur standard land revenue ka 1/4 (25%) hoti thi. [Q36]

13. The Third Battle of Panipat

- 3rd Battle of Panipat (14 January 1761), Maratha Sadashivrao Bhau aur Afghan invader Ahmad Shah Abdali ke beech ladi gayi thi — Marathas is ladai mein Afghans se badly haar gaye. Historian Kashiraj Pandit is battle ke ek eyewitness the, jinhone iska description diya. [Q37, Q39, Q40, Q41, Q42, Q43]
- Ahmad Shah Abdali ka India invade karne aur Third Battle of Panipat ladne ka immediate reason tha — Marathas ne unke viceroy (aur bete) Timur Shah ko Lahore se nikaal diya tha, jiska badla lena chahte the. [Q38]
- Ahmad Shah Abdali January 1757 AD mein Delhi mein daakhil hue aur Delhi-Mathura-Agra loota — wapas jaane se pehle unhone Alamgir-II ko Emperor, Imadulmulk ko Prime Minister, aur Rohilla leader Najib-ud-Daulah (Najib Khan) ko apna chief agent niyukt kiya. [Q44]

14. The Modi Script

- 'Modi script' Marathas ke documents mein use hoti thi — khaaskar revenue aur administrative records maintain karne ke liye. [Q45]
