4. Separate Existence & the Merger Confusion

- ⚠ Disputed: Home Rule League ke baare mein sabhi diye gaye statements factually sahi hain — Annie Besant ne plan 1914-15 mein propose kiya, Tilak ki league Maharashtra-Karnataka-Central Provinces-Berar tak limited thi lekin zyada organized-strong thi, aur dono leagues Tilak-Besant ke differences ke bawajood alag-alag exist karti rahi — isliye sabhi correct hone ki wajah se ye question disputed hai. [Q9]
- ⚠ Disputed: Tilak aur Annie Besant ki Home Rule Leagues KABHI merge NAHI hui — Annie Besant ne khud kaha tha ki Tilak ke kuch supporters unhe pasand nahi karte the aur vice versa, isliye dono organisations conflict avoid karne ke liye alag hi rahi. Diye gaye options mein se koi bhi correct nahi hai. [Q10]
