- Indian Constitution mein citizenship ke provisions Part II mein diye gaye hain. Citizenship se directly related constitutional Articles 5 se 11 tak hain. [Q1, Q2, Q3]

2. Single Citizenship & Single Domicile

- India ne poore desh ke liye single citizenship adopt ki hai — citizen ke paas India ki citizenship hoti hai, kisi particular State ki separate constitutional citizenship nahi. [Q4, Q5]
- Source statement ke mutabik India mein ek samay par one citizenship aur one domicile ka principle apply hota hai. Single citizenship ka concept British/United Kingdom constitutional system se adopted bataya gaya hai. [Q8]
- U.S.A. mein dual citizenship ka principle source ke mutabik accepted hai — ek U.S. citizenship aur ek us State ki citizenship jahan person reside karta hai. [Q11]

! EXAM TRAP — India vs U.S.A. — Citizenship Pattern

- ▶ India = single citizenship. U.S.A. = dual citizenship. [Q4, Q5, Q10, Q11]
- ▶ Q10 ka statement 2 galat hai, kyunki source ke mutabik U.S.A. dual polity ke saath dual citizenship rakhta hai; India single citizenship provide karta hai. [Q10]

3. Citizenship Act, 1955 — Acquisition of Citizenship

- Citizenship Act, 1955 (as amended) ke according citizenship paanch bases par acquire ho sakti hai: Birth, Descent, Registration, Naturalization aur Incorporation of Territory. Indian bank mein money deposit karna citizenship acquisition ka basis nahi hai. [Q6]
- Article 11 Parliament ko citizenship ke acquisition aur termination ko law ke through regulate karne ki power deta hai. Isi power ka use karke Parliament ne Citizenship Act, 1955 enact kiya. [Q12]
- Source Q13 ke mutabik Section 5(1)(a) ke under registration se citizenship lene ke liye person of Indian origin ko ordinarily India mein 7 years reside karna hota hai. [Q13]

4. Loss of Citizenship — Renunciation, Termination & Deprivation

- Citizenship Act, 1955 citizenship lose hone ke teen modes batata hai: Renunciation (tyag), Termination (samapti) aur Deprivation (vanchit kiya jana). [Q7]
- Indian citizenship renounce karna ya voluntarily kisi doosre country ki citizenship acquire karna citizenship loss se linked hai. Sirf foreign citizen se marriage karna ya government criticize karna, source Q7 ke context mein citizenship loss ka automatic ground nahi. [Q7]

- Source Q8 ke mutabik registration/naturalization fraud, false representation/concealment, Constitution ke prati disloyalty, war-time enemy dealing, ya continuous 7 years ordinary residence outside India jaise grounds par citizenship cancel/deprive ki ja sakti hai. [Q8]

5. Naturalised Citizen — President & Deprivation Rules

- India mein Head of State/President banne ke liye source Q8 ke mutabik sirf citizen-by-birth hona necessary nahi; naturalised citizen bhi eligible ho sakta hai. [Q8]
- Naturalised citizen ko kabhi bhi citizenship se deprive nahi kiya ja sakta — yeh statement source ke mutabik galat hai. Citizenship Act, 1955 ke Section 10 ke provisions ke subject to deprivation possible hai. [Q10]
- Q10 ke mixed statement set mein Articles 371-A se 371-I ko Nagaland, Assam, Manipur, Andhra Pradesh, Sikkim, Mizoram, Arunachal Pradesh aur Goa ki regional demands se linked bataya gaya hai; source key mein sirf statement 1 correct hai. [Q10]

6. OCI Card — Citizenship Amendment Act, 2015

- Source Q9 Citizenship Amendment Act, 2015 ke Section 7(A) ke under OCI cardholder registration discuss karta hai. Pakistan, Bangladesh ya specified country se linked prescribed ancestry categories OCI eligibility ko bar kar sakti hain. [Q9]
- Isliye source question mein Partition ke baad Pakistan migrate karne wala Indian OCI cardholder registration ke liye eligible nahi maana gaya hai. [Q9]

7. Article 11 — Parliament ka Exclusive Legislative Power

- Article 11 ke under citizenship ka right regulate karne ke liye law banane ki power Parliament ke paas hai. Citizenship Act, 1955 acquisition aur termination ke provisions deta hai; source Section 18 ke under Central Government ke rules-making power ka bhi mention karta hai. [Q12]

! EXAM TRAP — Q14 — Disputed Question / No Correct Option

- ▶ Question options: Court, President, Lok Sabha, Central Government, State Government — lekin source explanation ke mutabik exclusive power Parliament ke paas hai. [Q14]
- ▶ Parliament option mein diya hi nahi gaya; isliye source ne Q14 ko disputed mark karke “none of the options are correct” kaha hai. [Q14]

8. Citizenship (Amendment) Act, 2019 — Timeline & Purpose

- Source timeline: Citizenship (Amendment) Bill, 2019 Lok Sabha se 9 December 2019 ko pass hua; Rajya Sabha ne 11 December 2019 ko pass kiya; President ka assent 12 December 2019 ko mila. [Q15, Q16]
- Source Q15 ke mutabik Bill ne Citizenship Act, 1955 amend kiya aur Afghanistan, Bangladesh aur Pakistan se aaye specified non-Muslim communities ke liye religion-based citizenship provision introduce karne ka purpose bataya gaya hai, cut-off 31 December 2014 ke context ke saath. [Q15]
