

ACTS RELATED TO ENVIRONMENT CONSERVATION - FULL MIND MAP

Topic-wise | Hinglish | SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Environment (Protection) Act, 1986
2. Constitutional & Umbrella Framework
3. Authorities under EPA
4. National Green Tribunal (NGT)
5. Climate Action - Historical Exam Fact

● ACTS RELATED TO ENVIRONMENT CONSERVATION - FULL MIND MAP

1. Environment (Protection) Act, 1986

- Environment (Protection) Act, 1986 - Act No. 29 of 1986 - 23 May 1986 ko enact hua aur 19 November 1986 se force mein aaya; whole India par extend karta hai. Objective: environment ki protection aur improvement. Is chapter ke multiple repeated PYQs ka core answer 1986 hai. [Q1, Q2, Q3, Q4, Q5, Q6, Q7]
- Section 3 Central Government ko environmental quality protect/improve karne ke broad powers deta hai; Section 3(3) ke under specified authorities constitute ki ja sakti hain. Source current note: Jan Vishwas (Amendment of Provisions) Act, 2023 ke changes 1 April 2024 se effective hue, penalty/adjudication framework revise hua. [Q5, Q6]

2. Constitutional & Umbrella Framework

- 42nd Constitutional Amendment Act, 1976 ne environmental protection provisions add kiye: Article 48A State ko environment improve aur forests/wildlife safeguard karne ko direct karta hai; Article 51A(g) citizen ka Fundamental Duty banata hai. [Q8]
- Environment (Protection) Act, 1986 ko comprehensive Umbrella Legislation kaha jaata hai; ye 1972 Stockholm Conference decisions ke implementation context se linked hai aur Water/Air Acts se broader coordinating/regulatory powers deta hai. [Q9]

3. Authorities under EPA

- GEAC - Genetic Engineering Appraisal Committee Rules, 1989 ke under function karta hai, jo Environment (Protection) Act, 1986 ke under notified hain. Ye genetically engineered organisms/cells ki specified activities ko environmental-safety angle se appraise karta hai. [Q10]
- Central Ground Water Authority (CGWA) Environment (Protection) Act, 1986 ke Section 3(3) ke under constitute hui; groundwater development aur management regulate/control karna iska purpose hai. [Q11]
- Ecological balance protection broad policy sense mein Forest Policy + Environment (Protection) Act + Industrial Policy + Educational Policy sab contribute kar sakte hain; question ka answer 'All the above' hai. [Q12]

4. National Green Tribunal (NGT)

- NGT = National Green Tribunal. NGT Act, 2010 ke under 18 October 2010 ko establish hua aur Act bhi isi date ko force mein aaya. Purpose: environmental cases ka effective aur expeditious disposal, forests/natural resources conservation aur environmental legal rights enforcement. [Q13, Q14, Q18]
- NGT Act ka constitutional link exam question mein Article 21 se construed Right to clean/healthy environment hai. Articles 275(1) aur 243A is question ke basis nahi hain; only statement 1 correct. [Q16]
- NGT vs CPCB: NGT Act, 2010 se establish hua. CPCB executive order se nahi, balki Water (Prevention and Control of Pollution) Act, 1974 ke under statutory body hai; isliye statement 1 false. NGT environmental justice/litigation burden reduce karta, CPCB water cleanliness aur air quality/pollution-control functions karta - statement 2 true. [Q17]

5. Climate Action - Historical Exam Fact

- India CDM framework mein actively participate karta raha aur National Adaptation Fund ke initial corpus ka source mention karta hai. 19th BASIC Ministerial Meeting, Sun City (South Africa), October 2014 mein India attend hua tha; 'India did not attend' statement false hai. [Q15]
