

# BIRD SANCTUARIES AND BUTTERFLY CONSERVATION - FULL MIND MAP

Topic-wise | Hinglish | SSC / BPSC / BSSC / Railway

## Topics in this chapter:

1. Bird Sanctuaries & Vulture Conservation
2. Butterflies, Hornbill, Desert National Park & Butterfly Park

### 1. Bird Sanctuaries & Vulture Conservation

**EXAM TRAP** udhava lake bird Sanctuary Jharkhand ke sahebaganj district mein located hai. jabki dusre pair sahi sumelit hain. option (a) bhi galat sumelit hai. [Q1]

- Uttar Pradesh ke bird abhayaranyon aur unke related districts ki sahi sumelit list is type hai: navabaganj bird Sanctuary - unnava okhala bird Sanctuary - gajiyabad (abhi gautam buddh city) samasapur bird Sanctuary - rayabareli parvati araga bird Sanctuary - gonda [Q2]
- Tamil Nadu government ne action scheme ke liye giddh conservation (Action Plan for Vulture Conservation - APVC) 2020-2025 ke kriyanvayan ke liye government ke andar samanvay ke liye state-level giddh conservation samiti (State-Level Committee for Vulture Conservation - SLCVC) shuru ki. [Q3]

### 2. Butterflies, Hornbill, Desert National Park & Butterfly Park

- Maharashtra 'state titli' rakhne wala country ka pehla state bana. state government ne nili morman (Blue Mormon) ko state titli declared kiya. [Q4]
- Western Ghats - 'mahan Indian hornabil' (Great Indian Hornbill) ka natural habitat western Ghat hai. India ke extra mahan hornabil (Hornbills) nepal, bhutan, chin aur indoneshiya mein bhi paye jate hain. [Q5]
- marusthal National Park Rajasthan ke do districts - jaisalamer aur badamer - mein phaila hai. yeh mahan Indian bastard (Great Indian Bustard, local roop se godavan/Godawan) ke natural avason mein se ek hai. isliye statement 1 aur 3 sahi hain. park ke andar human basti hai, isliye statement 2 sahi nahi hai. [Q6]
- Bannerghatta Biological Park, Bangalore - India ka pehla titli Park Karnataka mein bengaluru ke paas banneraghatta National Park mein hai. iski establishment 1970 mein hui aur 1974 mein ise National Park declared kiya gaya. [Q7]
