

AGENDA 21 AND OTHER CONVENTIONS - FULL MIND MAP

Topic-wise | Hinglish | SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Agenda 21 - Meaning, Scope & Structure
2. AGMARK & BIS Quality Certification
3. OPCW - Chemical Weapons Convention Body
4. Vegetation as an Index of Climate
5. UN-Habitat & Sustainable Urban Future
6. Asian Rhino Conservation - New Delhi Declaration

1. Agenda 21 - Meaning, Scope & Structure

- ejenda 21 sustainable development ke relation mein United Nations ki legal roop se non-badhyakari aur svaichchhik roop se applied ki jane wali karyayojana hai. yeh 1992 mein brajil ke riyo-di-janeriyo mein organized Earth shikhar conference (UN conference par environment aur development) ka result hai. [Q1]
- ejenda 21 sustainable development ke relation mein United Nations ki legal roop se non-badhyakari aur svaichchhik roop se applied ki jane wali karyayojana hai. yeh 1992 mein brajil ke riyo-di-janeriyo mein organized Earth shikhar conference (UN conference par environment aur development) ka result hai. [Q2]
- ejenda 21 year 1992 ke environment aur development par United Nations conference (Rio Earth shikhar conference) mein apnaya gaya widespread work-program hai. yeh char mukhya khandon mein vibhajit hai aur ismein 40 adhyay hain. [Q3]

2. AGMARK & BIS Quality Certification

- AGMARK Act ya agriculture upaj (shrenikaran aur chihnankan/Grading and Marking) Act, 1937 agriculture aur dusre utpadon ke greeding aur marking ka pravadhan karne wala Act hai. yeh 1937 mein effective hua. [Q4]
- applied quality control adesh (Quality Control Order) ke tahat ane wale motar-vahan tayar aur tyub ke liye BIS pramanan anivary hai; isliye statement 1 sahi hai. AGMARK India ki agriculture-products greeding vyavastha ke tahat diya jane wala Indian pramanan chihn hai; ise food aur agriculture organization (FAO) jari nahi karata. [Q5]

3. OPCW - Chemical Weapons Convention Body

- chemical hathiyaron ke nishedh ke liye organization (OPCW), chemical hathiyar Convention ka kriyanvayan nikay hai; yeh yuropiy union ka organization nahi hai. OPCW chemical udyog mein nirikshan aur satyapan gatividhiyan karta hai, taaki pratibandhit chemical hathiyar activities ko roka ja sake. yeh chemical hathiyaron ke use ya use ki dhamaki ke viruddh sadasy countries ko help aur conservation bhi available karata hai. [Q6]

4. Vegetation as an Index of Climate

- 'vegetation hai saty suchakank ke climate' statement koppen climate classification (Koppen Climate Classification) se related hai. yeh system pehli baar 1900 mein prakashit hui aur vladimir petrovich koppen (Wladimir Petrovich Koppen) dwara 1918 mein sanshodhit ki gai. [Q7]

5. UN-Habitat & Sustainable Urban Future

- United Nations human bastiyan (Settlements) program (United Nations-haibitet) human bastiyon aur sustainable shahari development ke liye United Nations ki ejensi hai. iski establishment 1978 mein kenya ki rajadhani nairobi mein hui thi. is ejensi ko United Nations mahasabha dwara samajik aur environmental roop se sustainable nagaron aur shaharon ko badhava dene ka dayitv diya gaya hai, jo sabhi ke liye paryapt ashray available karaen. iske bhagidaron mein sirf sarakaren aur local nagarapalika Authority hi nahi, balki niji aur non-sarakari bhagidar bhi shamil hain. yeh garibi kam karne aur surakshit peyajal aur buniyadi svachchhata tak pahunch ko badhava dene ke United Nations ke samagr purpose mein contribution deta hai. [Q8]

6. Asian Rhino Conservation - New Delhi Declaration

- India aur char dusre gainda paras countries - nepal, maleshiya, indoneshiya aur bhutan - ne species ke conservation aur protection ke liye hal mein organized dusari (Second) Asian gainda paras countries baithak mein 'nayi Delhi announcement par Asian gainde 2019' par hastakshar kie. ullekhanii hai ki dusari Asian gainda paras countries baithak 26 se 28 February 2019 tak nayi Delhi mein organized hui thi aur iska ayojan India government ke environment, forest aur climate change Ministry dwara IUCN Asian gainda visheshajny group (Specialist Group), WWF-India aur aranyak (Aaranyak) ke cooperation se kiya gaya tha. [Q9]
